In the present book, How to Win Friends and Influence People, Dale Carnegie says, "You can make someone want to do what you want them to do by seeing the situation from the other person's point of view and arousing in the other person an eager want." You learn how to make people like you, win people over to your way of thinking, and change people without causing offense or arousing resentment. For instance, "let the other person feel that the idea is his or hers" and "talk about your own mistakes before criticizing the other person." This book is all about building relationships. With good relationships, personal and business successes are easy and swift to achieve. Twelve Ways to Win People to Your Way of Thinking 1. The only way to get the best of an argument is to avoid it. 2. Show respect for the other person's opinions. Never say "You're wrong." 3. If you're wrong, admit it quickly and

emphatically. 4. Begin in a friendly way. 5. Start with questions to which the other person will answer yes. 6. Let the other person do a great deal of the talking. 7. Let the other person feel the idea is his or hers. 8. Try honestly to see things from the other person's point of view. 9. Be sympathetic with the other person's ideas and desires. 10. Appeal to the nobler motives. 11. Dramatize your ideas. 12. Throw down a challenge.

### **Excess** *Penguin*

" This elegantly written and useful book . . . describes how, for millennia, human beings have struggled to rein in desire." -USA Today At a time when the fallout from reckless spending and unrestrained consumption is fueling a national malaise, Daniel Akst delivers a witty and comprehensive investigation of the central problem of our time: how to save ourselves from what we want. Temptation reminds us that while more calories, sex, and intoxicants are readily available than ever before, crucial social constraints have eroded, creating a world that sorely tests the limits of human willpower. Referencing history, literature, psychology, philosophy, and economics, Akst draws a vivid picture of the many-sided problem of desire-and delivers a blueprint for how we can steer shrewdly away from a campaign of self-destruction.

### **The Proven Strategy That Will Lead to the Career You Love** *Ramsey Press*

Right now, 70% of Americans aren't passionate about their work and are desperately longing for meaning and purpose. They're sick of "average" and know there's something better out there, but they just don't know how to reach it. One basic principle—The Proximity Principle—can change everything you thought you knew about pursuing a career you love. In his latest book, *The Proximity Principle*, national radio host and career expert Ken Coleman provides a simple plan of how positioning yourself near the right people and places can help you land the job you love. Forget the traditional career advice you've heard! Networking, handing out business cards, and updating your online profile do nothing to set you apart from other candidates. Ken will show you how to be intentional and genuine about the connections you make with a fresh, unexpected take on resumes and the job interview process. You'll discover the five people you should look for and the four best places to grow, learn, practice, and perform so you can step into the role you were created to fill. After reading *The Proximity Principle*, you'll know how to connect with the right people and put yourself in the right places, so opportunities will come—and you'll be prepared to take them.

## Rewire

### **Change Your Brain to Break Bad Habits, Overcome Addictions, Conquer Self-Destructive Behavior** *Penguin*

The bestselling author of *Undoing Depression* offers a brain-based guide to permanently ending bad habits. Richard O'Connor's bestselling book *Undoing Depression* has become a touchstone in the field, helping thousands of therapists and patients overcome depressive patterns. In *Rewire*, O'Connor expands those ideas, showing how we actually have two brains—a conscious deliberate self and an automatic self that makes most of our decisions—and how we can train the latter to ignore distractions, withstand temptations, and interrupt reflexive, self-sabotaging responses. *Rewire* gives readers a road-map to overcoming the most common self-destructive habits, including procrastination, excessive worrying,

internet addiction, overeating, risk-taking, and self-medication, among others. By learning valuable skills and habits—including mindfulness, self-control, confronting fear, and freeing yourself from mindless guilt—we can open ourselves to vastly more successful, productive, and happy lives.

## Dare to Serve

### **How to Drive Superior Results by Serving Others** *Berrett-Koehler Publishers*

The expanded and revised edition of *Dare to Serve* answers the question How do you transform an ailing company into an industry darling? Adopt servant leadership! In this updated edition of *Dare to Serve*, former Popeyes CEO Cheryl Bachelder shows that leading by serving is a rigorous and tough-minded approach that yields the best results. When she was named CEO of Popeyes in 2007, the stock price had slipped from \$34 in 2002 to \$13. The brand was stagnant, the team was discouraged, and the franchisees were just plain angry. Nine years later, restaurant sales were up 45 percent, restaurant profits had doubled, and the stock price was over \$61. Servant leadership is sometimes derided as soft or ineffective, but this book confirms that challenging people to reach a daring destination, while treating them with dignity, creates the conditions for superior performance. The second edition of this bestselling book includes Bachelder's post-Popeyes observations and new examples of how you can switch your leadership from self to serve. Ever engaging and inspirational, Bachelder takes you firsthand through the transformation of Popeyes and shows how anyone, at any level can become a Dare-to-Serve

leader.

