Care of the Soul, Twenty-fifth Anniversary Ed

A Guide for Cultivating Depth and Sacredness in Everyday Life *Harper Perennial*

#1 New York Times Bestseller With a new introduction by the author and additional material, this 25th anniversary edition of the #1 New York Times bestseller by Thomas Moore provides a powerful spiritual message for our troubled times. In this special 25th anniversary edition of Thomas Moore's bestselling book *Care of the Soul* readers are presented with a revolutionary approach to thinking about daily life—everyday activities, events, problems and creative opportunities—and a therapeutic lifestyle is proposed that focuses on looking more deeply into emotional problems and learning how to sense sacredness in even ordinary things. Basing his writing on the ancient model of "care of the soul"—which provided a religious context for viewing the everyday events of life—Moore brings "care of the soul" into the 21st century. Promising to deepen and broaden the reader's perspective on his or her own life experiences, Moore draws on his own life as a therapist practicing "care of the soul," as well as his studies of the world's religions and his work in music and art, to create this inspirational guide that examines the connections between spirituality and the problems of

individuals and society.

The Soul of Care

The Moral Education of a Husband and a Doctor *Penguin*

A moving memoir and an extraordinary love story that shows how an expert physician became a family caregiver and learned why care is so central to all our lives and yet is at risk in today's world. When Dr. Arthur Kleinman, an eminent Harvard psychiatrist and social anthropologist, began caring for his wife, Joan, after she was diagnosed with early-onset Alzheimer's disease, he found just how far the act of caregiving extended beyond the boundaries of medicine. In *The Soul of Care: The Moral Education of a Husband and a Doctor*, Kleinman delivers a deeply humane and inspiring story of his life in medicine and his marriage to Joan, and he describes the practical, emotional and moral aspects of caretaking. He also writes about the problems our society faces as medical technology advances and the cost of health care soars but caring for patients no longer seems important. Caregiving is long, hard, unglamorous work—at moments joyous, more often tedious, sometimes agonizing, but it is always rich in meaning. In the face of our current political indifference and the challenge to the health care system, he emphasizes how we must ask uncomfortable questions of ourselves, and of our doctors. To give care, to be "present" for someone who needs us, and to feel and show kindness are deep emotional and moral experiences, enactments of our core values. The practice of caregiving teaches us what is most important in life, and reveals the very heart of what it is to be human.

Care of the Soul In Medicine *Hay House, Inc*

Few experiences stir the emotions and throw a person into crisis as illness does. It affects not only the body but also the spirit and soul. Illness is about life and death, fear and hope, love and conflict,

spirit and body. And yet, the healthcare system is not structured around these considerations—our doctors and other medical professionals are not trained to deal with the whole person. Care of the Soul In Medicine is Moore’s manifesto about the future of healthcare. In this new vision of care, Moore speaks to the importance of healing a person rather than simply treating a body. He gives advice to both healthcare providers and patients for maintaining dignity and humanity. He provides spiritual guidance for dealing with feelings of mortality and threat, encouraging patients to not only take an active part in healing but also to view illness as a positive passage to new awareness. While we don’t fully understand the extent to which healing depends on attitude; it has been shown that healing needs to focus on more than the body. The future of medicine is not only in new technical developments and research discoveries; it is also in appreciating the state of soul and spirit in illness.

Dark Nights of the Soul

A Guide to Finding Your Way Through Life's Ordeals *Penguin*

Every human life is made up of the light and the dark, the happy and the sad, the vital and the deadening. How you think about this rhythm of moods makes all the difference. Our lives are filled with emotional tunnels: the loss of a loved one or end of a relationship, aging and illness, career disappointments or just an ongoing sense of dissatisfaction with life. Society tends to view these “dark nights” in clinical terms as obstacles to be overcome as quickly as possible. But Moore shows how honoring these periods of fragility as periods of incubation and positive opportunities to delve the soul’s deepest needs can provide healing and a new understanding of life’s meaning. Dark Nights of the Soul presents these metaphoric dark nights not as the enemy, but as times of transition, occasions to restore yourself, and transforming rites of passage, revealing an uplifting and inspiring new outlook on such topics as: • The healing power of melancholy • The sexual dark night and the mysteries of matrimony • Finding solace during illness and in aging • Anxiety, anger, and temporary Insanities • Linking creativity, spirituality, and emotional struggles • Finding meaning and beauty in the darkness

