 ROMANCE of 2019 * *

BEST BOOK OF THE YEAR* for VOGUE, NPR, VANITY FAIR, and more! * What happens when America's First Son falls in love with the Prince of Wales? When his mother became President, Alex Claremont-Diaz was promptly cast as the American equivalent of a young royal. Handsome, charismatic, genius—his image is pure millennial-marketing gold for the White House. There's only one problem: Alex has a beef with the actual prince, Henry, across the pond. And when the tabloids get hold of a photo involving an Alex-Henry altercation, U.S./British relations take a turn for the worse. Heads of family, state, and other handlers devise a plan

for damage control: staging a truce between the two rivals. What at first begins as a fake, Instagramable friendship grows deeper, and more dangerous, than either Alex or Henry could have imagined. Soon Alex finds himself hurtling into a secret romance with a surprisingly unstuffy Henry that could derail the campaign and upend two nations and begs the question: Can love save the world after all? Where do we find the courage, and the power, to be the people we are meant to be? And how can we learn to let our true colors shine through? Casey McQuiston's *Red, White & Royal Blue* proves: true love isn't always diplomatic. "I took this with me wherever I went and

stole every second I had to read! Absorbing, hilarious, tender, sexy—this book had everything I crave. I'm jealous of all the readers out there who still get to experience Red, White & Royal Blue for the first time!" - Christina Lauren, New York Times bestselling author of The Unhoneymooners "Red, White & Royal Blue is outrageously fun. It is romantic, sexy, witty, and thrilling. I loved every second." - Taylor Jenkins Reid, New York Times bestselling author of Daisy Jones & The Six

Can You Read Me?

Creative Writing With Child and Adult Victims of Abuse
Jessica Kingsley Publishers
This book presents

poems, stories and journal work spontaneously written by people, young and old, who have suffered serious abuse. The editors' explanations and commentaries suggest how health and social care workers can facilitate creative writing as a potential contribution to emotional healing in work with both individuals and small groups. In addition to individual contributors, the book records the activities of groups developed by Barnardos for children and young people and by Beyond Existing for adults. Although not written as a training manual per se, the book offers photocopiable exercises and an appendix of writings for use in staff training.

Can You Read Me? illustrates the great potential for applying our creative imaginations and personal qualities like sensitivity in work with survivors of abuse and those with mental health and disability problems. .

Solomon's Song of Love

Let a Song of Songs Inspire Your Own Love Story *Simon and Schuster*

One of the most beautiful and mysterious books of the Bible is laid open for all to understand in this unparalleled work by Dr. Craig Glickman. With apparent ease, Glickman unveils the mysteries of the Song of Solomon in a popular-read format. But the surface

simplicity is backed up by a lifetime of study and scholarship, three special appendices, and interpretive notes that validate his interpretation. Also included is a fresh translation of the Song published in this book for the first time. Initial readers of this book offer resounding praise. This book is "the most fascinating book I have ever read about the Song," says Dr. Henry Cloud. Old Testament scholars praise it as an academic breakthrough: "clear, cogent, and convincing," says Dr. Eugene Merrill; "a valuable contribution to our translation and understanding of the Song," says Ed Blum, general editor of the HCSB translation. Dr. Paul Meier sums it up

in these words, "Craig weaves thousands of years of wisdom together to paint a vivid word picture of emotional and sexual intimacy."

Chasing Hearts
Embrace the Fantasy
Publishing, LLC

This is a prequel novella to the Underground Series and can be read at any time in the series. While Alice rampaged through Wonderland a different story was being told. One that never should have been forgotten. The Fae courts have always been separated. So different from each other they could never agree on what is right and what is very very wrong. Until now. A mistake long forgotten is quickly closing in and the two courts

must now put all their faith in combining their powers by marriage. Lynne is nothing more than a caged bird. With only her books and plants to keep her company she will finally get the chance to be free when the Seelie Queen commands her to marry. The dark prince of the UnSeelie Court is nothing like Lynne would have imagined. Dashing and a bit broody he will capture her heart before she can even realize what has happened. But not everyone wants a happily ever after for these two Fae. There are some who would revel in seeing them fall and in turn all of the Wonderland will burn.

