So, what are you awaiting? Start your reading adventure today with digital On The Trail Of Assassins

publication downloads. With numerous titles and genres to pick from, the opportunities are endless. Happy reading!

On the Trail of the Assassins

One Man's Quest to Solve the Murder of President Kennedy *Skyhorse*

Almost fifty years after the assassination of President John F. Kennedy, his murder continues to haunt the American psyche and stands as a turning point in our nation's history. The Warren Commission rushed out its report in 1964, but questions continue to linger: Was there a conspiracy? Was there a coup at the highest levels of government? On March 1, 1967, New Orleans district attorney Jim Garrison shocked the world by arresting local businessman Clay Shaw for conspiracy to murder the president. His alleged co-conspirator, David Ferrie, had been found dead a few days before. Garrison charged that elements of the United States government, in particular the CIA, were behind the crime. From the beginning, his probe was virulently attacked in the media and violently denounced from Washington. His office was infiltrated and sabotaged, and witnesses disappeared and died strangely. Eventually, Shaw was acquitted after the briefest of jury deliberation and the only prosecution ever brought for the murder of President Kennedy was over. Returning to print for the first time in years, On the Trail of the Assassins—the primary source material for Oliver Stone's hit film JFK—is Garrison's own account of his investigations into the background of Lee Harvey Oswald and the assassination of President Kennedy, and his prosecution of Clay Shaw in the trial that followed.

On the Trail of the Assassins

My Investigation and Prosecution of the Murder of President Kennedy *Sheridan Square Publications*

The sole government official to run an investigation into the death of JFK tells his story, offering theories and long-unknown details of the event that support the evidence for a conspiracy

On the Trail of the JFK Assassins

A Groundbreaking Look at America's Most Infamous Conspiracy *Skyhorse*

Using newly declassified information, Dick Russell builds on three decades of painstaking research in On the Trail of the JFK Assassins, offering one of the most comprehensive and authoritative examinations of the assassination of our thirty-fifth president. Included are new revelations, such as the theory that Lee Harvey Oswald was subjected to "mind control," Russell's personal encounters inside the KGB headquarters, and new information gleaned from an interview with Oswald's widow. Russell here comes closer than ever to answering the ultimate question: Who killed JFK?

A Farewell to Justice

Jim Garrison, JFK's Assassination, and the Case That Should Have Changed History *Skyhorse*

Working with thousands of previously unreleased documents and drawing on more than one thousand interviews, with many witnesses speaking out for the first time, Joan Mellen revisits the investigation of New Orleans district attorney Jim Garrison, the only public official to have indicted, in 1969, a suspect in President John F. Kennedy's murder. Garrison began by exposing the contradictions in the Warren Report, which concluded that Lee Harvey Oswald was an unstable pro-Castro Marxist who acted alone in killing Kennedy. A Farewell to Justice reveals that Oswald, no Marxist, was in fact working with both the FBI and the CIA, as well as with US Customs, and that the attempts to sabotage Garrison's investigation reached the highest levels of the US government. Garrison's suspects included CIA-sponsored soldiers of fortune enlisted in assassination attempts against Fidel Castro, an anti-Castro Cuban asset, and a young runner for the conspirators, interviewed here for the first time by the author. Building upon Garrison's effort, Mellen uncovers decisive new evidence and clearly establishes the intelligence agencies' roles in both a president's assassination and its cover-up. In this revised edition, to be published in time for the fiftieth anniversary of the president's assassination, the author reveals new sources and recently uncovered documents confirming in greater detail just how involved the CIA was in the events of November 22, 1963. More than one hundred new pages add critical evidence and information into one of the most significant events in human history.

Crossfire

The Plot That Killed Kennedy *Basic Books*

The big daddy of the conspiracy books on the JFK assassination, and one that can't be taken lightly. A sheer tour de force that may be the final word until 2039--when government files on the case can be unlocked.--Kirkus Reviews

Reclaiming History: The Assassination of President John F. Kennedy *W. W. Norton & Company*

An all-encompassing analysis of the assassination of JFK and its surrounding conspiracy theories draws on forensic evidence, key witness testimonies, and other sources to explain what really happened and why conspiracy theories have become so popularized.