Soul Therapy

The Art and Craft of Caring Conversations *HarperCollins*

The New York Times bestselling author of the classic *The Care of the Soul* addresses the needs of those providing soul care to others—therapists, psychiatrists, ministers, spiritual directors, teachers, and even friends—sharing his insights for incorporating a spiritual or soulful dimension into their work and practices. Soul Therapy is the culmination of Thomas Moore’s work. In his previous acclaimed books, he explored the soul in important areas of our lives—work, sex, marriage, family, religion, and aging. In this wise guide, he now returns to his core vocation: teaching practitioners—therapists, psychiatrists, ministers, spiritual directors, and others—how to offer soul care to those they assist. A training manual infused with a lifetime’s worth of wisdom, Soul Therapy is divided into five sections: What therapy or “soul care” is and how it works; What soul work is

required of the helper to be able to address the needs of others; How to access and move forward the spiritual dimension; How to apply this work to specific areas, such as work, marriage, parenting, or teaching; How to deal with other issues that arise, such as developing a therapeutic style, dealing with one’s shadow, and the need for self-care. Profound yet practical, enlightened yet grounded in real-world experience, Soul Therapy will become a definitive resource for caregivers and practitioners for years to come.

Soul and Everyday Life *Spring Publications*

On these two tapes Moore takes the listener through an actual lecture & workshop weekend on the soul conducted at The Open Center in New York, where he discusses his ideas on work, money, futility, creativity & answers questions from the audience

Care for the Soul

Exploring the Intersection of Psychology Theology *InterVarsity Press*

Edited by Mark R. McMinn and Timothy R. Phillips, this collection of essays is a multidisciplinary dialogue on the interface between psychology and theology that takes seriously the long, rich tradition of soul care in the church.

Ageless Soul

The Lifelong Journey Toward Meaning and Joy *St. Martin's Press*

Thomas Moore is the renowned author of *Care of the Soul*, the classic #1 New York Times bestseller. In *Ageless Soul*, Moore reveals a fresh, optimistic, and rewarding path toward aging, one that need not be feared, but rather embraced and cherished. In Moore’s view, aging is the process by which one becomes a more distinctive, complex, fulfilled, loving, and connected person. Using examples from his practice as a psychotherapist and teacher who lectures widely on the soul of medicine and spirituality, Moore argues for a new vision of aging: as a dramatic series of initiations, rather than a diminishing experience, one that each of us has the tools—experience, maturity, fulfillment—to live out. Subjects include: *Why melancholy is a natural part of aging, and how to accept it, rather than confuse it with depression *The vital role of the elder and mentor in the lives of younger people *The many paths of spiritual growth and learning that open later in life *Sex and sensuality *Building new communities and leaving a legacy *Ageless Soul* will teach readers how to embrace the richness of experience and how to take life on, accept invitations to new vitality, and feel fulfilled as they get older.

The Care of Souls

Cultivating a Pastor's Heart

Drawing on a lifetime of pastoral experience, *The Care of Souls* is a beautifully written treasury of proven wisdom which pastors will find themselves turning to again and again. Harold Senkbeil helps

remind pastors of the essential calling of the ministry: preaching and living out the Word of God while orienting others in the same direction. And he offers practical and fruitful advice—born out of his five decades as a pastor—that will benefit both new pastors and those with years in the pulpit. In a time when many churches have lost sight of the real purpose of the church, *The Care of Souls* invites a new generation of pastors to form the godly habits and practical wisdom needed to minister to the hearts and souls of those committed to their care.

