Dying well, or what constitutes a 'good' death will mean different things to us all. Our understanding is informed by a multitude of influences drawn from our individual journeys through life. But there are many universal questions.

What is dying well? | The Art of Dying Well

Dying Well is not only a guidebook for navigating the end of life, but also a case study for medical providers in caring for the entire lifecycle of our patients. Read Dying Well for the first time or read it again to recall the uplifting message that growth is always possible, even in the most hopeless of situations—a message that speaks as deeply to each of us now as in the past.

Dying Well - Dr. Ira Byock, M.D.

Dying Well It's called the "death positive" movement, and everything around dying is getting radically rethought—from making the experience more humane to mourning and funerals getting reimaged to people actively exploring death as part of a mentally healthy life.

Dying Well | 2019 Global Wellness Trends

Because dying well is relational and requires the help of others, a good one often hinged on small and big systems, such as a loving family and a decently coordinated health care system. Louise Manfreddi, for instance, was the daughter of poor Methodist ministers.

Dying Well - Psychotherapy Networker

Dying Well : TED Radio Hour Is there a way to talk about death candidly, without fear ... and even with humor? How can we best prepare for it with those we love?

Dying Well : TED Radio Hour : NPR

Dying Well—The Final Stage of Survivorship is an informative, supportive, and reassuring audio program. It is designed to teach you more about your choices and resources, as well as what to expect during this last stage of survival. After listening to the "Dying Well" Toolbox program, you and your loved ones will be better prepared to:
