In his more recent works Laclau returned to a topic that was prevalent in his earliest writings: populism. In On Populist Reason, Laclau considered the nature of populism in political discourse, the creation of a popular hegemonic bloc such as "the people", and the importance of affect in politics. Building on his earlier work, Laclau argued that the basis of populism lies in the creation of "empty signifiers": words and ideas that express a universal idea of justice, and symbolically ...
