Cisco IP Phone 7965 Manual. Cisco Systems has quiet a history behind them – back in the 80's they pioneer the concept of a LAN connection, and at the beginning of the 90's they established themselves as the market leader in routers that supported multiple network protocol, something which was a rarity back in those days. One of the major changes in the company structure was initiated at the beginning of the year 1990, where the company went public and had a market capitalisation off ...
