For most anthropologists, Stoller contends, tasteless theories are more important than the savory sauces of ethnographic life. That they have lost the smells, sounds, and tastes of the places they study is unfortunate for them,

for their subjects, and for the discipline itself. The Taste of Ethnographic Things describes how, through long-term participation in the lives of the Songhay of Niger, Stoller eventually came to his senses.

The Taste of Ethnographic Things - Walter de Gruyter

With his publications of The Taste of Ethnographic Things: The Senses in Anthropology (1989) and Sensuous Scholarship (1997), Stoller has been at the forefront of the Anthropology of the Senses also known as sensory anthropology. He is an advocate of research methods

grounded in long term fieldwork, cultural relativism and reflexivity.
