Your viewpoint matters, and by sharing your ideas, you can help shape the discussion around publications.

We wish this post has actually influenced you to discover Rich Christians In An Age Of Hunger, get in touch with fellow visitors, and compose your own testimonials. Pleased reading!

Rich Christians in an Age of Hunger

Moving from Affluence to Generosity

Thomas Nelson

Do you want to make a true difference in the world? Dr. Ron Sider does. He has, since before he first published *Rich Christians in an Age of Hunger* in 1978. Despite a dramatic reduction in world hunger since then, 34,000 children still die daily of starvation and preventable disease, and 1.3 billion people, worldwide, remain in abject poverty. So, the professor of theology went back to re-examine the issues by twenty-first century standards. Finding that Conservatives blame morally reprehensible individual choices, and Liberals blame constrictive social and economic policy, Dr. Sider finds himself agreeing with both sides. In this new look at an age-old problem, he offers not only a detailed explanation of the causes, but also a comprehensive series

of practical solutions, in the hopes that Christians like him will choose to make a difference.

Christians in an Age of Wealth

A Biblical Theology of Stewardship *Zondervan Academic*

In this book, Craig Blomberg addresses the tough questions about the place and purpose of wealth and material possessions in a Christian's life. He points to the goodness of wealth, as God originally designed it, but also surveys the Bible's many warnings against making an idol out of money. So are material possessions a blessing for which we should long? And what are the dangers that the use or abuse of material possessions can produce?

Blomberg expounds upon how the sharing of goods and possessions is the key safeguard against both greed and covetousness. He expands on the concept of giving generously, even sacrificially, to those who are needier, demonstrating how Christians can participate in God's original good design for abundance and demonstrate the world-altering gospel of Christ. Is there any one key to keeping possessions in their proper, God-intended perspective? Are there limits on how rich we should become or on how poor we should allow others to get? What does a truly Christian economic system look like? How does the Bible's teaching on wealth fit into the gospel?

Rich Christians in an Age of Hunger

A Biblical Study

Just Generosity

A New Vision for Overcoming Poverty in America *Baker Books*

Just Generosity calls Christians to examine their priorities and their pocketbooks in the face of a scandalous tendency to overlook those among us who suffer while we live in practical opulence. This holistic approach to helping the poor goes far beyond donating clothes or money, envisioning a world in which faith-based groups work with businesses, the media, and the government to help end poverty in the world's richest nation. This updated edition includes current statistics, policy recommendations, and discussions

covering everything from welfare reform, changes to Medicare, and the Social Security debate. "Sider's most important book since *Rich Christians in an Age of Hunger*."--Jim Wallis, author, *God's Politics* "Sider knows how to lift up people in need.... [An] important and challenging book."--John Ashcroft, former Attorney General of the United States

Wealth, Virtue, and Moral Luck

Christian Ethics in an Age of Inequality *Georgetown University Press*
In *Wealth, Virtue, and Moral Luck*, Kate Ward addresses the issue of inequality from the perspective of Christian virtue ethics, arguing that our individual life circumstances affect our ability to pursue virtue and showing how

Christians and Christian communities should respond to create a world where it is easier for people to be virtuous.

Productive Christians in an Age of Guilt-manipulators

A Biblical Response to Ronald J. Sider *Inst for Christian Economics*

Social Justice Handbook

Small Steps for a Better World *InterVarsity Press*

2010 Outreach Magazine Resource of the Year award winner: justice category
Every day we are confronted by challenging societal problems, from poverty and institutional racism to AIDS and homelessness. It can all seem so

overwhelming. But while none of us can do everything, all of us can do something. This handbook will help you discover what you can do. Mae Elise Cannon provides a comprehensive resource for Christians like you who are committed to social justice. She presents biblical rationale for justice and explains a variety of Christian approaches to doing justice. Tracing the history of Christians in social engagement, she lifts out role models and examples from the Great Awakenings to the civil rights movement. A wide-ranging catalog of topics and issues give background info about justice issues at home and abroad, such as sex trafficking domestic violence living wage initiatives debt relief environmental stewardship bioethics and much, much more This handbook

includes dozens of practical exercises for taking action, as well as profiles of key figures and movements like William Wilberforce, the Salvation Army and Bono, highlighting how Christians and churches can make a difference. Also included are spiritual practices and resources to help us move from immobility to advocacy. God has always worked through his people to accomplish improbable tasks, and he can use you too. This handbook will be an essential companion for living justly, loving mercy and walking humbly with your God.