Goliath

A Novel *Tordotcom*

"Onyebuchi sets fire to the boundary between fiction and reality, and brings a crumbling city and an all too plausible future to vibrant life. Riveting, disturbing, and rendered in masterful

detail."—Leigh Bardugo In his adult novel debut, Hugo, Nebula, Locus, and NAACP Image Award finalist and ALA Alex and New England Book Award winner Tochi Onyebuchi delivers a sweeping science fiction epic in the vein of Samuel R. Delany and Station Eleven In the 2050s, Earth has begun to empty. Those with the means and the privilege have departed the great cities of the United States for the more comfortable confines of space colonies. Those

left behind salvage what they can from the collapsing infrastructure. As they eke out an existence, their neighborhoods are being cannibalized. Brick by brick, their houses are sent to the colonies, what was once a home now a quaint reminder for the colonists of the world that they wrecked. A primal biblical epic flung into the future, Goliath weaves together disparate narratives—a space-dweller looking at New Haven, Connecticut as a chance to reconnect with his spiraling lover; a group of laborers attempting to renew the promises of Earth's crumbling cities; a journalist attempting to capture the violence of the streets; a marshal trying to solve a kidnapping—into a

richly urgent mosaic about race, class, gentrification, and who is allowed to be the hero of any history. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

People Love Dead Jews: Reports from a Haunted Present *W.*

W. Norton & Company
Winner of the 2021 National Jewish Book Award for Contemporary Jewish Life and Practice Finalist for the 2021 Kirkus Prize in Nonfiction A New York Times Notable Book of the Year A Wall Street Journal, Chicago Public Library, Publishers Weekly, and Kirkus Reviews Best Book of the Year A startling and profound exploration of how Jewish history is exploited to comfort

the living. Renowned and beloved as a prizewinning novelist, Dara Horn has also been publishing penetrating essays since she was a teenager. Often asked by major publications to write on subjects related to Jewish culture—and increasingly in response to a recent wave of deadly antisemitic attacks—Horn was troubled to realize what all of these assignments had in common: she was being asked to write about dead Jews, never about living ones. In these essays, Horn reflects on subjects as far-flung as the international veneration of Anne Frank, the mythology that Jewish family names were changed

at Ellis Island, the blockbuster traveling exhibition Auschwitz, the marketing of the Jewish history of Harbin, China, and the little-known life of the "righteous Gentile" Varian Fry. Throughout, she challenges us to confront the reasons why there might be so much fascination with Jewish deaths, and so little respect for Jewish lives unfolding in the present. Horn draws upon her travels, her research, and also her own family life—trying to explain Shakespeare's Shylock to a curious ten-year-old, her anger when swastikas are drawn on desks in her children's school, the profound perspective offered by traditional religious practice and study—to assert the vitality, complexity, and depth

of Jewish life against an antisemitism that, far from being disarmed by the mantra of "Never forget," is on the rise. As Horn explores the (not so) shocking attacks on the American Jewish community in recent years, she reveals the subtler dehumanization built into the public piety that surrounds the Jewish past—making the radical argument that the benign reverence we give to past horrors is itself a profound affront to human dignity.

Buffy Sainte-Marie

The Authorized Biography *Greystone Books Ltd*

"Buffy Sainte-Marie is an icon and inspiration. This book is necessary—an

authorized insight into the making of a legend." —Terese Marie Mailhot, author of *Heart Berries* A powerful, intimate look at the life of a beloved folk icon and activist. Folk hero. Songwriter icon. Living legend. Buffy Sainte-Marie is all of these things and more. In this, Sainte-Marie's first and only authorized biography, music critic Andrea Warner draws from more than sixty hours of exclusive interviews to offer a powerful, intimate look at the life of the beloved artist and everything that she has accomplished in her seventy-seven years (and counting). Since her groundbreaking debut, 1964's *It's My Way!*, the Cree singer-songwriter has been a trailblazer and a tireless advocate for Indigenous rights and freedoms, an innovative artist, and a disruptor of the status quo. Establishing herself among the ranks of folk greats such as Joni Mitchell and Bob Dylan, she has released more than twenty albums, survived being blacklisted by two U.S. presidents, and received countless accolades, including the only Academy Award ever to be won by a First Nations artist. But this biography does more than celebrate Sainte-Marie's unparalleled talent as a songwriter and entertainer; packed with insight and knowledge, it offers an unflinchingly honest, heartbreakingly real portrait of the woman

herself, including the challenges she experienced on the periphery of showbiz, her healing from the trauma of childhood and intimate partner violence, her commitment to activism, and her leadership in the protest movement.

