Including case histories from people who have relieved depression through using Kabbalah's techniques, this book offers assistance to those who truly need it.

Kabbalah and the Power of Dreaming *Simon and Schuster*

A dynamic exposition of the powerful, ancient Sephardic tradition of dreaming passed down from the renowned 13th-century kabbalist Isaac the Blind • Includes exercises and practices to access the dream state at will in order to engage with life in a state of enhanced awareness • Written by the close student of revered kabbalist Colette Aboulker-Muscat In Kabbalah and the Power of Dreaming Catherine Shainberg unveils the esoteric practices that allow us to unlock the dreaming mind's transformative and intuitive powers. These are the practices used by ancient prophets, seers, and sages to control dreams and visions. Shainberg draws upon the ancient Sephardic Kabbalah tradition, as well as illustrative stories and myths from around the Mediterranean, to teach readers how to harness the intuitive power of their dreaming. While the Hebrew Bible and our Western esoteric tradition give us ample evidence of dream teachings, rarely has the path to becoming a conscious dreamer been articulated. Shainberg shows that dreaming is not something that merely takes place while sleeping--we are dreaming at every moment. By teaching the conscious mind to be awake in our sleeping dreams and the dreaming mind to be manifest in daytime awareness, we are able to achieve revolutionary consciousness. Her inner-vision exercises initiate creative and transformative images that generate the pathways to self-realization.

These teachings include embracing rather than avoiding problems and obstacles as true opportunities for spiritual development; making miracles through positive thinking; and accepting responsibility for what happens in one's life.

The Path of Kabbalah *Laitman Kabbalah Publishers*

Kabbalists state that there is no reality at all, but something called His Essence, the Upper Force, and this is what we perceive as our world. As uncanny as it sounds, this notion hides in its wings the very prospect of freedom, for every person, for every nation, and for the entire world. The structure and the perception of reality are the surface of this book. But the story of humanity, or more accurately, of the human soul, is the undercurrent that drives the reader forward in this book. It is about you, about me, about all of us. This book is about the way we were, the way we are, the way we will be, and most importantly, it is about the best way to get there. In this neatly structured composition, every part speaks of a different aspect of Kabbalah. It starts with our perception of reality, our perception of the Creator, and the evolution of our soul in the spiritual worlds (including explanatory drawings). The book also clears up misconceptions about Kabbalah and explains, in plain words, how to experience the spiritual realm of our lives.

The Power of Multiplication *WestBow Press*

Since the beginning of time, God had a clear image of how He wanted His children to live. Although that plan has been altered by both humans and the great deceiver, Satan, God still has a plan to bring prosperity to His people through the power of multiplication. Now author Celeste Perez,

building on a biblical foundation, demonstrates that God is the originator of the power of multiplication and that humans have the ability to use it for His glory. Today, there are promises that Christians can tap into through the power of multiplication. God does not want His people to live all their lives depending only on humankind or government assistance. Instead, He seeks to introduce them to a land where they can sow and reap. There is a blessing with your name on it, if you are willing to claim it. Your works should not be in vain; driven by purpose, they can change not only your life but also the lives of those around you and of generations to come. Inspiring and uplifting, this study and guide presents ways to use God's power of multiplication in your life to prosper and grow more each day in Him.

Attaining the Worlds Beyond *Laitman Kabbalah Publishers*

In the words of Michael Laitman, "It is beyond human comprehension to understand the essence of such spiritual qualities as total altruism and love. This is for the simple reason that human beings cannot comprehend how such feelings can exist at all, as everyone seemingly requires an incentive to perform any act; without some personal gain, people are not prepared to extend themselves. That is why a quality such as altruism can only be imparted to a person from Above, and only those who have experienced it can understand it." Attaining The Worlds Beyond is a first step toward discovering the ultimate fulfillment of spiritual ascent in our lifetime. This book reaches out to all those who are searching for answers, who are seeking a logical and reliable way to understand the world's phenomena. This magnificent introduction to the wisdom of Kabbalah provides a new kind of awareness that enlightens the mind, invigorates the heart, and moves the reader to the depths of their soul.