Last Word

My Indictment of the CIA in the Murder of JFK *Skyhorse*

Mark Lane tried the only U.S. court case in which the jurors concluded that the CIA plotted the murder of President Kennedy, but there was always a missing piece: How did the CIA control cops and secret service agents on the ground in Dealey Plaza? How did federal authorities prevent the House Select Committee on Assassinations from discovering the truth about the complicity of the CIA? Now, New York Times best-selling author Mark Lane tells all in this explosive new book—with

exclusive new interviews, sworn testimony, and meticulous new research (including interviews with Oliver Stone, Dallas Police deputy sheriffs, Robert K. Tanenbaum, and Abraham Bolden) Lane finds out first hand exactly what went on the day JFK was assassinated. Lane includes sworn statements given to the Warren Commission by a police officer who confronted a man who he thought was the assassin. The officer testified that he drew his gun and pointed it at the suspect who showed Secret Service ID. Yet, the Secret Service later reported that there were no Secret Service agents on foot in Dealey Plaza. The Last Word proves that the CIA, operating through a secret small group, prepared all credentials for Secret Service agents in Dallas for the two days that Kennedy was going to be there—conclusive evidence of the CIA's involvement in the assassination.

JFK and the Unspeakable

Why He Died and Why It Matters *Simon and Schuster*

SSuggests that John F. Kennedy was assassinated because military leaders feared his dedication to peace would result in the United States falling to Russia

On the Trail of Assassins

My Investigation and Procecution of the Murder of President Kennedy

Rekonstruktion af begivenhederne omkring mordet på John F. Kennedy (1917-63) og en argumentation for, at attentatet var resultatet af en sammensværgelse mellem kredse indenfor CIA og FBI

Not in Your Lifetime

The Assassination of JFK

'It might not be in your lifetime', said the Chief Justice of the United States when asked whether the files on the assassination of President Kennedy would be made public. If the President was killed by a lone gunman, as the first official enquiry claimed, why can we still not see all relevant records? Fifty years on and the murder of the century remains unsolved. Drawing on thirty years of investigation, Anthony Summers examines the case in compelling, forensic detail. He analyses the evidence for Oswald's guilt, the Mafia connection, and the links to Cuba and reveals, for the first time, a plausible admission of involvement. This updated edition of Not in Your Lifetime is the most definitive account of one of the most intractable mystery mysteries of our time.

Case Closed

Lee Harvey Oswald and the Assassination of JFK *Open Road Media*

Pulitzer Prize Finalist: "By far the most lucid and compelling account . . . of what probably did happen in Dallas—and what almost certainly did not." —The New York Times Book Review The Kennedy assassination has reverberated for five decades, with tales of secret plots, multiple killers,

and government cabals often overshadowing the event itself. As Gerald Posner writes, “Fifty years after the assassination, the biggest casualty has been the truth.” In this first-ever digital edition of his classic work, updated with a special comment for the fiftieth anniversary, Posner lays to rest all of the convoluted conspiracy theories—concerning the mafia, a second shooter, and the CIA—that have obscured over the decades what really happened in Dealey Plaza on November 22, 1963. Drawing from official sources and dozens of interviews, and filled with powerful historical detail, *Case Closed* is a vivid and straightforward account that stands as one of the most authoritative books on the assassination of John F. Kennedy.

The Man Who Killed Kennedy

The Case Against LBJ *Simon and Schuster*

"We appreciate Roger Stone, he is one tough cookie." - President Trump The sensational New York Times bestseller, now in paperback. Find out how and why LBJ had JFK assassinated. *The Man Who Killed Kennedy: The Case Against LBJ* hit the New York Times bestseller list the week of the 50th Anniversary of the assassination of President John F. Kennedy. Consummate political insider Roger Stone makes a compelling case that Lyndon Baines Johnson had the motive, means, and opportunity to orchestrate the murder of JFK. Stone maps out the case that LBJ blackmailed his way on the ticket in 1960 and was being dumped in 1964 to face prosecution for corruption at the hands of his nemesis attorney Robert Kennedy. Stone uses fingerprint evidence and testimony to prove JFK was shot by a long-time LBJ hit man—not Lee Harvey Oswald. President Johnson would use power from his personal connections in Texas, from the criminal underworld, and from the United States government to escape an untimely end in politics and to seize even greater power. President Johnson, the thirty-sixth president of the United States, was the driving force behind a conspiracy to murder President Kennedy on November 22, 1963. In *The Man Who Killed Kennedy*, you will find out how and why he did it. Legendary political operative and strategist Roger Stone has gathered documents and uses his firsthand knowledge to construct the ultimate tome to prove that LBJ was not only involved in JFK's assassination, but was in fact the mastermind. Skyhorse Publishing, as well as our Arcade imprint, are proud to publish a broad range of books for readers interested in history--books about World War II, the Third Reich, Hitler and his henchmen, the JFK assassination, conspiracies, the American Civil War, the American Revolution, gladiators, Vikings, ancient Rome, medieval times, the old West, and much more. While not every title we publish becomes a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

