Horns is a 2010 dark fantasy novel by Joe Hill and is the author's second published novel. The novel also incorporates elements of contemporary fantasy, crime fiction, and Gothic fiction. It employs the third-person omniscient, nonlinear narrative in telling the story of Ig Perrish, who—in the aftermath of his girlfriend Merrin Williams' mysterious rape and murder—awakes one morning to find horns growing from his head and diabolical powers at his command.

The book really did drag. The first part of the book was really good with Ig figuring out about his horns and reading his interaction with his grandmother and parents. However, when Ig does find out who murdered and killed Merrin the whole book just stopped. Joe Hill goes back and shows how Ig and Merrin first met.