### **Public Speaking for Success Penguin**

Dale Carnegie, author of the legendary *How to Win Friends and Influence People*, began his career as the premier "life coach" of the twentieth century by teaching the art of public speaking.

Public speaking, as Carnegie saw it, is a vital skill that can be attained through basic and repeated steps. His classic volume on the subject appeared in 1926 and was revised twice-in shortened versions-in 1956 and 1962. This 2006 revision-edited by a longtime consultant to Dale Carnegie & Associates, Inc., and the editor in charge of updating *How to Win Friends and Influence People*-is the definitive one for our era. While up-to-date in its language and points of reference, *Public Speaking for Success* preserves the full range of ideas and methods that appeared in the original: including Carnegie's complete speech and diction exercises, which follow each chapter, as the author originally designated them. This edition restores Carnegie's original appendix of the three complete self-help classics: *Acres of Diamonds* by Russell H. Conwell, *As a Man Thinketh* by James Allen, and *A Message to Garcia* by Elbert Hubbard. Carnegie included these essays in his original edition because, although they do not directly relate to public speaking, he felt they would be of great value to the readers. Here is the definitive update of the best-loved public-speaking book of all time.

**Discourses on Livy** *University of Chicago Press*

*Discourses on Livy* is the founding document of modern republicanism, and Harvey C. Mansfield and Nathan Tarcov have provided the definitive English translation of this classic work. Faithful to the original Italian text, properly attentive to Machiavelli's idiom and subtlety of thought, it is eminently readable. With a substantial introduction, extensive explanatory notes, a glossary of key words, and an annotated index, the *Discourses* reveals Machiavelli's radical vision of a new science of politics, a vision of "new modes and orders" that continue to shape the modern ethos. "[Machiavelli] found in Livy the means to inspire scholars for five centuries. Within the *Discourses*, often hidden and sometimes unintended by their author, lie the seeds of modern political thought. . . . [Mansfield and Tarcov's] translation is careful and idiomatic."—Peter Stothard, *The Times* "Translated with painstaking accuracy—but also great readability."—*Weekly Standard* "A model

of contemporary scholarship and a brave effort at Machiavelli translation that allows the great Florentine to speak in his own voice."—Choice

### **How to Win Friends and Influence People in the Digital Age** *Simon and Schuster*

Since its initial publication, *How to Win Friends and Influence People* has sold a total of 15 million copies. The book continues to sell briskly today, but Carnegie never anticipated the ways in which the digital age would provide new tools and challenges for winning friends and influencing people. The advent of social networking sites, the dominance of email, and the ways in which the Internet has supplanted face-to-face interactions have made Carnegie's precepts all the more immediate and vital. Brent Cole, working in tandem with Dale Carnegie & Associates, Inc., has reimagined the original book for the digital age, updating and reframing Carnegie's insights about communication, self-expression, and leadership.

#1 NEW YORK TIMES BESTSELLER •

More than one million copies sold! A “brilliant” (Lupita Nyong’o, *Time*), “poignant” (*Entertainment Weekly*), “soul-nourishing” (*USA Today*) memoir about coming of age during the twilight of apartheid “Noah’s childhood stories are told with all the hilarity and intellect that characterizes his comedy, while illuminating a dark and brutal period in South Africa’s history that must never be forgotten.”—*Esquire* Winner of the Thurber Prize for American Humor and an NAACP Image Award • Named one of the best books of the year by *The New York Times*, *USA Today*, *San Francisco Chronicle*, *NPR*, *Esquire*, *Newsday*, and *Booklist* Trevor Noah’s unlikely path from apartheid South Africa to the desk of *The Daily Show* began with a criminal act: his birth. Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living proof of his parents’ indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa’s tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. *Born a Crime* is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man’s relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The

stories collected here are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through

a damaged world in a dangerous time, armed only with a keen sense of humor and a mother's unconventional, unconditional love.
