Out of the Mountains: The Coming Age of the Urban Guerrilla
In the parlance of the U.S. Army, Dr. David Kilcullen's new book Out of the Mountains is commendably "high speed, low drag." In addition to its brisk pace, organization and effective writing, it is also a positively provocative and cogent work of depth that describes a projection of future conflict that is grim, gritty, and one for which all governments need to be far better prepared.

Description. In his third book, David Kilcullen takes us out of the mountains: away from the remote, rural guerrilla warfare of Afghanistan, and into the marginalised slums and complex security threats of the world’s coastal cities, where almost 75 per cent of us will be living by mid-century. Scrutinising major environmental trends — population growth, coastal urbanisation — and increasing digital connectivity, he projects a future of feral cities, urban systems under stress, and ...