The Great Conversation

Nature and the Care of the Soul *Oxford University Press, USA*

"We are surrounded by a world that talks, but we don't listen. We are part of a community engaged in a vast conversation, but we deny our role in it." In the face of climate change, species loss, and vast environmental destruction, the ability to stand in the flow of the great conversation of all creatures and the earth can feel utterly lost to the human race. But Belden C. Lane suggests that it can and must be recovered, not only for the sake of endangered species and the well-being of at-risk communities, but for the survival of the world itself. *The Great Conversation* is Lane's multi-faceted treatise on a spiritually centered environmentalism. At the core is a belief in the power of the natural world to act as teacher. In a series of personal anecdotes, Lane pairs his own experiences in the wild with the writings of saints and sages from a wide range of religious traditions. A night in a Missourian cave brings to mind the *Spiritual Exercises* of Ignatius of Loyola; the canyons of southern Utah elicit a response from the Chinese philosopher Laozi; 500,000 migrating sandhill cranes rest in Nebraska and evoke the Sufi poet Farid ud-Din Attar. With each chapter, the humility of spiritual masters through the ages melds with the author's encounters with natural teachers to offer guidance for entering once more into a conversation with the world.

Care of Souls

Revisioning Christian Nurture and Counsel *Baker Books*

A practicing psychologist explores the church's role in "soul care," advocating a counseling method that anchors modern therapy in timeless biblical principles.

Caring for the Soul in a Postmodern Age

Politics and Phenomenology in the Thought of Jan Patocka *SUNY Press*

The first full exploration of the political thought of Jan Patocka, student of Husserl and Heidegger and mentor to Václav Havel.

The Soul of Sex

Cultivating Life as an Act of Love *Harper Collins*

A highly original approach from best selling author Thomas Moore, restoring sex to its rightful place

in the human psyche as an experience of the soul. In *The Soul of Sex*, Thomas Moore at last restores sex to its rightful place in the human psyche. Describing sex as an experience of the soul, Thomas Moore here brings out the fully human side of sex – the roles of fantasy, desire, meaning, and morality – and draws on religion, mythology art, literature, and film to show how sex is one of the most profound mysteries of life. While finding spirituality inherent in sex, Moore also explores how spiritual values can sometimes wound our sexuality. Blending rather than opposing spirituality and sexuality, *The Soul of Sex* offers a fresh, livable way of becoming more deeply sexual and loving in all areas of life.

A Religion of One's Own

A Guide to Creating a Personal Spirituality in a Secular World *Penguin*

The New York Times bestselling author and trusted spiritual adviser offers a follow-up to his classic *Care of the Soul*. Something essential is missing from modern life. Many who've turned away from religious institutions—and others who have lived wholly without religion—hunger for more than what contemporary secular life has to offer but are reluctant to follow organized religion's strict and often inflexible path to spirituality. In *A Religion of One's Own*, bestselling author and former monk Thomas Moore explores the myriad possibilities of creating a personal spiritual style, either inside or outside formal religion. Two decades ago, Moore's *Care of the Soul* touched a chord with millions of readers yearning to integrate spirituality into their everyday lives. In *A Religion of One's Own*, Moore expands on the topics he first explored shortly after leaving the monastery. He recounts the benefits of contemplative living that he learned during his twelve years as a monk but also the more original and imaginative spirituality that he later developed and embraced in his secular life. Here, he shares stories of others who are creating their own path: a former football player now on a spiritual quest with the Pueblo Indians, a friend who makes a meditative practice of floral arrangements, and a well-known classical pianist whose audiences sometimes describe having a mystical experience while listening to her performances. Moore weaves their experiences with the wisdom of philosophers, writers, and artists who have rejected materialism and infused their secular lives with transcendence. At a time when so many feel disillusioned with or detached from organized religion yet long for a way to move beyond an exclusively materialistic, rational lifestyle, *A Religion of One's Own* points the way to creating an amplified inner life and a world of greater purpose, meaning, and reflection.

