Review: I have to confess that I'm saddened, and a little surprised, by some of the reactions other reviewers have had to Pieces of Us. A lot of people have said that this book just isn't for them, and I can support that – there's a lot of content in Gelbwasser's novel that's hard to handle.

Review: Pieces of Us by Margie Gelbwasser

Pieces of Us by Margie Gelbwasser, 9780738721644, available at Book Depository with free delivery worldwide.

Pieces of Us : Margie Gelbwasser : 9780738721644

PIECES OF US by Margie Gelbwasser was unsettling to me because it forced me

to see the underbelly of teenagers with secretly screwy lives and families. At one point, Katie is being forced to have sex with the boys who raped her a second time (yes, you read this correctly), and she tells us that the one who had been her boyfriend (I CANNOT EVEN TYPE HIS NAME, the DOUCHEBAG) made her look him in the eye the whole time.

Pieces of Us Joining the dark side BookPage Behind the Book by Margie Gelbwasser. January 12, 2012 I'm told my writing is pretty, beautiful, graceful. Lest you think I'm at risk of getting a big ego, I'm often told my books are not. They are the antithesis: dark, disturbing. They are called "too real," putting the ick in realistic.
