Childhood and education. Burt was born on 3 March 1883, the first child of Cyril Cecil Barrow Burt (b. 1857), a medical practitioner, and his wife Martha. He was born in London (some sources give his

place of birth as Stratford-upon-Avon, probably because his entry in Who's Who gave his father's address as Snitterfield, Stratford; in fact the Burt family moved to Snitterfield when he was ten).

Cyril Burt - Wikipedia

The reluctance (in my view) springs from a background of growing independence and assertiveness in the Educational Psychology profession where the profession is more prepared to argue a position in opposition to popular opinion where the profession does not see a

convincing case being made.
