Find Your Inner Red Shoes *Penguin*

ARE YOU STRUGGLING TO ADVANCE IN YOUR CAREER? HOW DO YOU DEFINE SUCCESS? In Find Your Inner Red Shoes, bestselling author, motivational speaker and founder of the Red Shoe Movement, Mariela Dabbah teaches us that personal and professional success is a journey and not a destination point. In fact, it's only by discovering ourselves and what gives us greatest satisfaction that we can define what success means for each one of us. Based on Dabbah's own life and thorough research, as well as the careers of dozens of other successful women, this book will help you fulfill your goals whatever you decide those to be. Chapter by chapter you'll identify your strengths as well as the areas in which you might need to make adjustments to advance in the professional world. Dabbah will also show you how to break free from any childhood fears or family pressures that may be holding you back. Only when you recognize who you are can you then tap into your passion and personal style and triumph in today's competitive global market. So go head, slip on those red heels (or flats!) and empower yourself, and other women, by joining the Red Shoe Movement. Only you can walk in your shoes down that shiny path toward success and this book is the perfect companion. Understanding the Purpose and Power of Woman *Whitaker Distribution*

In addition to needing a new awareness of who they are, women need new skills to meet today's challenges. Examining society's attitudes toward women, this book helps readers understand what role they are called to fulfill.

A Man of Purpose and Power *Whitaker House*

Best-selling author Dr. Myles Munroe offers daily practical and biblical advice for men. Based on two of his most popular books, Understanding the Purpose and Power of Men and Understanding the Purpose and Power of Women, this 90-day devotional will help you truly understand your God-given purpose and power as a man. Each day's reading includes teaching and encouragement, a Scripture reading from both the Old and New Testaments, and a thought for the day to draw you closer to God the Father and His purposes for you. Explore the nature and role of men as God intended, addressing such issues as: What does the Bible really teach about men and women? What does it mean to be male? What are the purpose and design of the man? How is a man uniquely different from a woman? What is a man's role as a husband and father? What are a man's sexual needs? How are men and women meant to relate to one another? How can a man build a better life for himself, his family, and the world? Through this devotional, you can strengthen your relationship with your heavenly Father as you discover how to fulfill your destiny and potential as an integral part of His eternal purposes.

Kjil / Chayil *Casa Creacion*

PREPÁRESE PARA ANDAR EN LA PLENITUD DEL PODER DE DIOS Las mujeres kjáil defienden sus hogares y familias de las influencias del mal. Las mujeres kjáil guían con excelencia a los que están bajo su autoridad. Las mujeres kjáil glorifican a Dios en todo lo que hacen. Usted también puede andar en la unción kjáil Utilizada comúnmente en la Escritura para describir a los hombres, kjáil (se pronuncia Khah'.yil) es una palabra hebrea que conecta la totalidad de lo que significa andar en virtud, valor, fortaleza, sabiduría y riqueza. Haciendo uso de ejemplos de la Escritura, John Eckhardt, autor de libros de mayor venta, le mostrará cómo: Tener acceso a las habilidades que Dios le dio e influencia en las áreas que ocupa Vencer al ladrón que viene a robar, matar y destruir Defender y recuperar lo que le pertenece La lucha nunca debió ser hombre contra mujer. El hombre y la mujer fueron creados para luchar hombro a hombro, rompiendo fortalezas demoníacas y engrandeciendo el reino de Dios. Reciba enseñanzas y poder para alcanzar su destino en el reino y su propósito en Cristo. Get ready to move in the fullness of God's power Chayil women defend their homes and families from evil influences. Chayil women lead those under their authority and excel in the marketplace. Chayil women glorify God in everything they do. You too can walk in the chayil anointing. Commonly used in Scripture to describe men, chayil (pronounced ki-EEL.) is a Hebrew word that connects the fullness of what it means to walk in virtue, valor, strength, wisdom, and wealth. Using examples from Scripture, best-selling author John Eckhardt shows you how to: Tap into your God-given abilities and influences the areas you occupy Overtake the thief that comes to steal, kill and destroy Defend and take back what is yours The fight was never meant to be man vs. woman, Man and woman were created to war side by side, tearing down demonic strongholds and advancing the kingdom of God. Be empowered to accomplish your kingdom destiny and purpose in Christ.

