attended funerals. But his new friend thought the Pallbearers' Club was cool. And she brought along her Polaroid camera to take pictures of the corpses. Okay, that part was a little weird. And there were other strange things - terrifying things - that happened when she was around, usually at night. But she was his friend, so it was okay, right? And now she's making cuts. Baba Yaga Laid an Egg *Open Road + Grove/Atlantic*

"Multilayered narratives come together as an exploration of femininity, identity, mortality, and folklore's wondrous powers." —Booklist According to Slavic myth, Baba Yaga is a witch who lives in a house built on chicken legs and kidnaps small children. In *Baba Yaga Laid an Egg*, internationally acclaimed writer Dubravka Ugresic takes the timeless legend and spins it into a fresh and distinctly modern tale of femininity, aging, identity, and love. With barbed wisdom and razor-sharp wit, Ugresic

weaves together the stories of four women in contemporary Eastern Europe: a writer who grants her dying mother's final wish by traveling to her hometown in Bulgaria, an elderly woman who wakes up every day hoping to die, a buxom blonde hospital worker who's given up on love, and a serial widow who harbors a secret talent for writing. Through the women's fears and desires, and their struggles against invisibility, Ugresic presents a brilliantly postmodern retelling of an ancient myth that is infused with humanity and the joy of storytelling. "Ugresic's postmodern take on myth, femininity, and aging provides a beautifully written window into Slavic literature." —Publishers Weekly

Bad Man

A Novel *Anchor*

Reddit horror sensation Dathan Auerbach delivers a devilishly dark novel about a young boy who goes missing, and the brother who won't stop looking for him. Eric disappeared when he was three years old. Ben looked away for only a second at the grocery store, but that was all it took. His brother was gone. Vanished right into the sticky air of the Florida Panhandle. They say you've got only a couple days to find a missing person. Forty-eight hours to conduct searches, knock on doors, and talk to witnesses. Two days to tear the world apart if there's any chance of putting yours back together. That's your window. That window closed five years ago, leaving Ben's life in ruins. He still looks for his brother. Still searches, while his stepmother sits and waits and whispers for Eric, refusing to leave the house that Ben's father can no longer afford. Now twenty and desperate for work, Ben takes a night stock job at the only place

that will have him: the store that blinked Eric out of existence. Ben can feel that there's something wrong there. With the people. With his boss. With the graffitied baler that shudders and moans and beckons. There's something wrong with the air itself. He knows he's in the right place now. That the store has much to tell him. So he keeps searching. Keeps looking for his baby brother, while missing the most important message of all. That he should have stopped looking.

Travelers Rest

A Novel *Little, Brown*

A chilling fable about a family marooned in a snowbound town whose grievous history intrudes on the dreamlike present. The Addisons-Julia and Tonio, ten-year-old Dewey, and derelict Uncle Robbie-are driving home, cross-country, after collecting Robbie from yet another trip to rehab. When a terrifying blizzard strikes outside the town of Good Night, Idaho, they seek refuge in the town at the Travelers Rest, a formerly opulent but now crumbling and eerie hotel where the physical laws of the universe are bent. Once inside the hotel, the family is separated. As Julia and Tonio drift

through the maze of the hotel's spectral interiors, struggling to make sense of the building's alluring powers, Dewey ventures outward to a secret-filled diner across the street. Meanwhile, a desperate Robbie quickly succumbs to his old vices, drifting ever further from the ones who love him most. With each passing hour, dreams and memories blur, tearing a hole in the fabric of our perceived reality and leaving the Addisons in a ceaseless search for one another. At each turn a mysterious force prevents them from reuniting, until at last Julia is faced with an impossible choice. Can this mother save her family from the fate of becoming Souvenirs—those citizens trapped forever in magnetic Good Night-or, worse, from disappearing entirely? With the fearsome intensity of a ghost story, the magical spark of a fairy tale, and the emotional depth of the finest family sagas, Keith Lee Morris takes us on a journey beyond the realm of the known. Featuring prose as dizzyingly beautiful as the mystical world Morris creates, *Travelers Rest* is both a mind-altering meditation on the nature of consciousness and a heartbreaking story of a family on the brink of survival.

Encounters with Enoch Coffin
Createspace Independent Publishing Platform

LOVECRAFTIAN AND COSMIC HORROR FROM W.H. PUGMIRE AND JEFFREY THOMAS Enoch Coffin is a proud

inhabitant of Massachusetts, an artist following in the footsteps of local legend Richard Upton Pickman. Coffin is an artist with a singular quest: to capture in paint, or ink, or clay -- however he might -- sights that no mortal has ever portrayed in art before...and lived to exhibit. His quest will take him throughout actual New England locations, and that other New England of H. P. Lovecraft, where his models will be doomed souls, ravening ghouls, and entities from beyond the veil. Individually acclaimed for their weird fiction, in this collection of short stories authors W. H. Pugmire and Jeffrey Thomas collaborate to paint the portrait of a character every bit as fascinating and unique as the subjects of his artistic encounters. "The prose-poet of the horror/fantasy field; he may be the best prose-poet we have...perhaps the leading Lovecraftian author writing today." - S. T. Joshi
