The passage of the Wild and Scenic Rivers Act of 1968 created the National Wild and Scenic River System, which today protects more than 12,000 miles of rivers in 40 states and Puerto Rico for recreation, fish and wildlife habitat, scenery, and cultural heritage. In 2018, we celebrate the 50th anniversary of the birth of our Wild and Scenic River System by recognizing that everyone plays a role in stewarding free-flowing

rivers and safeguarding future water quality.