The Power of a Woman's Words *Harvest House Publishers*

Your Words Echo in Hearts and Minds Long After They Are Spoken Have you listened to yourself lately? Did you know that your words are shaping other people's lives? That they are the mirrors in which others see themselves? Every day you can speak life into their souls or suck the life right out of them. The choice is yours. In The Power of a Woman's Words, bestselling author Sharon Jaynes will show you how to exchange careless words that hurt for intentional words that help others succeed recognize words that tear down confidence and replace them with words that build others up overcome the negativity that pushes people away and become a well of positivity that draws others in tame your tongue by practicing practical principles that help you think before you speak stop being disappointed in your lack of control by taking hold of the power of the Holy Spirit Words are one of the most powerful forces in the universe, and God has entrusted them to you! How will you use this gift? Your words can change the course of someone's day...even someone's life.

Chayil *Charisma House*

FROM BEST-SELLING AUTHOR OF PRAYERS THAT ROUT DEMONS Influence and power are not just for men. The fight was never intended to be man vs. woman. Both men and women are strong and mighty in the Lord. Chayil is a Hebrew word that is connected to strength, wealth, power, influence, wisdom, and military might, and it happens to be the word translated "virtuous" in Proverbs 31. Since the beginning of time chayil, or "virtuous," women have been created to fight for and defend their homes, families, and other kingdom entities against evil influences. Chayil women have been empowered to organize and activate those under their authority so that everything to which they are assigned runs smoothly and with excellence. A chayil woman is strong, mighty, and efficient; valiant, virtuous, and victorious. We were created to war together, man and woman, side by side, tearing down demonic strongholds of wickedness and advancing the territory of the kingdom of God. If you want to be empowered to accomplish your kingdom destiny and purpose in Christ, this book is for you! Using numerous examples from Scripture, this book shows women how to tap into the essence of the chayil anointing so they will be endued with power to defend and take back what is theirs; strengthened and motivated to tap into their God-given abilities and power to build and influence the areas they occupy; activated with supernatural wisdom and power to get wealth and to overtake the thief that comes to steal, kill, and destroy; able to take authority and defend their families, possessions, destinies, property, and dignity; encouraged to have an edge against the forces that try to destroy their vision and success in business or ministry. The chayil anointing manifests in the woman who is anointed for ministry, business, and marketplace influence.

The Praying Woman's Devotional *Harvest House Publishers*

Women & Power *Profile Books*

An updated edition of the Sunday Times Bestseller Britain's best-known classicist Mary Beard, is also a committed and vocal feminist. With wry wit, she revisits the gender agenda and shows how history has treated powerful women. Her examples range from the classical world to the modern day, from Medusa and Athena to Theresa May and Hillary Clinton. Beard explores the cultural underpinnings of misogyny, considering the public voice of women, our cultural assumptions about women's relationship with power, and how powerful women resist being packaged into a male template. A year on since the advent of #metoo, Beard looks at how the discussions have moved on during this time, and how that intersects with issues of rape and consent, and the stories men tell themselves to support their actions. In trademark Beardian style, using examples ancient and modern, Beard argues, 'it's time for change - and now!' From the author of international bestseller SPQR: A History of Ancient Rome.

The Priesthood Power of Women

The Power of Women *Flatiron Books: An Oprah Book*

From Nobel laureate, world-renowned doctor, and noted human rights activist Dr. Denis Mukwege comes an inspiring clarion call-to-action to confront the scourge of sexual violence and better learn from women's resilience, strength, and power. At the heart of Dr. Mukwege's message will be the voices of the many women he has worked with over the years. Dr. Mukwege will use individual cases to reassure all survivors that, even if their psychological wounds may never fully heal, they can recover and thrive with the right care and support. Dr. Mukwege's dramatic personal story is interwoven throughout as he explores the bigger issues that have become a focus of his advocacy. He will seek to explain why sexual violence is so often overlooked during war, and how governments need to recognize and compensate victims. He will also stress the importance of breaking down the taboos surrounding assault, and the necessity of building a system that supports women who come forward. His words advocate for saying 'no' to indifference and he asks readers to reckon with the West's involvement in perpetuating sexual violence in places like the Democratic Republic of Congo, and to confront the abuse taking place in their own communities. Sexual violence does not occur in a vacuum. The conflict in the Democratic Republic of Congo, which has raged for over 20 years and has claimed an estimated 5 million lives, is inseparable from Western patriarchy and economic colonization. And this cycle of violence and spoils is not limited to Congo. Dr. Mukwege's work has led him to South Korea, Latin America, the Middle East, and elsewhere in Africa, where he has found striking similarities in women's testimonies. The truth is, through the intricate ties of the global economy, we are all implicated in violence against women - whether it occurs amidst the fighting in the Democratic Republic of Congo or on college campuses in the West. And Dr. Mukwege's writing will address men as well, encouraging and guiding them to become allies in the fight against sexual abuse, in war and in peace. Building more inclusive, gender-balanced societies will require developing what he calls "positive masculinity" - a systemic change in male behavior and attitudes towards women. Dr. Mukwege hopes to inspire other men to speak out and join the struggle, rather than leaving women to fight the battle alone. He will also make the case, drawing from his experience and a wealth of research on the topic, that when women are involved as economic and political decision makers, all of society benefits. The Power of Women will illuminate the enduring strength of women in the face of violence and trauma, and give hope for the potential of individuals to turn the tide.

