LaCroix is under the protection of the Blackthorn pack of werewolves and fey hounds and unsure if his necromancer rival is dead.

Firebug *Henry Holt and Company (BYR)*

Ava is a firebug—she can start fires with her mind. Which would all be well and good if she weren't caught in a deadly contract with the Coterie, a magical mafia. She's one of their main hitmen . . . and she doesn't like it one bit. Not least because her boss, Venus, killed Ava's mother. When Venus asks Ava to kill a family friend, Ava rebels. She knows very well that you can't say no to the Coterie and expect to get away with it, though, so she and her friends hit the road, trying desperately to think of a way out of the mess they find themselves in. Preferably keeping the murder to a minimum, in Lish McBride's *Firebug*.

Curses *Penguin*

Forced to live as a beast forever unless she agrees to marry a man of her mother's choosing before her 18th birthday, Merit Cravan joins forces with a con artist who's her only hope in finding the best match.

Hold Me Closer

The Tiny Cooper Story *Text Publishing*

Larger-than-life character Tiny Cooper, from John Green and David Levithan's bestselling novel *Will Grayson, Will Grayson*, finally tells his own story the only way he knows how - as a stupendous musical. In this novel-in-musical-form, readers will

experience all of *Hold Me Closer*, the autobiographical musical written by and starring Tiny Cooper. Filled with humour, pain, and 'big, lively, belty' musical numbers, readers will finally learn Tiny's full story, from his birth and childhood to his quest for love and his infamous eighteen ex-boyfriends. David Levithan is an award-winning and New York Times-bestselling author of young adult books, including *Every Day*, *How They Met*, *Two Boys Kissing*, *Nick and Norah's Infinite Playlist* (with Rachel Cohn) and *Will Grayson, Will Grayson* (with John Green). He lives in New Jersey and spends his days in New York, editing and publishing other people's books. 'Levithan has turned in another star turn with a book that is witty, wise, and well worthy of an encore.' Booklist 'Tiny Cooper was one of the most memorable characters of recent YA books and it's great to see him getting one of his own.' New Zealand Herald 'A welcome addition to progressive library collections.' School Library Journal 'Broadway, are you listening?' Publishers Weekly 'Yes, it's finally here...If you don't know Tiny Cooper already, get to know him ASAP.' Bustle 'Glorious, loud, sparkly fun.' Bookie Monster, blog

Pyromantic *Henry Holt and Company (BYR)*

Ava is having a rough time. Getting rid of Venus didn't set her free—she's still Coterie. Her new boss seems like an improvement, but who knows if he'll stay that way? The Coterie life changes people. And since Ava's currently avoiding her friends after (disastrously) turning down a date with Lock, well, everything kind of sucks. And that's not even taking into account the feelings she might have for him. But when a mysterious illness starts to affect magical beings, it's up to Ava and her team

to stop its spread . . . or else one of them might be next.

Prom House *Underlined*

It's the season to scream . . . Prom turns deadly in this

unputdownable thriller for fans of Halloween Kills and Fear Street. A KILLER AFTERPARTY . . . When Kylie walks into the gorgeous beach house, it's a dream come true. She still can't believe she talked her parents into letting her spend the weekend down the shore with her boyfriend, Liam, after prom. Kylie, Liam, and their friends have rented the most amazing party house—and it's all theirs. Prom was awesome, but this is going to be even better. Except there's a little problem. A violent storm hits the beach and the power goes out—with no sign that it's coming back anytime soon. Roughing it with candles and camping lanterns isn't the vibe they were going for, but everyone wants to make the most of it. Until people start disappearing . . . and turning up dead. Kylie is terrified. Is somebody's prom date a killer?

The Haunted House Diaries

The True Story of a Quiet Connecticut Town in the Center of a Paranormal Mystery *Red Wheel/Weiser*

A paranormal investigator explores a haunted Connecticut farmhouse—with the diaries of a resident detailing decades of unexplained phenomena. Nestled deep in Litchfield Hills, Connecticut, a 1790 farmhouse overlooks the epicenter of a paranormal crossroads. The family that resides there regularly encounters its own ancestors, as well as strangers - human and nonhuman - who seemingly occupy the same physical space in parallel worlds. When ghost hunters Ed and Lorraine Warren investigated, they dubbed it "Ghost Central". When William J. Hall visited the house, family member Donna Fillie showed him her journal of the paranormal activity she's experienced there over

the years. Here is Donna's diary spanning five decades of uncanny occurrences, supplemented with background information provided by Hall. It tells of notes from old friends who insist they didn't deliver them; a grandson playing with an invisible - but very real - friend; and Donna awakening to phenomena at precisely 12:42 a.m. - an eerie correspondence to her house number, 1242. This compelling work includes many other kinds of inexplicable incidents that frequently occur in this otherwise normal area of Connecticut, which some believe is also the site of a secret military base.