Melancholy and the Care of the Soul

Religion, Moral Philosophy and Madness in Early Modern England *Ashgate Publishing, Ltd.*

This book furthers our understanding of the issue of melancholy in early modern culture by examining the extensive discussions of melancholy in seventeenth- and eighteenth- century religious and moral philosophical publications, many of which have received

Care of the Soul in Medicine

Healing Guidance for Patients, Families and the People Who Care for Them

Few experiences stir the emotions and throw a person into crisis as illness does. It affects not only the body but also the spirit and soul. Illness is about life and death, fear and hope, love and conflict, spirit and body. And yet, the healthcare system is not structured around these considerations - our doctors and other medical professionals are not trained to deal with the whole person. *Care of the Soul In Medicine* is Moore's manifesto about the future of healthcare. In this new vision of care, Moore speaks to the importance of healing a person rather than simply treating a body. He gives advice to both healthcare providers and patients for maintaining dignity and humanity. He provides spiritual guidance for dealing with feelings of mortality and threat, encouraging patients to not only take an active part in healing but also to view illness as a positive passage to new awareness. While we don't fully understand the extent to which healing depends on attitude, it has been shown that healing needs to focus on more than the body. The future of medicine is not only in new technical developments and research discoveries, it is also in appreciating the state of soul and spirit in illness. *Care of the Soul In Medicine* is the perfect guide to this powerful holistic approach.

International Handbook of Holistic Education *Routledge*

Providing a comprehensive overview of holistic education's history, conceptions, practices, and research, this Handbook presents an up-to-date, global picture of the field. Organized in five sections, the Handbook lays out the field's theoretical and historical foundations; offers examples of holistic education in practice with regard to schools, programs, and pedagogies at all levels; presents research methods used in holistic education; outlines the growing effort among holistic educators to connect holistic teaching and learning with research practice; and examines present trends and future areas of interest in program development, inquiry, and research. This volume is a must-have resource for researchers and practitioners and serves as an essential foundational text for courses in the field.

Bioethics, Healthcare and the Soul *Routledge*

This thought-provoking book explores the connections between health, ethics, and soul. It analyzes how and why the soul has been lost from scientific discourses, healthcare practices, and ethical discussions, presenting suggestions for change. Arguing that the dominant scientific worldview has eradicated talk about the soul and presents an objective and technical approach to human life and its vulnerabilities, Ten Have and Pegoraro look to rediscover identity, humanity, and meaning in healthcare and bioethics. Taking a multidisciplinary approach, they investigate philosophical, scientific, historical, cultural, social, religious, economic, and environmental perspectives as they journey toward a new, global bioethics, emphasizing the role of the moral imagination. *Bioethics, Healthcare and the Soul* is an important read for students, researchers, and practitioners interested in bioethics and person-centred healthcare.

The Soul of Christmas

With his trademark blend of storytelling, faith and psychological insight, New York Times bestselling author Thomas Moore turns his attention to the most enduring story of them all: the birth of Christ in

Bethlehem. Moore uses passages from the Gospels, archetypal stories and ancient myths to explore the idea that Christmas can only be fully understood as belonging to everyone as a plan for the entire human race. This may be the most profound reflection on the meaning of Christmas in a generation."

Soul Mates

Honoring the Mysteries of Love and Relat *HarperCollins*

In *Care of the Soul*, Thomas Moore explored the importance of nurturing the soul and struck a chord nationwide—the book became a long-term bestseller, topping charts across the country. Building on that book's wisdom, *Soul Mates* explores how relationships of all kinds enhance our lives and fulfill the needs of our souls. Moore emphasizes the difficulties that inevitably accompany many relationships and focuses on the need to work through these differences in order to experience the deep reward that comes with intimacy and unconfined love. "I devoured *Soul Mates* like some comfort food for the spirit. . . . Moore moves love off the fast track and into the realm of mystery and imagination where it belongs."—*New Woman* "An eloquent, passionate, often mystical exploration of how we mere mortals might better understand ourselves and others in a society in which so much emphasis is placed on interpersonal dynamics and so little on introspection, care, grace, gratitude, and honor."—*Detroit News*

