The Cay is well-written with powerful imagery and an engaging and fast-paced plot. I love the WWII and Caribbean setting. Unfortunately, The Cay is outdated and reinforces negative stereotypes, even while working to help its readers overcome prejudice.

The reason why I rated this book a 3 is that it was a good book, but it is not something I would usually read. It was a book about a boy named Phillip who got stuck on a cay with a black name named

Timothy. They have to figure out how to survive and get saved. In total, I would recommend this book to somebody, because I enjoyed it.