The Assassin's Betrayal

HARD-HITTING PULP ACTION - AS THE BULLETS BLAZE IN A SCORCHED EARTH SHOWDOWN THEY'LL DISCOVER WHAT TRULY MATTERS MOST. In the cold, lonely world of hired guns, Malakai is a legendary trigger-puller. The victim of a twisted, abusive childhood that left him both physically and emotionally scarred, blood and bullets have become his religion. Once partnered with Gabriel Asher before he walked away, Malakai stayed with the Company, honing his lethal skills to become the

quintessential lone wolf assassin. When he is contracted to stop the Syndicate—a powerful Japanese crime organization—from blackmailing the chairperson of the Senate Intelligence Committee, Malakai discovers someone is playing Judas and he needs to flush them out before he gets burned. As the chaos and carnage escalate, his life gets complicated by the arrival of a mysterious woman who may have even more scars on her soul than he does. But is she really who she says she is? With betrayal all around him, Malakai knows one wrong move could cost him his life. When the Syndicate hires a ruthless assassin named Jesus to hunt him down, Malakai knows the only way to survive is to fight fire with hellfire.

Amber Fang: Hunted *Orca Book Publishers*

Amber Tyrell enjoys life's simple pleasures. A perfect evening for her includes a good book, a glass of wine and, of course, a great meal, preferably straight from the jugular. Raised to eat ethically, Amber dines only on delicious cold-blooded killers. But confirming that her chosen victims deserve to die takes time. And patience. So it's a good thing Amber is studying to be a librarian. Her extraordinary research skills help her hunt down her prey, seek out other vampires and stay on the trail of her mother, who has been missing for over two years now. But one day while Amber is stalking a rather tasty-looking murderer, things go horribly wrong. Amber has walked into a trap. The hunter becomes the hunted. Now on the run, Amber receives the perfect job offer out of the blue. Someone wants to pay her to kill (and eat) the world's worst criminals. It sounds too good to be true. *Amber Fang: Hunted* is the first book in this exciting new vampire series.

To Live Or Maybe Not

Autobiographical Work of Gary Revel *Gary Revel*

A Gary Revel Memoir: Details of the birth, youth, education, music, US Navy service, experiences in; San Diego/Hollywood, California, Memphis/Nashville, Tennessee. More: Playing poker with men in a rough and tumble southern juke joint is not the typical activity of a 10 year old boy but it was for Gary Revel. Dancing with waitresses to Rock & Roll, Blues and Country music coming from the jukebox was also part of his usual child's play. Once he accepted the request to associate in the investigation of the MLK assassination he started his journey that would eventually take him into Brushy Mountain Prison in Petros Tennessee to meet the supposed killer of Martin Luther King Jr., James Earl Ray. Danger, intrigue and murder followed as he entered the darkness of the investigation of the Martin Luther King Jr. assassination.

Crossfire

The Plot That Killed Kennedy *Constellation*

What really happened in Dallas on November 22, 1963? Was the assassination of John F. Kennedy simply the work of a warped, solitary young man, or was something more nefarious afoot? Pulling together a wealth of evidence, including rare photos, documents, and interviews, veteran Texas journalist Jim Marrs reveals the truth about that fateful day. Thoroughly revised and updated with

the latest findings about the assassination, Crossfire is the most comprehensive, convincing explanation of how, why, and by whom our thirty-fifth president was killed.