Bad Monkey *Vintage Crime/Black Lizard*

Andrew Yancy—late of the Miami Police and soon-to-be-late of the Monroe County sheriff's office—has a human arm in his freezer. There's a logical (Hiaasenian) explanation for that, but not for how and why it parted from its shadowy owner. Yancy thinks the boating-accident/shark-luncheon explanation is full of holes, and if he can prove murder, the sheriff might rescue him from his grisly Health Inspector gig (it's not called the roach patrol for nothing). But first—this being Hiaasen country—Yancy must negotiate an obstacle course of wildly unpredictable events with a crew of even more wildly unpredictable characters, including his just-ex lover, a hot-blooded fugitive from Kansas; the twitchy widow of the frozen arm; two avariciously optimistic real-estate speculators; the Bahamian voodoo witch known as the Dragon Queen, whose suitors are blinded unto death by her peculiar charms; Yancy's new true love, a kinky coroner; and the eponymous bad monkey, who with hilarious aplomb earns his place among Carl Hiaasen's greatest characters. Here is Hiaasen

doing what he does better than anyone else: spinning a tale at once fiercely pointed and wickedly funny in which the greedy, the corrupt, and the degraders of what's left of pristine Florida—now, of the Bahamas as well—get their comeuppance in mordantly ingenious, diabolically entertaining fashion.

Evil Genius *HarperCollins*

Cadel Piggott has a genius IQ and a fascination with systems of all kinds. At seven, he was illegally hacking into computers. Now he's fourteen and studying for his World Domination degree, taking classes like embezzlement, forgery, and infiltration at the institute founded by criminal mastermind Dr. Phineas Darkkon. Although Cadel may be advanced beyond his years, at heart he's a lonely kid. When he falls for the mysterious and brilliant Kay-Lee, he begins to question the moral implications of his studies. But is it too late to stop Dr. Darkkon from carrying out his evil plot? This ebook includes a sample chapter of GENIUS SQUAD.

I'll Be There *Little, Brown Books for Young Readers*

Emily Bell believes in destiny. To her, being forced to sing a solo in the church choir--despite her average voice--is fate: because it's while she's singing that she first sees Sam. At first sight, they are connected. Sam Border wishes he could escape, but there's nowhere for him to run. He and his little brother, Riddle, have spent their entire lives constantly uprooted by their unstable father. That is, until Sam sees Emily. That's when everything changes. As Sam and Riddle are welcomed into the Bells' lives, they witness the warmth and protection of a family for the first time. But when tragedy strikes, they're left fighting for survival in

the desolate wilderness, and wondering if they'll ever find a place where they can belong. Beautifully written and emotionally profound, *I'll Be There* is a gripping story that explores the complexities of teenage passions, friendships, and loyalties.

Guardian of the Dead *Little, Brown Books for Young Readers*

"You're Ellie Spencer." I opened my mouth, just as he added, "And your eyes are opening." Seventeen-year-old Ellie Spencer is just like any other teenager at her boarding school. She hangs out with her best friend Kevin, she obsesses over Mark, a cute and mysterious bad boy, and her biggest worry is her paper deadline. But then everything changes. The news headlines are all abuzz about a local string of serial killings that all share the same morbid trademark: the victims were discovered with their eyes missing. Then a beautiful yet eerie woman enters Ellie's circle of friends and develops an unhealthy fascination with Kevin, and a crazed old man grabs Ellie in a public square and shoves a tattered Bible into her hands, exclaiming, "You need it. It will save your soul." Soon, Ellie finds herself plunged into a haunting world of vengeful fairies, Maori mythology, romance, betrayal, and an epic battle for immortality.

Vintage

A Ghost Story *Lethe Press*

A lonely seventeen-year-old who has dreamed of meeting a different and special boy desperately seeks help from his friend Trace, a Goth girl, to free him from the clutches of a handsome ghost he has met on a rural New Jersey highway.

