Three Different Types of Communication: Verbal, Nonverbal ...

Verbal vs. Non-Verbal Communication We communicate with much more than words: when we interact with someone, our body has a language of its own. The way we sit, the gestures we make, the way we talk, how much eye contact we make - all of these are non-verbal ways of communicating that impact the messages our words are sending.

Verbal vs. Non-Verbal Communication

Verbal communication is obviously an

important part of life as we use words to communicate. But have you ever thought, that a small baby cannot use language or words to speak, but he chooses signs to show his anger, happiness, and sorrow. Similarly, deaf and dumb persons also use sign language for communicating with other people.