Lost Callahan

Partridge Publishing

Emma, Saphy, Ilesha, Yukti, and David are living peacefully under the same roof until a severe tragedy hits them. Something happens to Emma. Saphy loses her best friend. Ilesha moves out. Yukti is left to face the most challenging part of her life. Amidst the chaos, Saphy sets out to find her lost friend - to embark upon a quest for memories that are lost,

a journey towards happiness. On the other hand, Sean is looking for something to lose, sulking about the memories from the past. With a hidden connection that he holds with her childhood friend, he writes the best chapter in Emma's life - to help her reach out to her memories, and discover the lost Callahan within her. The novel is a gripping tale of everlasting love and friendship - that is found and lost, only to be found again.

The Boy Who Came Back from Heaven

A True Story A Remarkable Account of Miracles Angels, and Life beyond this World
AN ACCIDENT, A MIRACLE, and a SUPERNATURAL ENCOUNTER that will

give you new insights on Heaven, angels, and hearing the voice of God. In 2004, Kevin Malarkey and his six-year-old son, Alex, suffered a terrible car wreck. The impact from the crash paralyzed Alex - and it seemed impossible that he could survive. When Alex awoke from a coma two months later, he had an incredible story to share. Of events at the accident scene and in the hospital while he was unconscious. Of the unearthly music that sounded just terrible to a six-year-old. Of the angels who took him through the gates of Heaven itself. And, most amazing of all . . . of meeting and talking to Jesus. The Boy Who Came Back from Heaven is the true story of an

ordinary boy's most extraordinary journey. As you see Heaven and earth through Alex's eyes, you'll come away with new insights on miracles, life beyond this world, and the power of a father's love.

Bees in Amber *BoD - Books on Demand*

Reproduction of the original: Bees in Amber by John Oxenham

The Complete Novels of Henry James - All 24 Books in One Edition

The Portrait of a Lady, The Wings of the Dove, What Maisie Knew, The American, The Bostonian, The Ambassadors, Washington Square and more *e-artnow*

The Portrait of a Lady

is one of James's most popular long novels, and is regarded by critics as one of his finest. The Portrait of a Lady is the story of a spirited young American woman, Isabel Archer, who in "affronting her destiny", finds it overwhelming. She inherits a large amount of money and subsequently becomes the victim of Machiavellian scheming by two American expatriates. "The Wings of the Dove" tells the story of Milly Theale, an American heiress stricken with a serious disease, and her effect on the people around her. Some of these people befriend Milly with honorable motives, while others are more self-interested. "The

American" is an uneasy combination of social comedy and melodrama concerning the adventures and misadventures of Christopher Newman, an essentially good-hearted but rather gauche American businessman on his first tour of Europe. Table of Contents: Confidence Roderick Hudson The Ambassadors The American The Awkward Age The Bostonians The Europeans The Golden Bowl The Other House The Outcry The Portrait of a Lady The Princess Casamassima The Reverberator The Sacred Fount The Spoils of Poynton The Tragic Muse The Whole Family The Wings of the Dove Washington Square Watch and Ward What Maisie Knew The Ivory Tower

(Unfinished) The Sense of the Past (Unfinished)
 Henry James (1843–1916) was an American-British writer who spent most of his writing career in Britain. He is regarded as one of the key figures of 19th-century literary realism.

Netopia *Createspace Independent Publishing Platform*

The perfect reality is just a thought away, but it comes at a chilling price. In a near future world, a social network by the name of MINDS gifts its users with the unique ability to communicate directly by thoughts and recreate reality by their deepest fantasies and desires. In the MINDS network, desires are actualized in a split of a second and unwanted

elements erased from reality. The advanced algorithms of MINDS enable the user to virtually visit any place in the world or in history within seconds, in an utterly realistic three-dimensional reality. Humans can use their mind to determine everything they please - from the weather to the way their friends look like and behave. But the ultimate comfort comes at a price, and the unexpected results reveal the grand plan behind MINDS. What stands behind this magnificent social network, and what are the consequences when the virtual merges with the actual? Netopia follows the heroes of the network in the days before its establishment, through

its launch, relationships and love, and the unexpected change it wreaks on the enthusiastic users who had no idea what awaited them the moment they gave up control over their minds. Is the MINDS network a dream come true or a nightmare come to life? Netopia is beyond science fiction: it is a groundbreaking novel that explores the implications of communication technology on human nature and society, the preference of warmth for realistic animal doll pets but coldness towards humans. the novel speaks to the connected and to the disconnected, to the great minds and the Neverminds. Netopia is a gleaming hope and a dark warning. So, where is your mind?

