The Q Acoustics 3020 is a good set that takes a decent place in our selection of the best bookshelf speakers. This set is considered one of the best speakers under £200, thanks to its dimensional sound. When purchasing the Q Acoustic 3020, you will get a kit that includes a stereo receiver with 2 passive speakers.

5 Best Bookshelf Speakers Reviews of 2020 in the UK ...

This is a nice collection of small speakers, but it would be good to see a review of actual bookshelf/wall-mounted speakers, particularly at the higher end of this price bracket. Here many of the higher end speakers actually require stands and the reviews suggest that their performance would be significantly compromised if they were positioned close to/on a wall (or on a bookshelf!).