Skincare for Your Soul

Achieving Outer Beauty and Inner Peace with Korean Skincare *Mango Media Inc.*

Take Your Skin to the Next Level with This Guide to Korean Skin Care "This book feels like talking with a trusted friend, one so generous with practical advice and wisdom. I wish our Dermatology textbooks had chapters like these!" —Dr. Erin Tababa-Santos, creator of The Nerdy Derma #1 New Release in Massage and Skin Ailments Have you always longed for that fresh, glowing, no-makeup look? With this step-by-step guide to Korean skincare routines, anyone can attain healthy skin. But *Skincare for Your Soul* takes it one step further—it guides you to a place where skincare is also self-care. The Korean skin care journey. As much as we'd like, glowing, clear skin doesn't happen overnight. But there is beauty in the process—not just the results. Author Jude Chao links skincare to self-care culture, giving readers a practical guide to developing an ideal skincare routine and using it to help manage stress, anxiety, and depression. The Korean skincare routine invites us to look at our skincare not only as a way to reduce lines and wrinkles or clear up breakouts, but as a tool for developing our self-care habits. Steady improvement is the goal. Photoshopped perfection is neither realistic nor a healthy goal. What matters is caring for our mental health and building our self-esteem by intentionally taking time each day to give our skin some love. But it starts with changing how we view skincare and developing a routine that fits our personal needs and goals, and Chao helps you do that. Dive into Chao's book on K-beauty and discover:

- An easy-to-follow, step-by-step guide to skincare
- A clear breakdown of skincare products (not brands), and pros and cons to help customize your routine
- How Korean skin care can be a reliable and effective mental health

management tool • Tips for avoiding common types of exploitative and manipulative beauty marketing If you enjoyed books like *The Little Book of Skin Care*, *The Skincare Bible*, or *Glow from Within*, you'll love *Skincare for Your Soul*.

Chicken Soup for the Soul: Making Me Time

101 Stories About Self-Care and Balance *Simon and Schuster*

"Me time" is the cure for what ails you. You know you need it. Here's how to take care of yourself so that you can be the very best version of you! Do you ever say that you'll take care of yourself after you finish your to-do list? The personal, revealing stories in this book will convince you to put yourself at the top of that list. Self-care and life balance are what we all neglect most. These 101 true stories from people who turned their lives around will show you how to take care of your physical and mental health. You'll be inspired by people who have taken back control of their lives and carved out that all-important "me time," whether that means exercising, reading, meditating, seeing friends, or communing with nature. Whatever your psyche needs is your form of "me time" and that's something that you deserve. There are many approaches, and at least one of them is bound to work for you. In these pages, you'll read about men and women who: Put an hour for themselves on their daily to-do lists Pursued long-delayed sports, hobbies, or volunteer work Discovered themselves through travel, fitness, or new careers Learned to ask for help instead of doing it all Started treating themselves as well as they would treat a guest Stopped seeing the people who weren't making them happy Rediscovered the benefits of exercising and being outside in nature Created their own personal spaces in their homes or outdoors Decluttered their calendars or their homes—and felt liberated

Journey of the Soul

A Practical Guide to Emotional and Spiritual Growth *Revell*

The healthy Christian life is one of continuing spiritual, emotional, and relational growth. But so many of us feel stuck or stagnated at one stage of the journey. It's not always clear to us where or why we are stuck, making it difficult to take the next step on our journey of the soul. That's where Bill and Kristi Gaultiere come in. After decades in private practice as counselors and therapists, they have developed a unique model for growing in grace. In *Journey of the Soul*, they draw on more than 70,000 hours of providing therapy and spiritual direction to show you how to identify your current stage of faith and the next steps to take based on your unique needs and struggles. With Scripture, self-assessments, and soul care practices to support your progress along the way, this insightful and inspiring book will be a treasured companion on your journey no matter where you are or how long you've been following Jesus.

Soul Care explores seven principles that can lead to lasting transformation and freedom for all who struggle with a broken, damaged, and sin-stained soul.

