During the Bendix and King merger (i.e.
 Bendix/King), a new part numbering
 system was created that converted
 these 9 digit part numbers to 12 digits.
 Therefore, 066-3056-01 became
 066-03056-0001. Despite this numbering
 change, units that were originally from
 the King Radio design still have the 9
 digit part number format on the unit
 dataplate.
