Stopping the Noise in Your Head

The New Way to Overcome Anxiety and Worry *Simon and Schuster*

If you or someone you love suffers from excessive worry, anxiety, panic, OCD, or phobias, you know how crippling it can be. Of course, worry can be an important asset when it forces our attention on problem-solving. But anxious worrying can cause us to unnecessarily focus on a threat, to retreat and avoid, and to seek reassurance and safety—which is no way to foster a life of growth and excitement. In his fifth published book, Dr. Reid Wilson proposes a groundbreaking,

paradoxical approach to overcoming anxiety, worry, OCD, panic, and phobias by moving away from comfort, confidence, and security and willingly moving toward uncertainty, distress and discomfort. Through the use of unconventional strategies, readers will learn how to confront anxiety head-on and step forward into the face of threat. Drawing on a range of sources—from firefighters and fitness instructors to Sir Isaac Newton and Muhammad Ali—*Stopping the Noise in Your Head: The New Way to Overcome Anxiety and Worry* demonstrates the importance of shifting our perspective and stepping toward our challenges in order to regain control of our lives.

Updated estimates show the number of people who suffer from hunger has been growing over the past three years, returning to prevailing levels from almost a decade ago. Although progress continues to be made

in reducing child stunting, over 22 percent of children under five years of age are still affected. Other forms of malnutrition are also growing: adult obesity continues to increase in countries irrespective of their income levels, and many countries are coping with multiple forms of malnutrition at the same time – overweight and obesity, as well as anaemia in women, and child stunting and wasting.

Stop Worrying

Live in the Peace & Favor of God

I have a question for you, and I hope you'll be honest with yourself about the answer: Are there areas of your life you would enjoy more if you worried less? If so, I want you to make the same decision I made years ago. Decide to do something about it. Many of us have heard the tips that are meant to help us stop worrying, but we're still living a life plagued with worry. Some of us have believed the lie of worry to such an extent that we actually think it's a good thing. We think that, if we don't worry about our kids, we're not loving them. If we don't worry enough about money, we're not being good providers. Or if we aren't worried about our job or the future, we feel lazy or apathetic. The truth is God did not create you to be a worrier. There is a place of balance He

intends for you to live where you still care about life without constantly worrying about it. When I look back at where I was 5 years ago, I see a completely different person. God has taken a nervous wreck like me and given me a heart of peace. This book isn't just me talking the talk. In it, I share principles from God's word that help us

win against worry, but I also share my personal journey of practically walking those principles out. You don't have to live in a constant state of anxiety. You can walk down a different path. So, what are you waiting for? Come with me as we journey down a better path. Stop worrying, and start living in the peace and favor of God every day.