The Darkening Age

The Christian Destruction of the Classical World *HarperCollins*

A New York Times Notable Book, winner

of the Jerwood Award from the Royal Society of Literature, a New York Times Book Review Editors' Choice, and named a Book of the Year by the Telegraph, Spectator, Observer, and BBC History Magazine, this bold new history of the rise of Christianity shows how its radical followers helped to annihilate Greek and Roman civilizations. The Darkening Age is the largely unknown story of how a militant religion deliberately attacked and suppressed the teachings of the Classical world, ushering in centuries of unquestioning adherence to "one true faith." Despite the long-held notion that the early Christians were meek and mild, going to their martyrs' deaths singing hymns of love and praise, the truth, as Catherine Nixey reveals, is very different. Far from being meek and mild,

they were violent, ruthless, and fundamentally intolerant. Unlike the polytheistic world, in which the addition of one new religion made no fundamental difference to the old ones, this new ideology stated not only that it was the way, the truth, and the light but that, by extension, every single other way was wrong and had to be destroyed. From the first century to the sixth, those who didn't fall into step with its beliefs were pursued in every possible way: social, legal, financial, and physical. Their altars were upturned and their temples demolished, their statues hacked to pieces, and their priests killed. It was an annihilation. Authoritative, vividly written, and utterly compelling, this is a remarkable debut from a brilliant young historian.

The Scandal of the Evangelical Conscience

Why Are Christians Living Just Like the Rest of the World? *Baker Books*

Recent surveys show that the lives of evangelicals often prove to be no different than nonbelievers. This book offers solutions to the disconnect between Christians' beliefs and day-to-day lives.

A Biblical Study

Rich Christians in an Age of Hunger

Moving from Affluence to Generosity

Thomas Nelson Incorporated

Do you want to make a true difference in the world? Dr. Ron Sider does. He has, since before he first published *Rich Christians in an Age of Hunger* in 1978. Despite a dramatic reduction in world hunger since then, 34,000 children still die daily of starvation and preventable disease, and 1.3 billion people, worldwide, remain in abject poverty. So, the professor of theology went back to re-examine the issues by twenty-first century standards. Finding that Conservatives blame morally reprehensible individual choices, and Liberals blame constrictive social and economic policy, Dr. Sider finds himself agreeing with both sides. In this new look at an age-old problem, he offers not only a detailed explanation of the

causes, but also a comprehensive series of practical solutions, in the hopes that Christians like him will choose to make a difference.

Rich Christians in an Age of Hunger

This revised edition explains to a new generation - in a much changed culture - what can be done about the imbalances of poverty and wealth in our world at the turn of the millennium.

The Graduated Tithe

Neither Poverty nor Riches

A Biblical Theology of Possessions

InterVarsity Press

One of the most difficult questions facing Christians today is that of the proper

attitude toward possessions. What action should we take on behalf of the poor? What should we do with our own possessions? In this NSBT volume, Craig Blomberg asks what the Bible has to say about these issues. Avoiding easy answers, he draws on the Old and New Testaments to seek a comprehensive biblical theology of possessions.

Revelation *Canongate Books*

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

Nonviolent Action

What Christian Ethics Demands but Most Christians Have Never Really Tried *Brazos Press*

There are numerous examples throughout history of effective nonviolent action. Nonviolent protesters defied the Soviet Empire's communist rulers, Gandhi's nonviolent revolution defeated the British Empire, and Martin Luther King Jr.'s peaceful civil-rights crusade changed American history. Recent scholarship shows that nonviolent revolutions against injustice and dictatorship are actually more successful than violent campaigns. In this book, noted theologian and bestselling author Ron Sider argues that the search for peaceful alternatives to

violence is not only a practical necessity in the wake of the twentieth century--the most bloody in human history--but also a moral demand of the Christian faith. He presents compelling examples of how nonviolent action has been practiced in history and in current social-political situations to promote peace and oppose injustice, showing that this path is a successful and viable alternative to violence.

