Film business : a handbook for Australian film producers ...

For these reasons, plus the fact that the previous title proved to be so successful over the past fifteen years, it was decided to stick with Film Business: A Handbook for Producers. In any case, the traditional business practices underpinning film production still apply to any production context, whether it is film, video, television, digital or on-line content.

Film Business: A Handbook for Producers: Jeffrey, Tom ...

Film Business is an amazing book from Australia that probably isn't deeply stocked on American shelves. It's an essential read for producers who want to make more than one feature or documentary. Though I've read all the books on indie producing, legal matters, business plans, and marketing, none cover the very real responsibilities of a producer to themselves: to stay in business.
