Sir Gawain and the Green Knight *Penguin UK*

'Tomorrow I must set off to receive that blow, to seek out that creature in green, God help me!' J.R.R. Tolkien spent much of his life studying, translating and teaching the great epic stories of northern Europe, filled with heroes, dragons, trolls, dwarves and magic. He was hugely influential for his advocacy of Beowulf as a great work of literature and, even if he had never written The Hobbit and The Lord of the Rings, would be recognised today as a significant figure in the rediscovery of these extraordinary tales. Legends from the Ancient North brings together from Penguin Classics five of the key works behind Tolkien's fiction. They are startling, brutal, strange pieces of writing, with an elemental power brilliantly preserved in these translations. They plunge the

reader into a world of treachery, quests, chivalry, trials of strength. They are the most ancient narratives that exist from northern Europe and bring us as near as we will ever get to the origins of the magical landscape of Middle-earth (Midgard) which Tolkien remade in the 20th century.

Sir Gawain and the Green Knight - Facing Page Translation *Broadview Press*

The fourteenth-century poem *Sir Gawain and the Green Knight* is one of the greatest classics of English literature, but one of the least accessible to most twentieth-century readers. Written in an obscure dialect, it is far more difficult to digest in the original than are most other late medieval English works. Yet any translation is bound to lose much of the flavour of the original. This edition of the poem offers the original text together with a facing-page translation. With the alliterative Middle English before the reader, James Winny provides a non-alliterative and sensitively literal rendering in modern English. This edition also provides an introduction, explanatory and textual notes, a further note on some words that present particular difficulties, and, in the appendices, two contemporary stories, *The Feast of Bricriu* and *The Knight of the Sword*, which provide insight on the poem.

Chrysanthemum loves her name, until she starts going to school and the other children make fun of it.

Sir Gawain and the Green Knight (A New Verse

Translation) *W. W. Norton & Company*

A poetic translation of the classic Arthurian story is an edition in alliterative language and rhyme of the epic confrontation between a young Round Table hero and a green-clad stranger who compels him to meet his destiny at the Green Chapel. Reprint. 20,000 first printing.

Sir Gawain and the Green Knight, Pearl, Sir Orfeo *Del Rey*

Three masterpieces of medieval poetry, translated by the author of *The Lord of the Rings*—including *Sir Gawain and the Green Knight*, the poem that inspired the major motion picture *The Green Knight* Comparable to the works of Chaucer, *Sir Gawain and the Green Knight*, *Pearl*, and *Sir Orfeo* weave a bright tapestry of stories from a remote age of chivalry and wizards, knights and holy quests—but unlike *The Canterbury Tales*, the name of the poet who wrote them is lost to time. Masterfully translated from the original Middle English by J.R.R. Tolkien, the language of these great poems comes to life for modern readers. At the center of this collection is *Sir Gawain and the Green Knight*, a tale as lush and dark as England's medieval forests. Mixing romance and adventure, *Sir Gawain* follows King Arthur's most noble knight on an adventure of epic enchantment, temptation, and destiny.

Sir Gawain and the Green Knight

Sir Gawain and the Green Knight *Unbound Publishing*

It is New Year at Camelot and a mysterious green knight appears at King Arthur's court. Challenging the knights of the Round Table to a Christmas game, he offers his splendid axe as a prize to whoever is brave enough to behead him with just one strike. The condition is that his challenger must seek him out in a year and a day to have the deed returned. Sir Gawain accepts and decapitates the stranger, only to see him pick up his head, walk out of the hall and ride away on his horse. Now Gawain must complete his part of the bargain, search for his foe and confront what seems his doom... Michael Smith's translation of this magnificent Arthurian romance draws on his intimate experience of the North West of England and his knowledge of mediaeval history, culture and architecture. He takes us back to the original poetic form of the manuscript and brings it alive for a modern audience, while revealing the poem's historic and literary context. The book is beautifully illustrated by throughout with detailed recreations of the illuminated lettering in the original manuscript and the author's own linocut prints, each meticulously researched for contemporary accuracy. This is an exciting new edition that will appeal both to students of the Gawain-poet and the general reader alike.

Sir Gawain and the Green Knight *Oxford University Press, USA*

'The finest translation in and for our time' (Kevin Crossley-Holland) *Sir Gawain and The Green Knight*, with its intricate plot of enchantment and betrayal is probably the most skilfully told story in the whole of the English Arthurian cycle. Originating from

the north-west midlands of England, it is based on two separate and very ancient Celtic motifs of the Beheading and the Exchange of Winnings, brought together by the anonymous 14th century poet. His telling comprehends a great variety of moods and modes - from the stark realism of the hunt-scenes to the delicious and dangerous bedroom encounters between Lady Bercilak and Gawain, from moments of pure lyric beauty when he evokes the English countryside in all its seasons, to authorial asides that are full of irony and puckish humour. This new verse translation uses a modern alliterative pattern which subtly echoes the music of the original at the same time as it strives for fidelity.