The Hallervorden Collection *Dead Meat Book*

This fact-based action/adventure novel follows the heroine on a harrowing trail that leads eventually to the group that was not only behind Hitler, but which still controls the powers-that-be today.

GRE 4000

The 4000 Words Essential for the GRE *Nova Press*

The verbal section of the GRE is essentially a vocabulary test. With a few exceptions, if you know the word, you will probably be able to answer the question correctly. Thus, it is crucial that you improve your vocabulary. Even if you have a strong vocabulary, you will still encounter unfamiliar words on the GRE. Many students write off questions, which contain words, they don't recognize. This is a mistake. This book introduces numerous techniques that decode unfamiliar words and prod your memory of words you only half-remember. With these techniques, you will often be able to squeeze out enough meaning from an unfamiliar word to answer a question correctly. Nevertheless, don't rely on just these techniques--you must study word lists. Obviously, you cannot attempt to memorize the dictionary, and you don't need to. The GRE tests a surprisingly limited number of words, and this book has 4000 prime candidates. Granted, memorizing a list of words is rather dry, but it is probably the most effective way of improving your performance on the verbal section. All the words you need for success on the GRE! Features: * 4000 Words Defined * Word Analysis section * 200 Prefixes, Roots, and Suffixes * Concise, practical definitions

The Assassin's Trail *Paperback Press Publishing*

FBI SPECIAL AGENT SEAN KRUGER IS BACK The brutal assassination of two men has Homicide Detective Ryan Clark fearing the worst. A serial killer is on the loose in the Washington, DC area. Without hesitation, he calls an old friend at the FBI.FBI profiler Special Agent Sean Kruger is hesitant to become involved with another long and tedious investigation. He is in the twilight of his career and tired of the travel, bureaucracy, and politics of his job. He and longtime girlfriend, Stephanie, decide to marry and do something different with their lives. He wants no part of Clark's serial killer investigation.But when the assassin strikes close to home, it becomes personal. With the help of JR Diminski, the computer genius from The Fugitive's Trail, he identifies a suspect. When the attempted arrest goes horribly wrong, Kruger is suspended for disobeying a direct order from the Director of the FBI. Now outside the protection of the agency, he must decide to either walk away after twenty-five years with the agency or put his new marriage and life in danger as he continues to pursue the assassin. An assassin whose ultimate goal is an attack in the center of the United States. An attack that could result in more civilian casualties than 9/11.

The Assassination of Michael Collins

What Happened At Béal Na MBláth?

An in-depth study of the death of Michael Collins, leader of the Irish War of Independence. This book offers a startling new perspective on one of history's most notorious unsolved mysteries: the fatal shooting in 1922, of the Commander-in-Chief of newly-independent Ireland. Its controversial new reconstruction of events the ambush may be shocking to some: yet demonstrably fits the known facts and eyewitness accounts. This is the first book on this famous "cold case" in decades; carrying on where John Feehan's landmark edition of 1991 left off. It presents the most complete overview of the evidence ever published; as well as an itemized catalogue of the various witnesses' mutual contradictions and corroborations.

Killing Kennedy

The Real Story *Createspace Independent Publishing Platform*

Despite an avalanche of disinfo being dumped by the major media over the decades, the assassination of JFK has finally unraveled. A renegade CIA station working with a Sicilian secret society orchestrated the hit, but their participation would never have been so massively covered-up unless they were working for elements higher up the chain-of-command. Whether you are new to this case, or a longtime researcher, you will find these penetrating essays both entertaining and enlightening.

The Story of Garfield *Blurb*

James Abram Garfield (November 19, 1831 - September 19, 1881) was the 20th president of the United States, serving from March 4, 1881 until his death by assassination six and a half months later. He was the first sitting member of Congress to be elected to the presidency, and remains the only sitting House member to gain the White House.[1] Garfield entered politics as a Republican in 1857. He served as a member of the Ohio State Senate from 1859 to 1861. Garfield opposed Confederate secession, served as a major general in the Union Army during the American Civil War, and fought in the battles of Middle Creek, Shiloh, and Chickamauga. He was first elected to Congress in 1862 to represent Ohio's 19th District. Throughout Garfield's extended congressional service after the Civil War, he firmly supported the gold standard and gained a reputation as a skilled orator. Garfield initially agreed with Radical Republican views regarding Reconstruction, but later favored a moderate approach for civil rights enforcement for freedmen.

