Today I want to show you a watch modification that I've been working on. I'm calling it the Data Runner, and it's another F91W mod, this time going the extra mile to make something functional and nice looking. Like the previous mods that you may have seen me do, this is based on the Casio F91W, and that's down to the fact that it's THE standard for an inexpensive digital watch, striking a good balance between price, features, build quality, and worldwide availability.
