The writing practice section contains six DBQs, twelve LEQs, and seventy-two SAQs. This guide also has THREE multiple-choice practice tests. The first multiple-choice test covers the first three

time periods (Paleolithic era to ~1500 C.E.) and is designed to be taken halfway through the course to give students an idea of where they stand. The other two multiple-choice exams cover the entire course curriculum. All multiple-choice questions and writing prompts are tied to the key concepts of the course and the answer key features comprehensive explanations and examples of student work. No other prep book offers this much practice material written to AP guidelines.