Foundations for Soul Care

A Christian Psychology Proposal *InterVarsity Press*

In this groundbreaking work of first-order scholarship, Eric Johnson makes a vitally important contribution to the field of Christian counseling. He first presents a detailed overview and appreciative but critical evaluation of the reigning paradigms in the field of Christian counseling, particularly biblical counseling and integration. Building on their respective strengths, he seeks to move beyond the current impasse in the field and develop a more unified and robustly Christian understanding. Drawing upon the Bible and various Christian intellectual and soul care traditions, and through a Christian reinterpretation of relevant modern psychological theory and research, Johnson proceeds to offer a new framework for the care of souls that is comprehensive in scope, yet flows from a Christian understanding of human beings--what amounts to a distinctly Christian version of psychology. This book is a must-read for any serious Christian teacher, student, or practitioner in the fields of psychology or counseling.

Soul Keeping

Caring For the Most Important Part of You *Zondervan*

The soul is NOT "a theological and abstract subject." The soul is the coolest, eeriest, most mysterious, evocative, crucial, sacred, eternal, life-directing, fragile, indestructible, controversial, expensive dimension of your existence. Jesus said it's worth more than the world. You'd be an idiot not to prize it above all else. Shouldn't you get pretty clear on exactly what it is? Shouldn't you know what it runs on? Wouldn't it be worth knowing how to care for it? Two things are for sure. One is: you have a soul. The other is: if you don't look after this one you won't be issued a replacement. Bestselling author John Ortberg writes another classic that will help readers discover their soul and take their relationship with God to the next level.

The Soul's Code

In Search of Character and Calling *Ballantine Books*

"Plato called it "daimon," the Romans "genius," the Christians "guardian angel"; today we use such terms as "heart," "spirit," and "soul." While philosophers and psychologists from Plato to Jung have studied and debated the fundamental essence of our individuality, our modern culture refuses to accept that a unique soul guides each of us from birth, shaping the course of our lives. In this extraordinary bestseller, James Hillman presents a brilliant vision of our selves, and an exciting

approach to the mystery at the center of every life that asks, "What is it, in my heart, that I must do, be, and have? And why?" Drawing on the biographies of figures such as Ella Fitzgerald and Mohandas K. Gandhi, Hillman argues that character is fate, that there is more to each individual than can be explained by genetics and environment. The result is a reasoned and powerful road map to understanding our true nature and discovering an eye-opening array of choices--from the way we raise our children to our career paths to our social and personal commitments to achieving excellence in our time."--

Discovering Soul Care *InterVarsity Press*

Mindy Caliguire introduces us to the concept of soul care (the spiritual discipline). Soul Care Resources are designed to be simple, but not simplistic, guides to maintaining or recovering the life and health of your soul, that essential personhood created by God as you.

Listening for the Soul

Pastoral Care and Spiritual Direction *Fortress Press*

This book explores the relationship between the practices of pastoral care and the practices of spiritual direction with the aim of enabling pastoral caregivers to draw upon the guiding principles, resources, and techniques of spiritual direction within the Christian tradition. With an emphasis on both "practice" and "presence", the book reclaims the tradition of "soul care" for the pastoral ministry, thereby complementing the medical, or crisis intervention, model of pastoral care with a wellness/growth model of pastoral care. Listening for the Soul: -- Challenges clergy to take seriously the relationship between pastoral care and spiritual direction.-- Integrates theological and psychological insights with issues of spiritual life and formation.-- Includes a chapter on the spiritual formation of children.-- Provides practical guidance for integrating spiritual direction with pastoral care.-- Tends to the pastoral caregivers own needs for spiritual deepening.-- Includes reflection, questions and case studies to enable the text to function on both the individual reader and classroom levels.

The Re-enchantment of Everyday Life *Harper Collins*

Starting from the premise that we can no longer afford to live in a disenchanted world, Moore shows that a profound, enchanted engagement with life is not a childish thing to be put away with adulthood, but a necessity for one's personal and collective survival. With his lens focused on specific aspects of daily life such as clothing, food, furniture, architecture, ecology, language, and politics, Moore describes the renaissance these can undergo when there is a genuine engagement with beauty, craft, nature, and art in both private and public life. Millions of readers who found comfort and substance in Moore's previous bestsellers will discover in this book ways to restore the heart and soul of work, home, and creative endeavors through a radical, fresh return to ancient ways of living the soulful life.

