Best Examples of Business Research Topics for 2020

Dated back to Code of Hammurabi some 4,000 years ago, business ethics is a social science, whose main aim is to define and examine the responsibilities of businesses and their agents as a part of the general moral environment of a given society. The products of this field of research are sets of rules and codes of conducts, which serve as a means of protection from the possible infringements of moral codes as a result from the general activities and responsibilities of a firm to its ...
