Historical Background of the Himalayan Frontier of India. 1959. India's northern frontier is a traditional one, in the sense that it has lain approximately where it now runs for nearly three thousand years. The areas along this frontier, which is nearly 2,500 miles long from the Kuen Lun mountains in the far north to the junction with Burma in the east, have always been a part of India: At times they were independent principalities, and in other periods.