Empowering you, empowering her *CONECTA*

Let's be a force that brings development and equality to women worldwide by helping them realize their professional goals! Mujeres, salud y poder *Catedra Ediciones*

La salud humana y en especial la salud de las mujeres ha estado mediatizada por las relaciones de poder, tanto por las influencias patriarcales en el desarrollo de las ciencias de la salud, como por el proceso de victimización de las pacientes, que se han convertido más en objetos de medicalización que en agentes de sus propios cambios saludables. El recorrido que la doctora Carme Valls-Llobet

hace por la invisibilidad del cuerpo, las patologías y los riesgos con los que se enfrenta la salud de las mujeres, culmina en la descripción de los procesos que hacen que se valoren como inferiores sus problemas de salud y, al estilo foucaultiano, intenta realizar en cada capítulo un proceso de veridicción por el que queden desenmascarados los instrumentos de control y posesión, tanto externos como intrapsíquicos, que impiden a las mujeres ser protagonistas de su salud.

Oraciones Con Poder Para Mujeres Ed. Regalo *Spanish House*

Women Who Run with the Wolves *Ballantine Books*

NEW YORK TIMES BESTSELLER • One million copies sold! “A deeply spiritual book [that] honors what is tough, smart and untamed in women.”—The Washington Post Book World Book club pick for Emma Watson’s Our Shared Shelf Within every woman there lives a powerful force, filled with good instincts, passionate creativity, and ageless knowing. She is the Wild Woman, who represents the instinctual nature of women. But she is an endangered species. For though the gifts of wildish nature belong to us at birth, society’s attempt to “civilize” us into rigid roles has muffled the deep, life-giving messages of our own souls. In Women Who Run with the Wolves, Dr. Clarissa Pinkola Estés unfolds rich intercultural myths, fairy tales, folk tales, and stories, many from her own traditions, in order to help women reconnect with the fierce, healthy, visionary attributes of this instinctual nature. Through the stories and commentaries in this remarkable book, we retrieve, examine, love, and understand the Wild Woman, and hold her against our deep psyches as one who is both magic and medicine. Dr. Estés has created a new lexicon for describing the female psyche. Fertile and life-giving, it is a psychology of women in the truest sense, a knowing of the soul.

Maturity *St. Martin's Griffin*

One of the greatest spiritual leaders of the twentieth century encourages us to embrace the qualities of life our advancing years grant us in Maturity: The Responsibility of Being Oneself. In a culture infatuated with youth and determined to avoid old age at all costs, this book dares to raise a question that has been all but forgotten in the age of Viagra and cosmetic surgery. What benefits might lie in accepting the aging process as natural, rather than trying to hold on to youth and its pleasures all the way to the grave? Osho takes us back to the roots of what it means to grow up rather than just to grow old. Both in our relationships with others, and in the fulfillment of our own individual destinies, he reminds us of the pleasures that only true maturity can bring. He outlines the ten major growth cycles in human life, from the self-centered universe of the preschooler to the flowering of wisdom and compassion in old age. Osho’s sly sense of humor runs like a red thread through the book, along with a profound compassion and understanding of how easy it is to be distracted from the deeper meaning and purpose of our lives—which is, ultimately, to flower into our own individual uniqueness and maturity with an attitude of celebration and joy. Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness. He has been described by the Sunday Times of London as one of the “1000 Makers of the 20th Century” and by Sunday Mid-Day (India) as one of the ten people—along with Gandhi, Nehru, and Buddha—who have changed the destiny of India. Since his death in 1990, the influence of his teachings continues to expand, reaching seekers of all ages in virtually every country of the world.

Kingdom Woman *Tyndale House Publishers, Inc.*

A kingdom woman gives the devil as much reason to fear as a kingdom man. She lives confidently in the knowledge that Christ died and rose for her so that she can experience the significance of the destiny to which she has been called. In Kingdom Woman, Tony Evans and his daughter, Chrystal Evans Hurst, remind women of their calling from God to be free, delivered, healed, and hopeful. The authors bring insight that encourages women to correct distorted perceptions and understand who they really are in Christ—never settling for less when connected with the One who gives them hope. All believers are covered by God’s covenant with Abraham. Evans and Hurst want women to know these rights and confidently claim and live by them. The new covenant offers more than a life of mediocrity. A kingdom woman is called and empowered to live a life of victory through Christ!