Tunnel Vision

A Novel *St. Martin's Griffin*

Romance and action come crashing together in Susan Adrian's *Tunnel Vision* in which a teenage boy with incredible powers is brought to the attention of the government. Jake Lukin just turned 18. He's decent at tennis and Halo, and waiting to hear on his app to Stanford. But he's also being followed by a creep with a gun, and there's a DARPA agent waiting in his bedroom. His secret is blown. When Jake holds a personal object, like a pet rock or a ring, he has the ability to "tunnel" into the owner. He can sense where they are, like a human GPS, and can see, hear, and feel what they do. It's an ability the government would do anything to possess: a perfect surveillance unit who could locate fugitives, spies, or terrorists with a single touch. Jake promised his dad he'd never tell anyone about his ability. But his dad died two years ago, and Jake slipped. If he doesn't agree to help the government, his mother and sister may be in danger. Suddenly he's juggling high school, tennis tryouts, flirting with Rachel Watkins, and work as a government asset, complete with 24-hour bodyguards. Forced to lie to his friends and family, and then to choose whether to give up everything for their safety, Jake hopes the good he's doing—finding kidnap victims and hostages, and tracking down terrorists—is worth it. But he starts to suspect the good guys may not be so good after all. With Rachel's help, Jake has to try to escape both good guys and bad guys and find a way to live his own life instead of tunneling through others.

One Little Bag: An Amazing Journey *Scholastic Inc.*

An evocative wordless picture book that is a loving tribute to mindful living on our precious planet.

Burnt Sugar

A Tor.Com Original *Macmillan*

Ava, Lock, and Ezra are on assignment—for the magical mafia, of course. Faced with a gingerbread house, they're pretty sure that what's inside isn't nearly as sweet as the outside. It never is. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Considine Curse *A&C Black*

A hair-raising family adventure that will have you howling with enjoyment!

Icons *Little, Brown Books for Young Readers*

Ro murmurs into my ear. "Don't be afraid, Dol. They're not coming for us." Still, he slips his arm around me and we wait until the sky is clear. Because he doesn't know. Not really. Everything changed on The Day. The day the Icon appeared in Los Angeles. The day the power stopped. The day Dol's family dropped dead. The day Earth lost a war it didn't know it was fighting. Since then, Dol has lived a simple life in the countryside with fellow survivor Ro-safe from the shadow of the Icon and its terrifying power. Hiding from the one truth she can't avoid. They're different. They survived. Why? When the government discovers their secret, they are forced to join faint-hearted Tima and charismatic Lucas in captivity. Called the Icon Children, the four are the only

humans on Earth immune to the power of the Icons. Torn between brooding Ro and her evolving feelings for Lucas, between a past and a future, Dol's heart has never been more vulnerable. And as tensions escalate, the Icon Children discover that their explosive emotions—which they've always thought to be their greatest weaknesses—may actually be their greatest strengths. Bestselling author Margaret Stohl delivers a thrilling novel set in a haunting new world where four teens must piece together the mysteries of their pasts—in order to save their future.

A Bad Day for Voodoo *Sourcebooks, Inc.*

When your best friend is just a tiny bit psychotic, you should never actually believe him when he says, "Trust me. This is gonna be awesome." Of course, you probably wouldn't believe a voodoo doll could work either. Or that it could cause someone's leg to blow clean off with one quick prick. But I've seen it. It can happen. And when there's suddenly a doll of YOU floating around out there—a doll that could be snatched by a Rottweiler and torn to shreds, or a gang of thugs ready to torch it, or any random family of cannibals (really, do you need the danger here spelled out for you?)—well, you know that's just gonna be a really bad day ... "Jeff Strand is hilariously funny and truly deranged." —Christopher Golden, author of *When Rose Wakes*

Croak *Houghton Mifflin Harcourt*

A delinquent sixteen-year-old girl is sent to live with her uncle for the summer, only to learn that he is a Grim Reaper who wants to teach her the family business.

Divah *Simon and Schuster*

Eloise meets Rosemary's Baby in New York City's very own Carlyle hotel. Seventeen-year-old Itzy Nash is spending the summer at the exclusive Carlyle hotel in New York City. But the hotel harbors more than the rich and privileged; it is host to a gorgeous fallen angel, reclusive movie stars, and—Itzy soon learns—demons of the worst sort. When the Queen of the Damned checks in, all Hell breaks loose. Itzy is called upon to save herself—and all of humanity—from the ravages of the Underworld. There's only one problem: Itzy's possessed. Part gothic thriller, part historical fiction, the novel straddles the Upper East Side and the lush trappings of the Carlyle hotel, and Paris during the Reign of Terror in 1789. Marie Antoinette is the Queen of the Damned. Marilyn Monroe is an expert demon hunter. To kill a demon, Hermès scarves, Evian water, and a guillotine are the weapons of choice. For anyone who loved *Daughter of Smoke and Bone*, this has an epic battle between angels and demons with a doomed love story at its core. But it's also darkly funny, for fans of *Hold Me Closer*, *Necromancer*, and more than anything it's something original—dark, funny, clever, and glamorous.

