Citoen BX suspension. After feeling the suspension becoming lumpy on my 91 Bx diesel estate my local Citoen experts told me rear spheres were required and they carried out the work. The system has been quite unreliable since. Firstly the thing didn't rise at all and their response was that the new spheres had allowed full movement which must have caused other problems.

BX Hydraulics Archives - The Chevronic Centre

The BX shared its platform with the more conventional 405 that appeared in 1987, except the rear suspension which is from a Peugeot 305 Break. Among the features that set the car apart from the competition was the traditional Citroën hydropneumatic self-levelling suspension , extensive use of plastic body panels (bonnet, tailgate, bumpers), and front and rear disc brakes .