On The Trail of Delusion

Jim Garrison: The Great Accuser *Northernblues Books*

Fred Litwin exposes the truth about Jim Garrison, the New Orleans District Attorney, who 'solved' the JFK assassination in 1967. On the Trail of Delusion shows how Garrison persecuted an innocent gay man in order to spout his crazy conspiracy theories. There is also a touch of bribery and intimidation, the story of his attempt to charge a dead man with being a grassy knoll assassin, the former Marine he believed was a 'second Oswald, ' several con men who turned the tables and fooled Garrison, the

use of truth serum and hypnosis to recover memories, the ugly story of Oliver Stone's homophobic film JFK, and a lawyer from Montreal who was unjustly accused of operating an international assassination bureau. There's even a chapter with flying saucers. And a whole lot more.

You Decide

A Paranormal Coloring Book *Createspace Independent Pub*

The sketch-style depictions and unusual fonts create an eerie atmosphere where the reader has to decide if what they see really happened or if it is just a work of fiction. Includes writing space for your conclusions. This book makes a great group activity. This is not intended for children. Contains brief nudity.

Her Happy Ever After

Book Three of the Love's Territory Series *Createspace Independent Publishing Platform*

It was only supposed to be a short visit. It turned into a love affair. Melanie White is in trouble. Young, unmarried, with no resources to speak of, she's forced to flee home and hide out with her aunt on a ranch in a western mining town. She's just passing through on her way farther West, and it's a good thing, too: she can't stand the ranch owner. He's rowdy, immature...and undeniably attractive. David Tanner has his life just the way he likes it: he does what he wants, when he wants, and nobody can tell him any different--least of all, his former nanny's niece Melanie, who likes books more than people. But when a family emergency forces Melanie and David to work together, she discovers that there's more to him than meets the eye. And he finds out that life as a bachelor may not be what he likes after all. Contains mild language and sensual content within marriage.

Bad Karma *CreateSpace*

A TRUE CRIME THRILLER THAT EXPLORES THE DARKEST REGIONS OF ROMANTIC INFATUATION. THE YEAR: 1969 THE SETTING: Berkeley, California THE STORY: Amidst the turmoil of student rebellion two loners encounter each other and turn an innocent flirtation into a dance of death. THE CHARACTERS: Prosenjit Poddar was the brilliant engineering student who wanted nothing more than to return to his native India a big success and to marry a woman of his parents' choosing. Tanya Tarasoff was the naive coed who just wanted somebody to love. And Larry Moore was the young psychologist who thought he recognized the warning signs that his patient was not just suffering from a jilted love affair... but was about to commit an act of murder. THE STAKES: In a culture clash that pits the traditional values of male-dominated India against free-love attitudes of Berkeley in the '60s, an impending tragedy unfolds. Soon Larry Moore finds himself face-to-face with the biggest dilemma of his career. What does a doctor do if he perceives his patient as mentally unstable and a threat to the well-being of another... but is bound by the oath of doctor-patient confidentiality not to warn the police? This true story tracks Moore's race against time to stop the inevitable. BAD KARMA is more than an anatomy of madness; it is also a chronicle of the events that would culminate in a landmark decision handed down by the California Supreme Court. Known simply as Tarasoff, this

1976 ruling would change the oath of confidentiality between therapist and patient, and establish the rule that a mental health professional has the legal duty to protect a threatened individual.

Pocket Change for Life *Voices Books & Pub*

Pocket Change is a book of wisdom accumulated through life's challenges to make you think. The choices we make are not only crucial to our lives, but to others as well. For this reason alone, we should be considerate of each other. We many times question our existence because of the strenuous task we encounter. One thing to remember is every problem has a solution. We must always search ourselves for error, that we may keep an open mind to the truth. This is the responsibility of life. As one needs pocket change for a parking meter or a telephone call, wisdom is needed as well as knowledge.

