What is traction for a startup

Traction A Startup Guide To

Traction As a startup founder coming mainly from the technology side, I needed a good practical hands-on guide to go beyond the overwhelming number of generic sales and marketing books. The value in this book is that while we know the general principles of sales & marketing it's great to have a resource that provides scope, structure and a methodology for identifying and testing the most impactful traction channels for a company – particularly a new start.