Hold Me Closer, Necromancer

Christmas Eve at Friday Harbor *St. Martin's Press*

When his sister dies, Mark Nolan is left in charge of her six-year-old daughter, Holly, who refuses to speak after her mother's death, until she makes a connection with widowed toy shop owner Maggie Collins.

The Freak Observer *Carolrhoda Lab* ®

The Freak Observer is rich in family drama, theoretical physics, and an unusual, tough young woman—Loa Lindgren. For eight years, Loa Sollilja's world ran like one of those mechanical models of the solar system, with her baby sister, Asta, as the sun. Asta suffered from a genetic disorder that left her a permanent infant, and caring for her was Loa's life. Everything spun neatly and regularly as the whole family orbited around Asta. But now Asta's dead, and 16-year-old Loa's clockwork galaxy has collapsed. As Loa spins off on her own, her mind ambushes her with vivid nightmares and sadistic flashbacks—a textbook case of PTSD. But there are no textbook fixes for Loa's short-circuiting brain. She must find her own way to pry her world from the clutches of death. The Freak Observer is a startling debut about death, life, astrophysics, and finding beauty in chaos.

The Hellion's Waltz**Feminine Pursuits** *HarperCollins*

It's not a crime to steal a heart... Sophie Roseingrave hates nothing more than a swindler. After her family lost their piano shop to a con man in London, they're trying to start fresh in a new town. Her father is convinced Carrisford is an upright and honest place, but Sophie is not so sure. She has grave suspicions about silk-weaver Madeline Crewe, whose stunning beauty doesn't hide the fact that she's up to something. All Maddie Crewe needs is one big score, one grand heist to properly fund the weavers' union forever. She has found her mark in Mr. Giles, a greedy draper, and the entire association of weavers and tailors

and clothing merchants has agreed to help her. The very last thing she needs is a small but determined piano-teacher and composer sticking her nose in other people's business. If Sophie won't be put off, the only thing to do is to seduce her to the cause. Will Sophie's scruples force her to confess the plot before Maddie gets her money? Or will Maddie lose her nerve along with her heart?

Maggot Moon *Candlewick Press*

Following a stray football to the other side of a wall where there is a secret, Standish Treadwell discovers astonishing truths about a moon landing that the overseeing Motherland, a ruthless regime, is determined to hide.

Cornered**14 Stories of Bullying and Defiance** *Running Press*

It does not necessarily take a fist to create a punch in the gut. This fourteen-story YA fiction anthology delves into the experience of being bullied—socially, emotionally, physically, psychologically, and sexually. The school hallways, walks home, and house walls are no longer the boundaries for intimidation and harassment. With the rapid-fire response time of social media and smartphones, bullying has lost all limits, and the lines among truth, lies, and real accountability have become blurred. Featuring some of the hottest voices in YA literature, both bestselling and on the rise, *Cornered* includes works from Kirsten Miller (New York Times bestseller *The Eternal Ones*), Jennifer Brown (*Hate List*), Elizabeth Miles (*Fury*), Jaime Adoff (*The Death*

of Jayson Porter), Lish McBride (Morris Award finalist *Hold Me Closer, Necromancer*), Matthue Roth (*Losers*), Sheba Karim (*Skunk Girl*), Kate Ellison (*Butterfly Clues*), Zeta Elliot (*A Wish After Midnight*), Josh Berk (*The Dark Days of Hamburger Halpin*), and James Lecesne (*Absolute Brightness* and founder of the Trevor Project).

Midnight Alley

The Morganville Vampires, Book III *Penguin*

Claire Danvers's college town may be run by vampires but a truce between the living and the dead made things relatively safe. For a while. Now people are turning up dead, a psycho is stalking her, and an ancient bloodsucker has proposed private mentoring. To what end, Claire will find out. And it's giving night school a whole new meaning. Watch a Windows Media trailer for this book.

Secrets for the Mad

Obsessions, Confessions, and Life Lessons *Simon and Schuster*

Originally published: Great Britain: Ebury, 2017.