Their Eyes Were Watching God

Prabhat Prakashan

Their Eyes Were Watching God is a 1937 novel by African-American writer Zora Neale Hurston. It is considered a classic of the Harlem Renaissance of the 1920s, and it is likely Hurston's best known work.

Grotesque Vintage

Life at the prestigious Q High School for Girls in Tokyo exists on a precise social axis: a world of insiders and outsiders, of haves and have-nots. Beautiful Yuriko and her unpopular, unnamed sister exist in different spheres; the hopelessly awkward Kazue Sato floats around among

them, trying to fit in. Years later, Yuriko and Kazue are dead — both have become prostitutes and both have been brutally murdered. Natsuo Kirino, celebrated author of *Out*, seamlessly weaves together the stories of these women's struggles within the conventions and restrictions of Japanese society. At once a psychological investigation of the pressures facing Japanese women and a classic work of noir fiction, *Grotesque* is a brilliantly twisted novel of ambition, desire, beauty, cruelty, and identity by one of our most electrifying writers.

Becoming Zara

FUN FACT: "Becoming Zara" is a standalone

novella, but if you're following the character of Samantha Bradford as she crosses off the items of her bucket list (the *Single Wide Female Series*), this is the book that Samantha publishes to complete her bucket list item #18 (Publish a Book). Note: You can download #1 *Learn Pole Dancing* of that series for free. *** Hi, I'm Zara...warrior princess. I don't usually tell that last bit to strangers, but I say it in my head all the time. It's one of the many mantras that have helped me to get to where I am today. And believe me when I say that I've come a long way. Besides, if you're a woman and you happen to have ever struggled with issues of self-esteem, we're probably gonna

be fast friends anyway, so I won't hold anything (much) back. Oh, and Zara wasn't the name I was born with-but you'll find out more about that in the book. I don't know about you, but my own struggle with my weight has held me back a bit in life. And my self-esteem took a real nose dive after my fiancé dumped me-via text, no less. (I know, right? Jerk!...but I don't usually dwell on things in the past, so let's just move right along from that, shall we?) So, I'm still a work-in-progress for sure, but I'm really starting to figure it all out-how to be more of who I'm meant to be every day-including the bumps, the lumps, and my bruised ego along the way. Oh and I love my sisterhood (more about that later) - the

women who join me in believing that we are all capable of being strong, amazing, warrior princesses-just the way we are right now."

The Golden Bowl *Wordsworth Editions*

This work is Henry James's last novel and is a symbolically complex story of two flawed marriages. The gilded crystal bowl with its largely concealed flaw is the symbolic vehicle used to reveal past misdemeanours and make the characters face the flaws in their lives.

You are already there

an experience in Consciousness *Balboa Press*

You Are Already There
YOU CAN NEVER BE

ANYWHERE ELSE There are so many chasing this so-called enlightenment, when all along they are already there, but because this is too simple they just don't want to believe it. They are after something harder, something that makes them feel they have deserved this reward of enlightenment. This is my story of my own inner experience in this so-called enlightenment. I have shared what I disappeared into and came out laughing—because I have realised that this so-called enlightenment is simply who we all are; we are there, we have always been there, and we can be nowhere else but there. I'll share with you my own

experience and what brought me to this experience of so-called enlightenment and how you can also experience what I and many more have experienced. You will learn that there is no big deal to this experience, and it's so simple that you will be laughing at how simple it is, and you may wonder why you never realised this before. It's all fun, so don't take anything I say seriously. In fact, never take anything seriously about enlightenment. After all, You Are Already There.

