Sat Test Papers Year 3

In preparation for KS2 and KS3 SATs tests, many schools use optional SATs papers to test children in Years 3,4,5,7 and 8 in English (Reading and Writing) and Maths. Although KS3 tests have been scrapped many schools still use these progress tests or end of year exams. You may download Year 3,4,5,7 and 8 optional Sats papers below.

Optional SATs Papers

Optional SATS Papers – Year three Maths. There are two sets of optional Maths papers available for children to use as practice papers. Because they are now a little adrift from the syllabus and the new format of KS2 tests they should not be

used to mean anything definitive in terms of results. When these papers are used they should simply be seen as a good benchmark of progress.

Optional SATS Papers - Year three Maths - SATs Papers Guide

KS3 SATs papers were introduced in 2003. KS3 test papers challenged children in their Year 9 Maths, Science and English. Following a long battle with teachers, formal tests were dropped after 2009. KS3 Maths papers (together with English and Science) do still exist but they are written and marked within schools. KS3 SATs papers remain useful to children.