PreachersNSneakers

Authenticity in an Age of For-Profit Faith and (Wannabe) Celebrities

Thomas Nelson

Founder of the phenomenon social media account PreachersNSneakers tackles how faith, capitalism,

consumerism, and (wannabe) celebrity have collided and asks both believers and nonbelievers alike: how much is too much? What started as a joke account on Instagram has turned into a movement. Through this provocative project, the founder of PreachersNSneakers is helping thousands of Jesus followers wrestle with the inevitable dilemmas created by our Western culture obsessed with image and entertainment. In *PreachersNSneakers: Authenticity in an Age of For-Profit Faith and (Wannabe) Celebrities*, Ben Kirby approaches many of the difficult questions plaguing countless Christians' minds, presenting experiences and input from both sides of difficult questions, such as: Should pastors grow wealthy off of religion, and

can their churches ever be too large? Do we really believe that divine blessings are monetary, or is that just religious wallpaper to hide our own greed? Is there space in Christendom for celebrities like Kanye and Bieber to exist without distorting the good news? What about this: Is it wrong for someone—even wrong for author Ben Kirby—to call out faith leaders online and leverage “cancel culture” to affect change? *PreachersNSneakers* will navigate these challenging questions and many more with humor, wit, candor, and a few never-before-published hijinks. Each chapter will explore the various sides of the debate, holding space for us to make up our own minds. This book is not about finding the perfect, “right” way to do something, but instead

learning how to articulate what we believe, why we believe it, and what to do when we want to stand up against cultural norms. This book will doubtlessly become a staple for church small groups, college ministries, and book clubs, emboldening struggling believers who want to live a more genuine faith. After all, the Lord works in mysterious colorways.

Rich Christians in an Age of Hunger - Revisited

When Helping Hurts

How to Alleviate Poverty Without Hurting the Poor . . . and Yourself

Moody Publishers

With more than 300,000 copies in print,

When Helping Hurts is a paradigm-forming contemporary classic on the subject of poverty alleviation. Poverty is much more than simply a lack of material resources, and it takes much more than donations and handouts to solve it. When Helping Hurts shows how some alleviation efforts, failing to consider the complexities of poverty, have actually (and unintentionally) done more harm than good. But it looks ahead. It encourages us to see the dignity in everyone, to empower the materially poor, and to know that we are all uniquely needy—and that God in the gospel is reconciling all things to himself. Focusing on both North American and Majority World contexts, When Helping Hurts provides proven strategies for effective poverty alleviation, catalyzing

the idea that sustainable change comes not from the outside in, but from the inside out.

The Christian Monitors

The Church of England and the Age of Benevolence, 1680-1730 *Yale University Press*

div This original and persuasive book examines the moral and religious revival led by the Church of England before and after the Glorious Revolution, and shows how that revival laid the groundwork for a burgeoning civil society in Britain. After outlining the Church of England's key role in the increase of voluntary, charitable, and religious societies, Brent Sirota examines how these groups drove the modernization of Britain through

such activities as settling immigrants throughout the empire, founding charity schools, distributing devotional literature, and evangelizing and educating merchants, seamen, and slaves throughout the British empire—all leading to what has been termed the “age of benevolence.”/DIV

Medieval Wisdom for Modern Christians

Finding Authentic Faith in a Forgotten Age with C. S. Lewis *Brazos Press*

Many Christians today tend to view the story of medieval faith as a cautionary tale. Too often, they dismiss the Middle Ages as a period of corruption and decay in the church. They seem to assume that

the church apostatized from true Christianity after it gained cultural influence in the time of Constantine, and the faith was only later recovered by the sixteenth-century Reformers or even the eighteenth-century revivalists. As a result, the riches and wisdom of the medieval period have remained largely inaccessible to modern Protestants. Church historian Chris Armstrong helps readers see beyond modern caricatures of the medieval church to the animating Christian spirit of that age. He believes today's church could learn a number of lessons from medieval faith, such as how the gospel speaks to ordinary, embodied human life in this world. *Medieval Wisdom for Modern Christians* explores key ideas, figures, and movements from the Middle Ages in conversation with C.