The View from Saturday *Simon and Schuster*

HOW HAD MRS. OLINSKI CHOSEN her sixth-grade Academic Bowl team? She had a number of answers. But were any of them true? How had she really chosen Noah and Nadia and Ethan and Julian? And why did they make such a good team? It was a surprise to a lot of people when Mrs. Olinski's team won the sixth-grade Academic Bowl contest at Epiphany Middle School. It was an even bigger surprise when they beat the seventh grade and the eighth grade, too. And when they went on to even greater victories, everyone began to ask: How did it happen? It happened at least partly because Noah had been the best man (quite by accident) at the wedding of Ethan's grandmother and Nadia's grandfather. It happened because Nadia discovered that she could not let a lot of baby turtles die. It happened when Ethan could not let Julian face disaster alone. And it happened because Julian valued something important in himself and saw in the other three something he also valued. Mrs. Olinski, returning to teaching after having been injured in an automobile accident, found that her Academic Bowl team became her answer to finding confidence and success. What she did not know, at least at first, was that her team knew more than she did the answer to why they had been chosen. This is a tale about a team, a class, a school, a series of contests and, set in the midst of this, four jewel-like short stories -- one for each of the team members -- that ask questions and demonstrate surprising answers.

Soul Care for Caregivers

How to Help Yourself While Helping Others *CreateSpace*

In Soul Care for Caregivers: How to Help Yourself While Helping Others, author and psychology professor Susanne West provides a guide and toolkit for family and professional caregivers that includes practical suggestions, creative processes, action steps, and inspiration to help you care for your mind, body, and soul while caring for others. Soul Care for Caregivers explores topics such as: *How to manage the challenges and stressors of caregiving *How to prevent burnout and "compassion fatigue" *Why healthy boundaries are important and how to set and maintain them *How to identify the "soul gifts" of caregiving *Why creative expression is good medicine for caregivers *How to access intuition to assist you in caregiving *Resources for information and support *Insights from four family and four professional caregivers *Anecdotes from the author's caregiving experiences "To keep caring for others, we must replenish ourselves; otherwise, we start running on empty. In the warm and wise voice of someone who has been there herself, Susanne West offers many effective ways to take care of yourself from the inside out. Her book - full of her own qualities of deep kindness and practical wisdom - is a gift from the heart both to caregivers and to those they help and love." Rick Hanson, Ph.D., author of Buddha's Brain: The Practical Neuroscience of Happiness, Love, and Wisdom.

The Soul's Religion

Cultivating a Profoundly Spiritual Way of Life *Harper Collins*

In this, companion volume to his worldwide bestseller, Care of the Soul, Thomas Moore offers a way of living in this new and confusing century. Drawing on faiths from all over the world, as well as from

his own vast well of knowledge and personal experience, Moore shows its how religion can be used to embrace others, rather than exclude them. He helps its become comfortable with our doubts, and reveals a, liberating truth -- it is in the dark corners of the soul Chat trite faith is born. Intimate and provocative, Moore writes with the compassion of a parent and the wisdom of a trite teacher.

The Dark Night of the Soul

Chicken Soup for the Soul: Family Caregivers

101 Stories of Love, Sacrifice, and Bonding *Simon and Schuster*

Readers caring for an ailing family member will find support and encouragement in these stories by others like them. Chicken Soup for the Soul: Family Caregivers will inspire and uplift family members who are making sacrifices to make sure their loved ones are well cared for. Do you have a family member who requires constant care? You are not alone. This collection offers support and encouragement in its 101 stories for family caregivers of all ages, including the “sandwich” generation caring for a family member while raising their children. With stories by those on the receiving end of the care too. These stories of love, sacrifice, and lessons will inspire and uplift family members making sacrifices to make sure their loved ones are well cared for, whether in their own homes or elsewhere.