The Curse of the Wendigo *Simon and Schuster*

Flesh-eating danger abounds in the chilling sequel to *The Monstrumologist* that is “as fast-paced, elegant, and yes, gruesome as its predecessor” (*Publishers Weekly*, starred review). While Dr. Warthrop is attempting to disprove that Homo

vampiris, the vampire, could exist, his former fiancée asks him to save her husband, who has been captured by a Wendigo—a creature that starves even as it gorges itself on human flesh. Although Dr. Warthrop considers the Wendigo to be fictitious, he relents and performs the rescue—but is he right to doubt the Wendigo's existence? Can the doctor and Will Henry hunt down the ultimate predator, who, like the legendary vampire, is neither living nor dead, and whose hunger for human flesh is never satisfied? This second book in *The Monstrumologist* series explores the line between myth and reality, love and hate, genius and madness.

Five Flavors of Dumb *Penguin*

Winner of the Schneider Book Award The award-winning author of the *Elemental* series delivers a rock-and-roll novel that Lauren Myracle called “raw, fresh, funny, and authentic.” The Challenge: Eighteen-year-old Piper has one month to get her high school's coolest rock band Dumb a paying gig. The Deal: If she does it, Piper will become the band's manager and get her share of the profits. The Catch: How can Piper possibly manage a band made up of an egomaniacal pretty boy, a talentless piece of eye candy, a silent rocker, an angry girl, and a crush-worthy nerd boy? And how can she do it when she's deaf? Piper is determined to show her classmates that just because she's hearing impaired doesn't mean she's invisible. With growing self-confidence, a budding romance, and a new understanding of her parent's decision to buy a cochlear implant for her deaf baby sister, she discovers her own inner rock star and what it truly means to be a flavor of Dumb. For fans of K. L. Going's *Fat Kid Rules the World* and

Catherine Gilbert Murdock's Dairy Queen.

The Princess Will Save You *Tor Teen*

DON'T MESS WITH THE CROWN... When her father dies, Princess Amarande is given an ultimatum: marry the leader of a neighboring kingdom, or lose her crown—and possibly her life. To force her hand, her beloved, the stableboy Luca, is kidnapped. But Amarande was raised to be a warrior, not a sacrifice. And nothing will stop her from saving her true love. The Kingdoms of Sand & Sky Trilogy Book 1: The Princess Will Save You Book 2: The Queen Will Betray You Book 3: The King Will Kill You (forthcoming) Praise for The Princess Will Save You "Everything we love about YA fantasy, complete with first love, sweeping adventure, and a fierce heroine who holds her own. There's something for everyone in this book."—Adrienne Young, New York Times bestselling author of *The Sky in the Deep* "An action-packed adventure with a fierce heroine that is sure to enthrall! Sarah Henning has created a fantasy narrative that weaves together love and betrayal, pirates and swordplay. Sure to please anyone who grew up loving tales of princesses."—Emily Lloyd-Jones, author of *The Bone Houses* "Full of inconceivable wit, daring adventure, and cunning political machinations...It's as if Sarah Henning looked into my soul that yearned for a book like *The Princess Bride* and said—as you wish. And yes, this is a kissing book."—Ashley Poston, author of *Heart of Iron* "A breakneck fantasy adventure.... Swoony romance, sword fights, a great cast of characters and some clever parallels to a story about another princess who won't be made a bride makes *The Princess Will Save You* a strong contender for my favorite novel of

the year."—Emily Hall Schroen, Main Street Books, St. Charles, Missouri At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Woman Who Rides Like a Man *Simon and Schuster*

On her first tour as a knight errant, Alanna assumes a position of influence with a fierce desert tribe, makes some changes in the role of women in the society, and continues her own emotional development.

Thou Shalt Not Road Trip *Penguin*

From the award-winning author of *Five Flavors of Dumb* comes a novel featuring one crazy road trip full of rejection, redemption, and romance. Perfect for fans of John Green's *An Abundance of Katherines*, or Sara Zarr's *Once Was Lost*. Sixteen-year-old Luke's self-help book *Hallelujah* has become a national bestseller and his publisher is sending him on a cross-country book tour along the historic Route 66. Unfortunately for Luke, his irresponsible older brother Matt is coming along as chauffeur. When Matt offers to drive Luke's ex-crush, Fran, across the country too, things really get crazy. In this journey of self-discovery, Luke has to loosen up and discover what it truly means to have faith to win the girl he loves. "A highly readable balance of humor, heart, self-discovery, and shenanigans."—BCCB "Christian values are conveyed with humor, devoid of potentially preachy pitfalls."—School Library Journal "Features multifaceted teens whose faith is integrated with their thinking but doesn't define them completely . . . [A]n upbeat read with a unique premise, great settings, and just a little more."—Booklist