S. Lewis and other thinkers, helping contemporary Christians discover authentic faith and renewal in a forgotten age.

How to Be Rich

It's Not What You Have. It's What You Do With What You Have.
Zondervan

You probably don't feel rich. Rich is the other guy. Rich is having more than you currently have. But you can be rich and not feel it. And that's the problem. Andy Stanley is convinced that most of us are richer than we think. We just aren't very good at it. It's one thing to BE rich. Andy wants us to be GOOD at it! "How to Be Rich" lays out clear principles for carrying that load, making sure your wealth

remains a blessing not just for you, but for your family and community for generations to come." —DAVE RAMSEY, New York Times bestselling author and radio show host

Just Generosity

A New Vision for Overcoming Poverty in America *Baker Books*

Just Generosity calls Christians to examine their priorities and their pocketbooks in the face of a scandalous tendency to overlook those among us who suffer while we live in practical opulence. This holistic approach to helping the poor goes far beyond donating clothes or money, envisioning a world in which faith-based groups work with businesses, the media, and the

government to help end poverty in the world's richest nation. This updated edition includes current statistics, policy recommendations, and discussions covering everything from welfare reform, changes to Medicare, and the Social Security debate. "Sider's most important book since *Rich Christians in an Age of Hunger*."--Jim Wallis, author, *God's Politics* "Sider knows how to lift up people in need.... [An] important and challenging book."--John Ashcroft, former Attorney General of the United States

Rediscover Church

Why the Body of Christ Is Essential *Crossway*

"A Christian without a church is a Christian in trouble." Since a global

pandemic abruptly closed places of worship, many Christians have skipped church life, even neglecting virtual services. But this was a trend even before COVID-19. Polarizing issues, including political and racial strife, convinced some people to pull away from the church and one another. Now it's time to recommit to gathering as brothers and sisters in Christ. In *Rediscover Church*, Collin Hansen and Jonathan Leeman discuss why church is essential for believers and God's mission. Through biblical references and personal stories, they show readers God's true intention for corporate gathering: to spiritually strengthen members as individuals and the body of Christ. In an age of church-shopping and livestreamed services, rediscover why

the future of the church relies on believers gathering regularly as the family of God. Published in partnership with the Gospel Coalition and 9Marks.

The Spiritual Danger of Donald Trump

30 Evangelical Christians on Justice, Truth, and Moral Integrity *Wipf and Stock Publishers*

What should Christians think about Donald Trump? His policies, his style, his personal life? Thirty evangelical Christians (listed below) wrestle with these tough questions. They are Republicans, Democrats, and Independents. They don't all agree, but they seek to let Christ be the Lord of their political views. They seek to apply

biblical standards to difficult debates about our current political situation. Vast numbers of white evangelicals enthusiastically support Donald Trump. Do biblical standards on truth, justice, life, freedom, and personal integrity warrant or challenge that support? How does that support of President Trump affect the image of Christianity in the larger culture? Around the world? Many younger evangelicals today are rejecting evangelical Christianity, even Christianity itself. To what extent is that because of widespread evangelical support for Donald Trump? Don't read this book to find support for your views. Read it to be challenged--with facts, reason, and biblical principles. With contributions from: Michael W. Austin Randall Balmer Vicki Courtney Daniel

The Second Media Age *John Wiley & Sons*

This book examines the implications of new communication technologies in the light of the most recent work in social and cultural theory and argues that new developments in electronic media, such as the Internet and Virtual Reality, justify

the designation of a "second media age".

