This will give you an idea of the prices you should expect for a used BMW. Of course, you will need to take into account a number of factors that can dramatically affect the price, including: Mileage, Condition, Service History, Colour, Options, Location, Exact Specification, etc. So although the average price should be taken as a starting point rather than an exact indicator of the price you should expect to pay for a specifc used BMW, it should be a useful guide.

Used BMW Car Price Guide - Average BMW Prices by Year

Overall, however, BMW used prices hold up well and price variations are down to mileage and spec, with options such as heated grips and luggage highly valued. Today a recent, low mileage 700 can be had for around £5,500. A decent spec 800 of similar vintage and mileage is about £1000 more.
