European Single Procurement Document

Public Procurement And The Eu

Public procurement strategy. The European Commission's public procurement strategy focuses on six strategic policy priorities that were set out in the 2017 communication 'Making public procurement work in and for Europe'. It aims to improve EU public procurement practices in a collaborative manner by working with public authorities and other stakeholders.

Public Procurement - European Commission

Public procurement refers to the process by which public authorities, such as government departments or local authorities, purchase work, goods or

services from companies. To create a level playing field for all businesses across Europe, EU law sets out minimum harmonised public procurement rules. More information on European public procurement