The Money Cult

Capitalism, Christianity, and the Unmaking of the American Dream

Melville House

A grand and startling work of American history. America was founded, we're taught in school, by the Pilgrims and other Puritans escaping religious persecution in Europe—an austere and pious lot who established a culture that remained pure and uncorrupted until the Industrial Revolution got in the way. In *The Money Cult*, Chris Lehmann reveals that we have it backward: American capitalism has always been entangled with religion, and so today's megapastors, for example, aren't an

aberration—they're as American as Benjamin Franklin. Tracing American Christianity from John Winthrop to the rise of the Mormon Church and on to the triumph of Joel Osteen, *The Money Cult* is an ambitious work of history from a widely admired journalist. Examining nearly four hundred years of American history, Lehmann reveals how America's religious leaders became less worried about sin and the afterlife and more concerned with the material world, until the social gospel was overtaken by the gospel of wealth. Showing how American Christianity came to accommodate—and eventually embrace—the pursuit of profit, as well as the inescapability of economic inequality, *The Money Cult* is a wide-ranging and revelatory book that will make you rethink what you know

about the form of American capitalism so dominant in the world today, as well as the core tenets of America itself.

If Jesus Is Lord

Loving Our Enemies in an Age of Violence *Baker Academic*

What does Jesus have to say about violence, just war, and killing? Does Jesus ever want his disciples to kill in order to resist evil and promote peace and justice? This book by noted theologian and bestselling author Ronald J. Sider provides a career capstone statement on biblical peacemaking. Sider makes a strong case for the view that Jesus calls his disciples to love, and never kill, their enemies. He explains that there are never only two options: to

kill or to do nothing in the face of tyranny and brutality. There is always a third possibility: vigorous, nonviolent resistance. If we believe that Jesus is Lord, then we disobey him when we set aside what he taught about killing and ignore his command to love our enemies. This thorough, comprehensive treatment of a topic of perennial concern vigorously engages with the just war tradition and issues a challenge to all Christians, especially evangelicals, to engage in biblical peacemaking. The book includes a foreword by Stanley Hauerwas.

Rich Christians in an Age of Hunger

CFL Edition *Family Christian Press*

The Conversion of Scandinavia *Yale University Press*

In this book a MacArthur Award-winning scholar argues for a radically new interpretation of the conversion of Scandinavia from paganism to Christianity in the early Middle Ages. Overturning the received narrative of Europe's military and religious conquest and colonization of the region, Anders Winroth contends that rather than acting as passive recipients, Scandinavians converted to Christianity because it was in individual chieftains' political, economic, and cultural interests to do so. Through a painstaking analysis and historical reconstruction of both archeological and literary sources, and drawing on scholarly work that has been unavailable in English, Winroth opens up

new avenues for studying European ascendancy and the expansion of Christianity in the medieval period.

Both-And

Living the Christ-Centered Life in an Either-Or World *InterVarsity Press*

Rich Nathan and Insoo Kim have got some good news for an either-or world. Walking you through seven impasses in the journey of faith—progress or orthodoxy? unity or diversity? justice or mercy?—the authors show why the life centered in Christ (the God-man) is life in the liberating reality of the both-and.

Your Best Life Now

7 Steps to Living at Your Full

Potential *FaithWords*

In this remarkable New York Times bestseller, Joel Osteen offers unique insights and encouragement that will help readers overcome every obstacle in their lives.

Everything Happens for a Reason**And Other Lies I've Loved** *Random House*

NEW YORK TIMES BESTSELLER • “A meditation on sense-making when there’s no sense to be made, on letting go when we can’t hold on, and on being unafraid even when we’re terrified.”—Lucy Kalanithi “Belongs on the shelf alongside other terrific books about this difficult subject, like Paul Kalanithi’s *When Breath Becomes Air*

and Atul Gawande’s *Being Mortal*.”—Bill Gates NAMED ONE OF THE BEST BOOKS OF THE YEAR BY REAL SIMPLE Kate Bowler is a professor at Duke Divinity School with a modest Christian upbringing, but she specializes in the study of the prosperity gospel, a creed that sees fortune as a blessing from God and misfortune as a mark of God’s disapproval. At thirty-five, everything in her life seems to point toward “blessing.” She is thriving in her job, married to her high school sweetheart, and loves life with her newborn son. Then she is diagnosed with stage IV colon cancer. The prospect of her own mortality forces Kate to realize that she has been tacitly subscribing to the prosperity gospel, living with the conviction that she can control the