Don's Brother

A Hike of Hope on the Appalachian Trail *CreateSpace*

What did one man do when faced with the unspeakable, untimely loss of his younger brother? He set out on a 2,186-mile thru-hike of the Appalachian Trail. Now he shares his journey of healing on the higher road in Don's Brother: A Hike of Hope on the Appalachian Trail. A tribute to faith, family, and personal fortitude, this moving account will captivate outdoor enthusiasts and anyone who is navigating the tough emotional terrain of grief. When the author's younger brother, Don, was diagnosed with ALS, Stephens promised to complete a thru-hike of the Appalachian Trail. However, the author may not have mentioned his method of doing so. Rather than carrying a full pack every day, he only occasionally slept in the woods, instead often opting for shuttles to nearby "trail towns" and beds. Along the way, he also committed to sharing Don's story, using the trail name "Don's Brother" and raising awareness for ALS. While reflecting on his brother's deep faith, devotion to family, and resolve in the face of his horrendous disease, the author's personal accomplishment and profound healing will move anyone to hit the road and take heart in the boundless capacity of brotherly love.

You Can't Kill My Love

A Kashmir Holocaust Love Story *Createspace Independent Publishing Platform*

A Holocaust in Kashmir destroys two lives till love unites them. Again. From the Amazon #1 Best-Selling Author, comes a tender coming-of-age love story of two Kashmiri Pandits, whose lives are torn asunder by Islamist terrorists. Meet Reshma and Sanjay, who grow up in Kashmir, and consider the beautiful valley their only home in the entire world. Till the early 1990s. When terrorists for no rhyme or reason make them lose everything. Their lovely homes in Srinagar, their relatives, their friends... and themselves. Forcing them to live in exile, in penury, and worse-without the comfort of each other. Can Sanjay stand up to radical Islam and win? Can Reshma heal herself and re-connect with her love ever? Share the pain and sufferings of the two lovers as they pick up the shattered pieces of their lives bit-by-bit with grit, determination and just pure love in their hearts. "You Can't Kill My Love" is a story of passionate love and enduring bravery in a world where innocents think they stand no chance against indoctrinated terrorists. But they could just be so wrong! Whether they're into Doodle Mandala , this book has a fantastic variety of designs created especially colour and enjoy! Each of these beautiful individual designs are printed on a single page with the reverse left blank - so no bleed through, and perfect whether you use pencils, pens or paints. Collect the whole ' Really Relaxing Colouring Book' series, the lovely ' Completely Calming Colouring Books' series or try our unique ' Cool Colouring Books' Collection too!

The Happy Fools *Createspace Independent Publishing Platform*

A devoted employee of the FIA (Federal Intelligence Agency), Eurian lives a comfortable and secure life, spanned with bureaucratic conflicts and desires for promotion. He will find himself thrust into an international conflict to track down and stop a subversive cyberterrorist movement. His desire for a foreign assignment will finally be met, but not in the way he expected. Assigned to Kerploueck, a sleepy village at the far edge of the world, he will be forced to let go of the comfort and stability of his previous lifestyle. With this temporary assignment, the complacent bureaucrat finds himself a spy-but with none of the excitement and adventure he had dreamed of. He now must find new objectives to survive this wholly uninteresting assignment. What happens to the FIA and to the

success of the worldwide search for the subversive cyber-terrorists will slowly drift away from Eurian's mind. Interestingly enough, when this book was started, internet spying, hacking, and cyberterrorism were rhetorical discussions. Today, we live in a different reality. Truth and facts are not as important as swaying unmindful, gullible populations. George Orwell's "alternative facts" are common place and universally acceptable. With the ocean of information now accessible to anyone, individuals, organizations, and even governments are scrambling to control its sources and promulgate their agendas. This is the essence of "The Happy Fools." Following Eurian and his unanticipated quest for truth, many topics of modern society will be discussed. This book also serves as a compendium of the latest technologies, sciences, ideas and movements. Focusing primarily on the most pertinent latest developments, each providing hope and insights that could change our lives. The underlying prerequisite of being happy is to avoid stress and the unknown. Therein lies a potential philosophical issue. Shutting the doors to outside turmoil, to world problems and issues, is a good safeguard for happiness. Close-mindedness brings confidence, as the world's problems appear simple and the solutions two-sided. Inversely, knowledge creates a spirit of inquiry, a burning desire for more knowledge, spurring new questions that beg for answers, ultimately resulting in a loss of conviction and an understanding that we will never truly understand the world in its endless complexities. Do we choose closed-minded confidence, or a life dedicated to the pursuit of knowledge with the uncertainties, frustrations, and complexities that it yields?