Mujeres Con Visión Y Poder

Amantes y reinas *Siruela*

«Este impecable ensayo de Benedetta Craveri se lee como la gran novela erótica de la monarquía francesa de los siglos XVI-XVIII vista a través de las vidas de reinas y favoritas». Il Corriere della Sera Craveri narra con maestría la astucia y destreza con que reinas y favoritas crearon alianzas, repartieron favores y castigos, aparecieron y desaparecieron de la escena en el momento justo, para así definir el rumbo de la historia. La historia de mujeres como Gabrielle d;Estrées o Madame du Barry, Ana de Austria o María Antonieta, amantes y reinas que convirtieron su supuesta debilidad en un instrumento de dominio. Durante siglos se ha predicado que confiar a una mujer cualquier responsabilidad de gobierno sería «algo que repugnaría a la naturaleza [...], un trastocamiento del recto orden y de todo principio de justicia». Sin embargo, especialmente en la Francia del Antiguo Régimen, las mujeres se han arrogado ese poder, haciendo vanas en la práctica las leyes y las costumbres que se lo negaban. La más destacada de todas fue Catalina de Médicis, que durante

treinta años logró mantener intacta la autoridad real. Pero junto a las reinas ;y a menudo al mismo tiempo y en antagonismo con ellas; otras mujeres ejercieron, en los siglos anteriores a la Revolución, una enorme influencia sobre los equilibrios políticos internos y externos de la monarquía francesa: las poderosísimas amantes reales, quienes tuvieron que aprender a utilizar la astucia, a corromper, a castigar... y a salir de escena en el momento justo. Un recorrido imprescindible que reafirma, con el rigor y la destreza narrativa de Craveri, la repercusión y relevancia que ejercieron las mujeres en momentos tan convulsos como definitorios de la historia.

The Purpose and Power of the Holy Spirit *Whitaker House*

Is Heaven on Earth Really Possible? When we struggle with defeat and discouragement, the Holy Spirit is the key to victory and peace. Best-selling author Dr. Myles Munroe shows how to bring order to the chaos in your life, receive God’s power to heal and deliver, fulfill your true purpose with joy, be a leader in your sphere of influence, and be part of God’s government on earth. We have access to the unseen world of the Spirit and can bring heavenly influence to earth. When you receive God’s Spirit into your life, you will find that His gifts are your birthright. Receive the fullness of God’s Spirit and start living in the spiritual power that God has promised you. “It is to your advantage that I go away; for if I do not go away, the Helper will not come to you; but if I depart, I will send Him to you” (John 16:7 NKJV).

Women, Sex, Power, And Pleasure *Hay House, Inc*

In her new book, Women, Sex, Power & Pleasure, Evelyn Resh, a sexuality counselor and certified nurse-midwife, takes an innovative approach to helping women create the lives – and sex lives – they want. With a funny and compassionate, yet tell-it-like-it-is style, she looks at the relationship between feeling powerful in life and accessing life’s pleasures, and their combined effect on sexual desire. Resh introduces six essential qualities that women must have to live healthfully, stating that when these are out of balance women seem to exist in lives devoid of pleasure, self-empowerment, and sex. These markers of emotional well-being are: • Self-confidence and self-esteem • Healthy Habits • Spiritual Satisfaction • Creativity • Self-assurance/re-assurance • Compassion and Empathy Once the six traits are laid out, Resh devotes the rest of the book to exploring how, when one or more of a woman’s markers of emotional well-being are off kilter, their reasons for avoiding sex mount exponentially. She looks at some of the most common excuses she’s heard over her many years as a sexuality counselor – I Feel Nothing, It’s All He Thinks About, I’m Too Busy!, I’m Too Fat to Have Sex – and outlines the specific imbalances that create this void of sexual desire and activity. With practical guidance, self-assessment questions, and stories from her practice and personal life, Resh explains to modern women how to regain their emotional wellness and live a powerful life that includes a steady relationship with pleasure and sexual satisfaction. This book is a must read for all women. From housewives to sophisticated urban corporate types, from new moms to post-menopausal women – this book will help any woman who feels estranged from her sexual energy and a sense of empowerment, and deprived of pleasure, or who views sex as just another thing to tick off her overwhelming to-do list.