shape of her life with “a surge of determination.” Even as this type of Christianity celebrates the American can-do spirit, it implies that if you “can’t do” and succumb to illness or misfortune, you are a failure. Kate is very sick, and no amount of positive thinking will shrink her tumors. What does it mean to die, she wonders, in a society that insists everything happens for a reason? Kate is stripped of this certainty only to discover that without it, life is hard but beautiful in a way it never has been before. Frank and funny, dark and wise, Kate Bowler pulls the reader deeply into her life in an account she populates affectionately with a colorful, often hilarious retinue of friends, megachurch preachers, relatives, and doctors. *Everything Happens for a Reason* tells

her story, offering up her irreverent, hard-won observations on dying and the ways it has taught her to live. Praise for *Everything Happens for a Reason* “I fell hard and fast for Kate Bowler. Her writing is naked, elegant, and gripping—she’s like a Christian Joan Didion. I left Kate’s story feeling more present, more grateful, and a hell of a lot less alone. And what else is art for?”—Glennon Doyle, #1 New York Times bestselling author of *Love Warrior* and president of Together Rising

Christian Hospitality and Muslim Immigration in an Age of Fear Wm. B. Eerdmans Publishing

An alternative, uniquely Christian response to the growing global challenges of deep religious difference In

the last fifty years, millions of Muslims have migrated to Europe and North America. Their arrival has ignited a series of fierce public debates on both sides of the Atlantic about religious freedom and tolerance, terrorism and security, gender and race, and much more. How can Christians best respond to this situation? In this book theologian and ethicist Matthew Kaemingk offers a thought-provoking Christian perspective on the growing debates over Muslim presence in the West. Rejecting both fearful nationalism and romantic multiculturalism, Kaemingk makes the case for a third way—a Christian pluralism that is committed to both the historic Christian faith and the public rights, dignity, and freedom of Islam.

Crazy Love

Overwhelmed by a Relentless God

David C Cook

Revised & Updated Edition! God is love. Crazy, relentless, all-powerful love. Have you ever wondered if we're missing it? It's crazy, if you think about it. The God of the universe—the Creator of nitrogen and pine needles, galaxies and E-minor—loves us with a radical, unconditional, self-sacrificing love. And what is our typical response? We go to church, sing songs, and try not to cuss. Whether you've verbalized it yet or not, we all know something's wrong. Does something deep inside your heart long to break free from the status quo? Are you hungry for an authentic faith that addresses the problems of our world

with tangible, even radical, solutions? God is calling you to a passionate love relationship with Himself. Because the answer to religious complacency isn't working harder at a list of do's and don'ts—it's falling in love with God. And once you encounter His love, as Francis describes it, you will never be the same. Because when you're wildly in love with someone, it changes everything. Religion and the Politics of Tolerance

How Christianity Builds Democracy *Baylor University Press*

Challenging a widespread belief that religious people are politically intolerant,

Marie Ann Eisenstein offers compelling evidence to the contrary. In this surprising and significant book, she thoroughly re-examines previous studies and presents new research to support her argument that there is, in fact, a positive correlation between religious belief and practice and political tolerance in the United States. Eisenstein utilises sophisticated new analytical tools to re-evaluate earlier data and offers persuasive new statistical evidence to support her claim that religiousness and political tolerance do, indeed, mix -- and that religiosity is not the threat to liberal democracy that it is often made out to be.

Migrations of the Holy

**God, State, and the Political
Meaning of the Church** *Wm. B.
Eerdmans Publishing*

Whether one thinks that religion continues to fade or has made a comeback in the contemporary world, there is a common notion that religion went away somewhere, at least in the West. But William Cavanaugh argues that religious fervor never left it has only migrated toward a new object of worship. In *Migrations of the Holy* he examines the disconcerting modern transfer of sacred devotion from the church to the nation-state. In these chapters Cavanaugh cautions readers to be wary of a rigid separation of religion and politics that boxes in the church and sends citizens instead to the state for hope, comfort, and salvation as they