Prisoner of the Mind
Createspace
Independent Publishing Platform

Prisoner of the Mind -
 Spiritual Self-
 Improvement Personal
 Development We have

the largest prison population in the world in America today, but how many men and women were locked up in their minds before they got to prison? "Prisoner of the Mind" by Jeff Hairston is a thought provoking book aimed at helping you find a spiritual balance in life and to break free of the prison of negative thoughts and emotions that your mind has created over the years. Jeff artfully guides you through the many aspects of life that plague our minds today intertwining

important lessons with examples from his own life story. Fear is one of the most important emotions when experienced in the right way. It can help us in life threatening situations by keeping our mind on high alert. but what happens when fear comes into contact with the ego? That very same fear that is there to save you can also stop you from living a normal, healthy life -and in some cases even kill you! It's all about using the fear to your advantage and being consistent and persistent against it. Many of the issues plaguing our mind are created by past life events that are left unresolved. "Prisoner of the Mind" asks the important spiritual questions and expertly

tackles negative personal issues to help you better understand and overcome the prison that your own mind had created. Break free from the personal prison that your own mind created - order your copy of "Prisoner of the Mind" by Jeff Hairston today!

Save Me *Createspace Independent Publishing Platform*

Can a weeping willow grow into a steel magnolia? Ellie Cochran doesn't think so. She is a lost soul if there ever was one. A life filled with unimaginable loss does that to a person. Tired of fighting for one that doesn't seem worth living any more, she knows it's time to make a decision. A stop for coffee is the last place she expects

for that choice to be forced on her. But when the bullets start flying will she choose death-finally crossing over the threshold she's been hovering at for two seemingly endless years, or will she choose the hope she sees in a tall, beautiful stranger's eyes? Nikolas Jensen didn't know grabbing a coffee before work would turn his world upside down. He didn't plan on making any life-altering decisions when he walked through those doors either. But that's exactly what he has to do. When death is staring you down from the barrel of a gun, do you save yourself, or a woman you just met? Their paths now stitched together by one traumatic morning, Nik and Ellie must pick

up the broken pieces. Can they do it together or will Ellie's demons be too much for them both?

My Heart Will Go On

Vocal Solo *Hal Leonard Publishing Corporation*

The Academy Award winning song from 'TITANIC' is now available for voice and CD accompaniment. The sing-along CD sounds like the original as recorded by Celine Dion.

Lodestone Book One

The Sea of Storms *Virtualbookworm.com Publishing*

Alli-Kar, a white-hole portal from another universe, rains meteoroids onto the surface of the planet Kelanni. But the so-

called "lodestones" behave according to different physical laws, transforming Kelanni's society. With the aid of the fearsome Keltar in their flying cloaks, the Kelanni are being put to forced labor to mine the lodestones. Shann, an orphan with a fiery disposition, witnesses a battle between a Keltar and a stranger bearing a similar flying cloak. She tracks down the stranger, learning of the technology behind the Keltars' power and joining him on a mission to free the slaves and cut off their supply of lodestones. Meanwhile Keris, a Keltar, is sent on a mission to track down the rebels. She is attacked by a flying creature and saved by the enigmatic Chandara. At their Great Tree, she learns

that a mysterious "Prophet" is out to destroy the Kelanni people. Their only hope is a powerful instrument hidden in the distant past. Pursued by Keltar, the party will encounter bizarre creatures, ancient technologies and terrifying dangers. Finally, they must seek to cross a massive storm barrier in order to reach the other side of their world, where a world-shaking revelation awaits.

Going East *Anchor*

Mia Taylor's life is enviable: she has a high-profile career, a glamorous, powerful family, and feels trust and love for the world that surrounds her. And then a terrorist bomb destroys it all in one night. Struggling to comprehend the loss of

everything she once took for granted, she exchanges Bond Street shopping trips and lavish galas for long hours working at a dilapidated health center in London's gritty East End. As she starts to emerge from grief, she begins to piece together what may have been a cover-up for her family's destruction. Politics and corruption, poverty and decadence, bigotry and class warfare converge in what is at once a mystery, a love story, and a testament to the resilience that can only be born in the wake of turbulent times.

Golden Bowl *Courier Dover Publications*

Shy Maggie Verver, a young American heiress, shares an uncommonly close

bond with her father. Widower Adam Verver, a financier and art connoisseur, has bought everything he wants, including a titled husband for his daughter. Maggie is charmed by Prince Amerigo, an Italian nobleman of reduced means. Wishing to provide her father with companionship, she persuades him to marry her best friend, Charlotte Stant. But unbeknownst to Maggie and Adam, Charlotte and the Prince are concealing a guilty secret that will strike at the foundations of both marriages. Henry James explores his favorite themes in this novel — money, class, desire, and the collision of European and American cultures. Rich in the author's

characteristic psychological insights, the story constitutes a fascinating study of character in a privileged, claustrophobic backdrop. James examines the illusions that unite people, the deceptions that keep them together, and the way that trust can become a form of denial.

