Orthogonal Series by Greg Egan - Goodreads

The Clockwork Rocket and The Eternal Flame (Greg Egan) are the first two books of the Orthogonal trilogy. I haven't gotten to the third yet, and I might not, but I want to write this review while the first two are fresh in my head. So, science fiction. You might expect, from the name, that fictional science were a common thing.

The Clockwork Rocket (Orthogonal

Trilogy): Amazon.co.uk ...

Orthogonal is a science fiction trilogy by Australian author Greg Egan taking place in a universe where, rather than three dimensions of space and one of time, there are four fundamentally identical dimensions. While the characters in the novels always perceive three of the dimensions as space and one as time, this classification depends entirely on their state of motion, and the dimension that one observer considers to be time can be seen as a purely spatial dimension by another observer.