A Life at Work

The Joy of Discovering What You Were Born to Do *Harmony*

A job is never just a job. It is always connected to a deep and invisible process of finding meaning in life through work. In Thomas Moore’s groundbreaking book *Care of the Soul*, he wrote of “the great malady of the twentieth century...the loss of soul.” That bestselling work taught readers ways to cultivate depth, genuineness, and soulfulness in their everyday lives, and became a beloved classic. Now, in *A Life’s Work*, Moore turns to an aspect of our lives that looms large in our self-regard, an aspect by which we may even define ourselves—our work. The workplace, Moore knows, is a laboratory where matters of soul are worked out. *A Life’s Work* is about finding the right job, yes, and it is also about uncovering and becoming the person you were meant to be. Moore reveals the quest to find a life’s work in all its depth and mystery. All jobs, large and small, long-term and temporary, he writes, contribute to your life’s work. A particular job may be important because of the emotional rewards it offers or for the money. But beneath the surface, your labors are shaping your destiny for better or worse. If you ignore the deeper issues, you may not know the nature of your calling, and if you don’t do work that connects with your deep soul, you may always be dissatisfied, not only in your choice of work but in all other areas of life. Moore explores the often difficult process—the obstacles, blocks, and hardships of our own making—that we go through on

our way to discovering our purpose, and reveals the joy that is our reward. He teaches us patience, models the necessary powers of reflection, and gives us the courage to keep going. *A Life’s Work* is a beautiful rumination, realistic and poignant, and a comforting and exhilarating guide to one of life’s biggest dilemmas and one of its greatest opportunities.

The Book of Soul

52 Paths to Living What Matters *St. Martin's Essentials*

"It's easy in these times to allow ourselves to slip into resignation, isolation, or despair. The Book of Soul is an antidote." —Arianna Huffington, Founder & CEO, Thrive Global and Founder, Huffington Post "I recommend The Book of Soul for all of us wanting to stay connected to a deeper purpose." —Melinda Gates, New York Times Bestselling Author of *The Moment of Lift* "There is much to explore and savor in this [new] book [by] this incredibly talented writer, storyteller, poet, and teacher. The spiritual practitioner will rejoice in Nepo’s uncanny ability to consistently stretch our minds and souls with fresh musings." —Frederic and Mary Ann Brussat, *Spirituality & Practice* "I love all Mark’s books because of his deep insights and his amazing way with words, but there’s something truly special about this one. It feels like a compilation of the best and most profound ideas from his work. I want to savor each and every chapter." —Katy Koontz, Editor, *Unity Magazine* A powerful new book of spiritual awakening from #1 New York Times bestselling author Mark Nepo In *The Book of Soul*, Mark Nepo, the bestselling author of *The Book of Awakening*, offers a powerful guide to inhabiting an authentic and wholehearted life. After we are physically born, we must be spiritually born a second time, a process that takes place through the labor of a lifetime as we develop into more fully realized beings. The Book of Soul delves into the spiritual alchemy of that transformation in all its mystery, difficulty, and inevitability. The book is divided into four sections that mark the passages we all face: enduring our Walk in the World, until we discover Our True Inheritance, which allows us to live in the open by Widening Our Circle, as we Help Each Other Stay Awake. The Book of Soul is a piercing guide, replete with beautiful truths and startling insight, that leads us deeply into the process of transformation.

The Soul Midwives' Handbook

The Holistic and Spiritual Care of the Dying *Hay House, Inc*

Soul Midwives, a movement begun by Felicity Warner, has changed the face of modern holistic and spiritual palliative care in the UK and abroad. Soul Midwives are holistic and spiritual companions to the dying. They draw on traditional skills, now largely forgotten, applying them to our modern world to ease the passage of those who are dying. Their services are used within people's own homes, in hospices and in care homes. Anyone with an open and compassionate heart and a desire to help others can train to become a Soul Midwife. This book will guide you through the core principles and techniques of this practice.