The Monster on Top of the Bed

CreateSpace

"Blimp, bloop, blimp, bloop. Suzy gripped her sheets tightly. Was that noise coming from under her bed?" Helps Children Banish Bedtime Fears So begins Suzy's adventure where she meets Karrit, another child, and one that lives far under her bed. The two children banish their bedtime

fears and become best friends by treating each other the way that they want to be treated. A Fear of Monsters is Common A fear of monsters under the bed is common with children of all ages, starting with a vague sense of the unknown with younger toddlers and graduating to perhaps a more solid image in the minds of older children. The Monster on Top of the Bed flips the idea around, like the famous Disney Movie Monsters Inc., and bases the story on the concept that it's the monsters that are actually afraid of the children. The Children Model The Golden Rule In this beautifully illustrated book we meet two children-- Suzy and Karrit, and we discover that

sometimes things are not always what they seem and when the monster fears the child, we come to see a different perspective on misunderstandings and ignorance. We also discover that it is easy to misinterpret the meanings of words and actions, when Karrit explains to Suzy that certain things she says and does, frightens him. Although the words, "The Golden Rule" never appear in the book, the way the two children treat each other as though they would like to be treated enable the two of them to work together to work out their differences. A friendship forms, and a new light is shed upon them both when they realize that maybe they aren't so different from each other after

all. A Mantra that Banishes Nighttime Fears When things get scary, both children use Grandmom's mantra, which is highly effective in banishing monsters, "'You're welcome to stay until I say, 'Nay!' Then it's time to go, and you can't say, 'no.'" This is an empowering bedtime story. The multimedia edition contains a link to an .mp4 file that features the same audio tracks in the CD version. Children can listen to the story being read by four narrators who read the story in English, Spanish and Italian. There are page turning sounds to let the child know when to turn the page. There are slight differences between the words in CD version and the Kindle version.

Children like the challenge of finding the differences. In addition to reading the story, the multimedia kindle edition also contains bonus material, including an interview with the illustrator, and other stories and poems written by the author. Order Copies For Yourself and Your Friends... It's perfect for three to six-year olds, and six-to-twelve year olds (who are sometimes still afraid of monsters) find the story charming and enjoy reading it to their younger siblings.

We Oughta Know

How Four Women Ruled the '90s and Changed Canadian Music

Andrea Warner's debut book, *We Oughta Know: How Four*

Women Ruled the '90s and Changed Canadian Music.... Equal parts music criticism, cultural analysis, and coming-of-age memoir, *We Oughta Know* chronicles the careers of Alanis Morissette, Shania Twain, Sarah McLachlan, and Céline Dion. - *Eternal Cavalier Press*.

The Living Age

Why Are We Losing the Kids? *Createspace Independent Publishing Platform*

I found this book on Bookbub, and am thrilled with what I've read. I wish every Christian would read it- especially every pastor and leader. My husband (who is a pastor) and I had already come to these conclusions before I found this book, but it

gives me great hope that others are seeing the same disastrous problems. We have created a "monster" that we call "church" which little resembles the New Testament kind, and people are fleeing it. For all the promise of the "contemporary" style church, it isn't really much better. The church is failing to make disciples and failing to make any real impact in the culture, and it's all because we have failed to make authentic (true) converts. It's that simple. It's easy to make a disciple of someone who has been truly converted. Otherwise, with our usual crop of "decisions," it's like pushing a rope to get any serious commitment or

Christlikeness out of them. The Bible says that Jesus is the Door, but to be brutally honest, the only way through that Door is to crawl--in repentance, submission (brokenness), and faith. We are no different than the church of the Middle Ages that baptized babies for salvation, leaving millions of people still in their sins. There isn't really any such thing as "a church for the unchurched" as many like to claim today. We should be the church of the redeemed, but we have become a church of the unsubmitive, unrepentant, unconverted, uncommitted, and unfaithful. And it all goes back to one thing--real salvation thru real repentance and real