Sir Gawain And The Green Knight, Pearl, And Sir Orfeo *HarperCollins*

SIR GAWAIN AND THE GREEN KNIGHT, PEARL, AND SIR ORFEO
THREE MEDIEVAL ENGLISH POEMS, WITH TRANSLATION AND COMMENTARY BY J.R.R. TOLKIEN It's Christmas at Camelot and King Arthur won't begin to feast until he has witnessed a marvel of chivalry. A mysterious knight, green from head to toe, rides in and brings the court's wait to an end with an implausible challenge to the Round Table: he will allow any of the knights to strike him once, with a battle-axe no less, on the condition that he is allowed to return the blow a year hence. Arthur's brave favorite for the challenge is Sir Gawain... Accompanying *Sir Gawain and the Green Knight* in this book are *Sir Orfeo*, a medieval version of the story of Orpheus and Euridice, a love so strong that it overcame death, and *Pearl*, the moving tale of a man in a graveyard mourning his baby daughter, lost like a pearl

that slipped through his fingers. Worn out by grief, he falls asleep and dreams of meeting her in a bejewelled fantasy world. Interpreted in a form designed to appeal to the general reader, J.R.R. Tolkien's vivid translations of these classic poems represent the complete rhyme and alliterative schemes of the originals. This beautifully decorated text includes as a bonus the complete text of Tolkien's acclaimed lecture on Sir Gawain.

Sir Gawain and the Green Knight, Pearl, and Sir Orfeo *Harpercollins Pub Limited*

Three epic poems from 14th century England speak of life during the age of chivalry. Translated from medieval English.

Sir Gawain and the Green Knight *Courier Dover Publications*

While the knights of King Arthur's Round Table are toasting the new year, a colossal stranger clad in green armor bursts in to deliver a formidable challenge: Any of them may strike off the intruder's head as long as he is prepared to receive a similar blow from the Green Knight in one year. Of all the gallant knights in

the assembly, only Sir Gawain—brave, gallant, and true to his word—is willing to answer the dare. So begins this gem of medieval English literature, which traces Gawain's adventures as he endeavors to fulfill his pledge. Dating from the late fourteenth century or earlier, the story blends paganistic elements with Christian ethics to celebrate the virtue of forgiveness, thus forming a classic example of the chivalric tradition. This edition presents the legend in two forms: in prose and in verse, both translated by the distinguished scholar Jessie Weston.

Sir Gawain and the Green Knight *National Geographic Books*

A splendid new translation of the classic Arthurian tale of enchantment, adventure, and romance, presented alongside the original Middle English text. It is the height of Christmas and New Year's revelry when an enormous knight with brilliant green clothes and skin descends upon King Arthur's court. He presents a sinister challenge: he will endure a blow of the axe to his neck without offering any resistance, but whoever gives the blow must promise to take the same in exactly a year and a day's time. The young Sir Gawain quickly rises to the challenge, and the poem tells of the adventures he finds—an almost irresistible seduction, shockingly brutal hunts, and terrifyingly powerful villains—as he endeavors to fulfill his promise. Capturing the pace, impact, and richly alliterative language of the original text, W. S. Merwin has imparted a new immediacy to a spellbinding narrative, written centuries ago by a poet whose name is now unknown, lost to time. Of the Green Knight, Merwin notes in his foreword: "We seem to recognize him—his splendor, the awe that surrounds him, his menace and his grace—without being able to place him .

. . We will never know who the Green Knight is except in our own response to him."

Sir Gawain and the Green Knight *University of Chicago Press*

The classic tale of adventure, romance, and chivalry--now a major motion picture starring Dev Patel! The adventures and challenges of Sir Gawain, King Arthur's nephew and a knight at the Round Table, including his duel with the mysterious Green Knight, are among the oldest and best known of Arthurian stories. Here the distinguished author and poet John Gardner has captured the humor, elegance, and richness of the original Middle English in flowing modern verse translations of this literary masterpiece. Besides the tale of Sir Gawain and the Green Knight, this edition includes two allegorical poems, "Purity" and "Patience"; the beautiful dream allegory "Pearl"; and the miracle story "Saint Erkenwald," all attributed to the same anonymous poet, a contemporary of Chaucer and an artist of the first rank. "Mr. Gardner has translated into modern English and edited a text of these five poems that could hardly be improved. . . . The entire work is preceded by a very fine and complete general introduction and a critical commentary on each poem."—Library Journal