Syncing Forward

1st Place Gold Award in the 2015 Feathered Quill Book Program for Science Fiction/Fantasy! Finalist in the 2014 Book Pipeline Contest! Travel to the future - it will only cost you everyone you love. Attacked and injected with a drug which slows his metabolism to a fraction of normal, Martin James becomes an unwilling time traveler who hurtles through the years. His children grow up, his wife grows older, and his only hope is finding the people who injected him in the first place- not an easy task when one day for Martin lasts four years. And while Martin James strives to find a cure before everyone he loves is gone, others are uncertain if his journey can be stopped at all. W. Lawrence weaves a dystopian future filled with the best and worst of humanity, highlights the blessings and curses of technology, and pushes the limits of faith and hopelessness. Above all, Syncing Forward is a tale of one man's love for his family, and their devotion to saving him from being lost forever.

Perrin Lovett, a writer, former attorney, and cigar lover examines some cigar myths, proper smoking, and shop selection. He also tells a few short stories sure to warm the heat of any cigar smoker.

Amethyst Eyes

The Legend Come to Life *Mythos Press*

Three years after his arrival onboard, Tommy begins Specific Training to assume his place in his

father's society. The transition to adulthood, laden with unexplored emotions and overwhelming responsibilities, have made this unstoppable change too much to handle. Tommy wants to go back home, to Earth, to a way of life he'd been forced to leave behind. An unforeseen attack on his father, a disaster on Earth, and the added weight of responsibility take their toll on the young man, who suddenly finds himself struggling to save the ones he loves.

The Search for Truth

On the Trail of the Assassins/Asner

Discussion Notes on Jim Garrison's On the Trail of the Assassins

The narrative of the assassination of John F. Kennedy in Oliver Stone's movie 'JFK', illustrated with the help of one short sequence *GRIN Verlag*

Seminar paper from the year 2004 in the subject American Studies - Culture and Applied Geography, grade: 1,7, Free University of Berlin (John F. Kennedy Institut Berlin), course: HS American Cultural Memory: Trauma, Collective Imagery and the Politics of Remembering, 5 entries in the bibliography, language: English, abstract: Not many topics have produced more material than the subject of John F. Kennedy and his tragic death in November 1963. The more publications have occurred and keep occurring, the more it seems that narratives and explanations are multiplying and differing. John F. Kennedy is not only being remembered by the political world or his friends and family, he has

become a symbol of youth, progress and reform which is being remembered by all kinds of people and all parts of society. Kennedy is being portrayed in popular culture such as movies, music, pop art and photography. His face is reoccurring constantly in the history books and in modern art. This text focuses on the cultural narrative of John F. Kennedy and his assassination in the movie "JFK" (directed by Oliver Stone in 1991). I am aware that there are multiple ways of approaching the subject of JFK and especially that John F. Kennedy means different things to different people. I will not try to cover all possible narratives involving JFK and the assassination but I will explain that the movie "JFK" had a specific agenda and a certain narrative which was portrayed very explicitly to the audience. When John F. Kennedy was assassinated, Oliver Stone was a teenager and thought of the killing of the president as a turning point in American modern history. After he had read Jim Garrison's novel "On the trail of the Assassins" (1988) in which Garrison, the district attorney of New Orleans at the time of JFK's death, described his research concerning the death of JFK, he decided to make a movie out of Garrison's story. His decision to direct "JFK" paid off not only because the movie stimulated a heated debate over the remaining documents involving the death of JFK which are being withheld by the government up to the present, but also because Stone created a stunning movie which earned him a Golden Globe. The movie "JFK" shows the district attorney of New Orleans Jim Garrison making it his personal agenda to find out the truth regarding the assassination of president Kennedy. He soon becomes convinced that there was more to it than the official evaluation by the government and the "Warren Commission" which concluded that Lee Harvey Oswald had been the lone assassin of the president. Garrison becomes dedicated to his cause of revealing the plot, the conspiracy which killed JFK and proving that the lone assassin theory is simply a cover up by government authorities to conceal their involvement in the plot.