faith in Jesus Christ."- M.J. Freeman ..". thought provoking book showing true believers in Jesus Christ the need to examine the methods we are using to evangelize our children... the author backs up all of her writing with scripture, the true Word of God." -Alicia Canner " ...Wow what an eye opener, it opened my eyes to the real meaning of being born again. Not only a book to help with the youth but for everyone..."-Malinda Zemrose As Christian women, there is probably nothing more heartbreaking than seeing our children turn from God. We spend thousands of dollars, and sacrifice countless hours to VBS, Bible clubs, Youth outings, Church camp,

and children's parties every year. We build elaborate stage sets, plan fantastic carnivals, and youth extravaganzas and bus in all the children and teens we can find in the hopes of leading them to Christ; and yet we are still losing them. We see the grown-up children, the "fruits" of our outreaches, living as practical Atheists. They walk and talk and act like the world, even loving the world, and though they claim to be saved, evidence of life in Christ is conspicuously absent. Even our own children are abandoning the faith. They have asked Jesus into their hearts and yet we see them turn from God at staggering rates. Statistics show that no less than half have

turned from God by High School age and closer to two thirds by the time they finish college. What we're doing is just not working! In Why Are We Losing the Kids? You'll see where we have gone wrong and where to go from here. - We can turn the tide on our failing ministry efforts! - We can share the gospel without creating false converts or backsliders! - We can keep the kids if we'll follow God's plan! The Bible has the answers if we're willing to hear them!

Bone Dust White

A Novel *Minotaur Books*

Someone is knocking at the door to Grace Adams' house, and he won't stop. Grace thinks she knows who

it is, but when she goes to her second floor window for a look she sees a woman she doesn't recognize. The woman isn't alone for long before a man emerges from the dark of the surrounding woods, stabs her, and leaves her for dead. Trying to help, Grace goes to the woman and is shocked to find that it's her mother Leanne—a woman who abandoned her 11 years before. There's nothing she can do, and Leanne is already past the point where she can tell Grace what happened all those years ago or why she came back now. While Grace was only a child when Leanne left her, Detective Macy Greeley has been waiting for Leanne ever since she disappeared from Collier, MT. She's

looking to close a case that has been haunting the town for far too long, but Collier is a hard-bitten place where the people are fierce when it comes to keeping their feuds between themselves and keeping secrets hidden in the past. Karin Salvalaggio's outstanding crime fiction debut *Bone Dust White* is an absolutely stunning work that signals the entrance of a major new talent.

The Greatest Works of Henry James

Novels, Short Stories, Plays, Essays, Autobiography and Letters (*The Portrait of a Lady, The Wings of the Dove, The American, The Bostonians, The Ambassadors, What*

Maisie Knew...) e- *artnow*

It's All My Fault

How I Messed Up the World, and Why I Need Your Help to Fix It *CreateSpace*

Poverty. War. Bureaucracy. Divisiveness. Gridlock. Exploitation. Farmland degradation. Water shortages. Oil Spills. Nuclear meltdowns. Unemployment. Job dissatisfaction. Debt. Divorce. Depression. Anxiety. Addiction. Fear. Isolation. Loneliness. The 21st century world we live in is charging full steam ahead, seemingly at the speed of light. Though this breakneck pace has

created many amazing marvels of modern technology, it has also created a more complex set of interlocking problems than our species has ever seen before. We all contribute to perpetuating faulty global systems in one way or another, but it takes a lot of humility to be able to admit that. By firstly focusing upon changing and improving one's own ways of living, and beginning with the mantra of "it's all my fault" — rather than immediately pointing fingers and telling everyone else to change — we can break down cultural barriers, inspire action, and make much more rapid progress to reduce the immense suffering that exists in this world. Directly or

indirectly, it affects us all. It's time for a new paradigm; a new type of culture that incorporates the interests of all global citizens. It's All My Fault lays out how we got here, how we can move forward in this journey, and delves deep into personal insights and vivid experiences from the author's life. It describes a practical set of innovative ideas that have the potential to ultimately lead to the day in which many of our greatest challenges — such as poverty, homelessness, and underemployment — become a thing of the past.

Self Made Bitch
*Createspace
Independent Publishing
Platform*

Tell em to hold on, a real bitch is coming.' Kahyla James was an ordinary girl with dreams of one day making it big. And she was well on her way, especially with a street gangsta like Anthony 'Boston' Dixon training her to be a self made bitch. But when she was betrayed by the people that she loved the most it forced her to take actions into her own hands and show the city just how ruthless she could be. Ride with Kahyla as she navigates the streets showing the gangsta's that the penalty for betrayal is still death.