navigate the risks and pains of mortal life. When nationality becomes the primary source of identity and belonging, he warns, the state becomes the god and idol of its own religion, the language of nationalism becomes a liturgy, and devotees willingly sacrifice their lives to serve and defend their country. Cavanaugh urges Christians to resist this form of idolatry, to unthink the inevitability of the nation-state and its dreary party politics, to embrace radical forms of political pluralism that privilege local communities and to cling to an incarnational theology that weaves itself seamlessly and tangibly into all aspects of daily life and culture. William Cavanaugh continues to provide leadership and vision in the field of political theology. He addresses

essential questions about the religious status of the nation-state, the political character of the church, and how the tradition of Christian political thought might be brought to bear upon contemporary politics. . . . Unfolds a theological response to present political conditions and a political response to our theological condition. Luke Bretherton King's College London Another vigorous but distinct voice in the burgeoning conversation about the role of religion generally and the church specifically in political life. . . . Worth a careful read. Robert Benne

The Ransom of the Soul

Afterlife and Wealth in Early Western Christianity *Harvard*

University Press

Peter Brown explores a revolutionary shift in thinking about the fate of the soul between 250 and 650 CE, showing how personal wealth in the pursuit of redemption led Church doctrine concerning the afterlife to evolve from speculation to firm reality. This new relationship to money set the stage for the Church's domination of medieval society.

Through the Eye of a Needle

Wealth, the Fall of Rome, and the Making of Christianity in the West, 350-550 AD *Princeton University Press*

A sweeping intellectual history of the role of wealth in the church in the last days of the Roman Empire Jesus taught

his followers that it is easier for a camel to go through the eye of a needle than for a rich man to enter heaven. Yet by the fall of Rome, the church was becoming rich beyond measure. Through the Eye of a Needle is a sweeping intellectual and social history of the vexing problem of wealth in Christianity in the waning days of the Roman Empire, written by the world's foremost scholar of late antiquity. Peter Brown examines the rise of the church through the lens of money and the challenges it posed to an institution that espoused the virtue of poverty and called avarice the root of all evil. Drawing on the writings of major Christian thinkers such as Augustine, Ambrose, and Jerome, Brown examines the controversies and changing attitudes toward money caused by the influx of

new wealth into church coffers, and describes the spectacular acts of divestment by rich donors and their growing influence in an empire beset with crisis. He shows how the use of wealth for the care of the poor competed with older forms of philanthropy deeply rooted in the Roman world, and sheds light on the ordinary people who gave away their money in hopes of treasure in heaven. Through the Eye of a Needle challenges the widely held notion that Christianity's growing wealth sapped Rome of its ability to resist the barbarian invasions, and offers a fresh perspective on the social history of the church in late antiquity.

The Witch and the Tsar *Penguin*

"A delicate weaving of myth and history,

The Witch and the Tsar breathes new life into stories you think you know."—Hannah Whitten, New York Times bestselling author of *For the Wolf* In this stunning debut novel, the maligned and immortal witch of legend known as Baba Yaga will risk all to save her country and her people from Tsar Ivan the Terrible—and the dangerous gods who seek to drive the twisted hearts of men. As a half-goddess possessing magic, Yaga is used to living on her own, her prior entanglements with mortals having led to heartbreak. She mostly keeps to her hut in the woods, where those in need of healing seek her out, even as they spread rumors about her supposed cruelty and wicked spells. But when her old friend Anastasia—now the wife of the tsar, and suffering from a mysterious

illness—arrives in her forest desperate for her protection, Yaga realizes the fate of all of Russia is tied to Anastasia's. Yaga must step out of the shadows to protect the land she loves. As she travels to Moscow, Yaga witnesses a sixteenth century Russia on the brink of chaos. Tsar Ivan—soon to become Ivan the Terrible—grows more volatile and tyrannical by the day, and Yaga believes the tsaritsa is being poisoned by an unknown enemy. But what Yaga cannot know is that Ivan is being manipulated by powers far older and more fearsome than anyone can imagine. Olesya Salnikova Gilmore weaves a rich tapestry of mythology and Russian history, reclaiming and reinventing the infamous Baba Yaga, and bringing to life a vibrant and tumultuous Russia, where

old gods and new tyrants vie for power. This fierce and compelling novel draws from the timeless lore to create a heroine for the modern day, fighting to save her country and those she loves from oppression while also finding her true purpose as a goddess, a witch, and a woman.
