Magic Lantern Guides Nikon D700

The new D700 sits squarely in Nikon's professional line-up in between the D3 and the D300. This 12.1 mega pixel model has the same incredible build quality and reliability as the D3 but is more compact. "Nikon D700" is a sturdy, well-produced guide and its laminated covers mean it's ready to go anywhere the camera does.

I have had a Magic Lantern guide for most of my cameras over the last 25 years. They are always complete, consise, and well organized. Their D700 guide is no different. Their research with a wide range of Nikon employees helps to take you to a new level of understanding that can never be approached using just the manual or other "guides".

Since I got my first Nikon N90 (Late 80's film camera) I have been buying the Magic Lantern Guide
for each new camera that I buy. There is just so much capability built into these new cameras that
you in order to be able to take advantage of all that capability you have to have a well written
manual.