Book of Man *Penguin UK*

How do you find your original self? Osho perceives man as becoming increasingly alienated from his inner self, gradually losing his natural innocence and creativity in the mindless quest for worldly power and success. To appear strong, the average man suppresses his innate qualities of love and compassion. For Osho, the ideal man is Zorba, the Buddha—a perfect blend of matter and soul. This seamless collection of discourses takes the reader through the various stages of man’s evolution: from Adam to Slave, Son, Homosexual, Priest and Politician, until he attains the pinnacle of his consciousness as the Rebel or Zorba. Sparkling with anecdotes and enriched with brilliant repartee, The Book of Man is a remarkable blend of wisdom and wit.

Grit *Simon and Schuster*

In this instant New York Times bestseller, Angela Duckworth shows anyone striving to succeed that the secret to outstanding achievement is not talent, but a special blend of passion and persistence she calls “grit.” “Inspiration for non-geniuses everywhere” (People). The daughter of a scientist who frequently noted her lack of “genius,” Angela Duckworth is now a celebrated researcher and professor. It was her early eye-opening stints in teaching, business consulting, and neuroscience that led to her hypothesis about what really drives success: not genius, but a unique combination of passion and long-term perseverance. In Grit, she takes us into the field to visit cadets struggling through their first days at West Point, teachers working in some of the toughest schools, and young finalists in the National Spelling Bee. She also mines fascinating insights from history and shows what can be gleaned from modern experiments in peak performance. Finally, she shares what she’s learned from interviewing dozens of high achievers—from JP Morgan CEO Jamie Dimon to New Yorker cartoon editor Bob Mankoff to Seattle Seahawks Coach Pete Carroll. “Duckworth’s ideas about the cultivation of tenacity have clearly changed some lives for the better” (The New York Times Book Review). Among Grit’s most valuable insights: any effort you make ultimately counts twice toward your goal; grit can be learned, regardless of IQ or circumstances; when it comes to child-rearing, neither a warm embrace nor high standards will work by themselves; how to trigger lifelong interest; the magic of the Hard Thing Rule; and so much more. Winningly personal, insightful, and even life-changing, Grit is a book about what goes through your head when you fall down, and how that—not talent or luck—makes all the difference. This is “a fascinating tour of the psychological research on success” (The Wall Street Journal).

Soltero y millonario - El poder de una mujer - Marido y mujer *Harper Collins*

Soltero y millonario Victoria Pade La consejera de la universidad Cassie Walker estuvo a punto de echarse a reír; nadie podría creer que un bombón rico y famoso como Joshua Cantrell pudiera tener nada que ver con una chica normal y corriente como ella. Pero ahora que había empezado a hacerse pasar por su novia, Cassie sabía que iba directa hacia el desengaño... a menos que pudiera deslumbrar con sus encantos al soltero más deseado del país... El poder de una mujer Gina Wilkins Ethan Brannon no creía en los poderes especiales de Aislinn Flaherty. A pesar de la atracción que sentía hacia él, la repostera y adivina prometió mantenerse alejada de Ethan. Hasta que empezó a tener visiones sobre un hermano de él que había desaparecido hacía tiempo. Aislinn sabía que podía reunirlo con el hermano al que Ethan creía haber perdido para siempre. Solo deseaba poder estar tan segura de sus sentimientos hacia él... Marido y mujer Dawn Temple Cuando Lindy Monroe se separó de su ocupadísimo esposo, huyó a la granja de su abuelo. Pero entonces el anciano murió y

le dejó a Lindy la granja con una condición: ¡Tenía que vivir con su marido! Un urbanita como Travis estaba fuera de lugar en aquella granja, aunque resultó que la vida en el campo era más agradable de lo que habría imaginado y que allí además se volvió a encender la llama de un matrimonio que no parecía del todo acabado...

The Power of Character in Leadership *Whitaker House*

How to Protect Your Leadership Influence and Power You’ve worked hard to achieve your dreams and goals. Many others have done the same—only to lose it all in the end. Every day, we read about successful people in various walks of life who have lost their power and influence. They’ve been fired, forced to resign, or shamed out of public life. They no longer have a market for their gifts, and they may even face criminal proceedings. These leaders have lost the trust of their companies, constituents, nations, followers, and families. Many were surprised to discover that their talents alone were not enough to prevent their downfall. Why did they fail in the end? Because they lacked the one quality that would have protected their leadership and given them enduring influence. Ironically, this quality is seldom taught to leaders today, either formally or informally. It is the quality of moral force, or character. Every human being is a leader over some domain as he or she exercises gifts and influence. That domain might be the halls of government, the boardroom, the classroom, the community, or the home. In The Power of Character in Leadership: How Values, Morals, Ethics, and Principles Affect Leaders, you will discover what character is, what it means to develop moral force, and how to preserve your leadership influence so that it is both effective and enduring.
