The Color of Water *Penguin*

From the New York Times bestselling author of Deacon King Kong and The Good Lord Bird, winner of the National Book Award for Fiction: The modern classic that Oprah.com calls one of the best memoirs of a generation and that launched James McBride's literary career. More than two years on The New York Times bestseller list. Who is Ruth McBride Jordan? A self-declared "light-skinned" woman evasive about her ethnicity, yet steadfast in her love for her twelve black children. James McBride, journalist, musician, and son, explores his mother's past, as well as his own upbringing and heritage, in a poignant and powerful debut, The Color Of Water: A Black Man's Tribute to His White Mother. The son of a black minister and a woman who would not admit she was white, James McBride grew up in "orchestrated chaos" with his eleven siblings in the poor, all-black projects of Red Hook, Brooklyn. "Mommy," a fiercely protective woman with "dark eyes full of pep and fire," herded her brood to Manhattan's free cultural events, sent them off on buses to the best (and mainly Jewish) schools, demanded good grades, and commanded respect. As a young man, McBride saw his mother as a source of embarrassment, worry, and confusion—and reached thirty before he began to discover the truth about her early life and long-buried pain. In The Color of Water, McBride retraces his mother's footsteps and, through her searing and spirited voice, recreates her remarkable story. The daughter of a failed itinerant Orthodox rabbi, she was born Rachel Shilsky (actually Ruchel Dwara Zylska) in Poland on April 1, 1921. Fleeing pogroms, her family emigrated to America and ultimately settled in Suffolk, Virginia, a small town where anti-Semitism and racial tensions ran high. With candor and immediacy, Ruth describes her parents' loveless marriage; her fragile, handicapped mother; her cruel, sexually-abusive father; and the rest of the family and life she abandoned. At seventeen, after fleeing Virginia and settling in New York City, Ruth married a black minister and founded the all- black New Brown Memorial Baptist Church in her Red Hook living room. "God is the color of water," Ruth McBride taught her children, firmly convinced that life's blessings and life's values transcend race. Twice widowed, and continually confronting overwhelming adversity and racism, Ruth's determination, drive and discipline saw her dozen children through college—and most through graduate school. At age 65, she herself received a degree in social work from Temple University. Interspersed throughout his mother's compelling narrative, McBride shares candid recollections of his own experiences as a mixed-race child of poverty, his flirtations with drugs and violence, and his eventual self- realization and professional success. The Color of Water touches readers of all colors as a vivid portrait of growing up, a haunting meditation on race and identity, and a lyrical valentine to a mother from her son. This book was recently reprinted with a new cover. You may receive one of the two covers shown.

Good Day, Good Night *HarperCollins UK*
A never-before-published picture book from Margaret Wise Brown, the bestselling author of

Goodnight Moon, brought to life by Loren Long, #1 New York Times bestselling illustrator.

The Boy Who Wanted to Rock *Bookbaby*
The idea for the book came about while I was working abroad on a theater show, with a fair bit of downtime. Before leaving, I'd been helping our son, Arlen, as he made first contact with a few instruments: keyboards and synthesizers, guitar, and a variety of tuned percussion instruments. It did not always go well. His intense love of music was matched by an equally intense desire for immediate results. This combination often led to a considerable amount of frustration. To help Arlen cope with this frustration, I decided to write a short rhyming story that would be similar in many ways to those found in his favorite picture books. My initial vision was for the book to encourage practice and sticktoitiveness, enshrining the many virtues of delayed gratification. Mercifully, I came to my senses and abandoned that idea as utter nonsense. It dawned on me that our boy's innocence and earnestness fueled a kind of rock power, that unnamed spark of creative joy that many of us in the music industry have chased in practice spaces and recording studios for decades. It's the very thing that makes a kid, a kid. Our five-year-old boy is Thoreau's "childlike mirthfulness" come to life. He dances like there's no one watching; he doesn't know any other way. He sings with abandon, and sometimes, he roars. In the end, I thought that if he learns something from the book, wonderful, but above all else, I wanted this book to help ensure that he never forgets how to roar.
