Microeconomics Kreps Solution Manual

Microeconomic Foundations I develops the choice, price, and general equilibrium theory topics typically found in first-year theory sequences, but in deeper and more complete mathematical form than most standard texts provide. The objective is to take

the reader from acquaintance with these foundational topics to something closer to mastery of the models and results connected to them.

Microeconomic Theory By Andreu Mas Colell Jerry R Green

Kreps does a complete analysis about the Microeconomic Theory. The way that he explains each subject it's very clear. Besides, on each chapter has an exercise section where you have the opportunity to solve problems. However, it might be difficult to understand it if you don't familiarize with math language (demonstrations).
