Systematic Theology, by Louis Berkhof

His 'Systematic Theology' was his magnum opus, being revised and enlarged during his lifetime until it reached its present final form. Berkhof's loyalty to the well-defined lines of the Reformed Faith, his concise and compact style and his up-to-date treatment have made this work the most important twentieth century compendium of

Reformed Theology.

Systematic Theology. Louis Berkhof (October 13, 1873 - May 18, 1957) was an American-Dutch Reformed theologian whose works on systematic theology have been influential in seminaries and Bible colleges in the United States, Canada, Korea and with individual Christians in general throughout the 20th century.

Louis Berkhof -

Wikipedia

Louis Berkhof's Systematic Theology is hands down the 'creme de la creme' of systematic theologies. I would say, however, if you are teaching theology, it would behoove you to present Berkhof's material "John Frame style," as Frame has a very friendly teaching manner.

Berkhof's section on common grace in his Systematic Theology (pp. 432ff) is very helpful as far as it goes, but it fails to deal with other aspects of Hoeksema's position, his denial of the general love of God for all men, and his

sincere offer of salvation to them all, so that there is a tension between the two wills of God, the secret determining the salvation of the elect and the revealed will in which God declares that it is not his will that any should perish but that all men should ...

Reformed theology, on the other hand, deals with the union of believers with Christ theologically, and as such does far greater justice to this important subject. In doing so it employs the term "mystical union" in a broad sense as a designation not only of the subjective union of Christ and believers,

but also of the union that lies back of it, that is basic to it, and of which it is only the ...