The Works of the Gawain Poet *Penguin UK*

A new volume of the works of the Gawain poet, destined to become the definitive edition for students and scholars. This volume brings together four works of the unknown fourteenth-century poet famous for the Arthurian romance Sir Gawain and the Green Knight, in their original Middle English. In one of the great tales of medieval literature, Gawain, the noblest knight of King Arthur's court, must keep a deadly bargain with a monstrous knight and resist the advances of his host's beautiful wife. The dream vision of Pearl depicts a bereaved father whose lost child leads him to glimpse heaven. And in moral poems based on stories from the Bible, Cleanness warns against sins of the flesh and of desecration, while Patience encourages readers to endure suffering as God's will. Little is known about the so-called 'Gawain poet', who wrote during the late fourteenth century. It is believed that he came from south-east Cheshire, an important cultural and economic centre at the time, and he was clearly well-read in Latin, French and English. Although he is not named as the author of Sir Gawain and the Green Knight, Pearl, Patience, Cleanness, the four works have been attributed to him based on a careful comparison of their language, date and themes. Myra Stokes was formerly Senior Lecturer in the Department of English at Bristol University. Her books include Justice and Mercy in Piers Plowman and The Language of Jane Austen. Ad Putter teaches at the English Department and the Centre for Medieval Studies of the University of Bristol, where is Professor of Medieval English Literature. His monographs include Sir Gawain and the Green

Knight and French Arthurian Romance and An Introduction to the Gawain Poet, and he is also co-editor of The Cambridge Companion to the Arthurian Legend.

CliffsNotes Sir Gawain and The Green Knight *Cliffs Notes*

This Middle-English poem about the moral testing of a young hero is commonly described as the greatest Arthurian romance in our literary tradition. It is a question still as to who the author is, but this poet is considered second only to Chaucer.

Sir Gawain and the Green Knight *Read Books Ltd*

The legendary tale of King Arthur and his Knights of the Round Table is one of the most famous folk tales in history, with Merlin the Wizard and the virtuous Sir Lancelot being known and loved by young and old alike to this day. Slightly less celebrated, however, is The Green Knight, who first appeared in the 14th-century Arthurian poem "Sir Gawain and the Green Knight". One of Arthur's greatest champions, he is both a judge and tester of knights, looked upon by his peers as an amiable yet terrifying and mysterious personage. One of the best known Arthurian stories, it is a classic example of chivalric romance within which The Green Knight goes on a quest that tests his prowess, virtue, and determination in the face of great danger. The poem is written in stanzas of alliterative verse which all end in a rhyming bob and wheel, and is attributed to the unidentified "Pearl Poet".

This volume contains the original text together with an English translation by William Allan Neilson, making it a must-have for those with an interest in the famous Arthurian legend. Ragged Hand is proudly republishing this classic Arthurian poem now in a brand new edition complete with an introduction by K. G. T. Webster.

THE INSPIRATION FOR THE UPCOMING MAJOR MOTION PICTURE THE GREEN KNIGHT—STARRING DEV PATEL An epic poem of honor and bravery written by an anonymous fourteenth-century poet, Sir Gawain and the Green Knight is recognized as an equal of Chaucer's masterworks and of the great Old English poems, including Beowulf. It is Christmas in Camelot, and a truly royal feast has been laid out for King Arthur and his knights. And though there is plenty of good cheer to go around, the festivities hardly begin before a monstrous, axe-wielding, green-skinned knight barges in. He has come to see the famous Knights of the Round Table and offer them a simple but deadly challenge—a challenge taken on by the brave Sir Gawain—a challenge that will

force him to choose between his honor and his life.... Includes a Preface by Burton Raffel an Introduction by Brenda Webster and an Afterword by Neil D. Isaacs

Sir Gawain and the Green Knight

A modernization of Sir Gawain and the Green Knight

The Gawain Poet *W. W. Norton*

Of the five poems contained in this book, two are acknowledged masterpieces. The plot of Sir Gawain and the Green Knight, an Arthurian romance, brilliantly interweaves elements of suspense and high comedy. Pearl, a dream vision, presents its poignant story of the education of a misguided Christian soul in metrically intricate and verbally ornate stanzas that add up to an overarching numerical design. Together with these two, Patience, Cleanness, and Saint Erkenwald make up the complete works of their anonymous author. All exhibit the dramatizing powers and metrical virtuosity of a master-poet. But none became part of the established literary canon until the second half of the nineteenth century, when the single manuscript copies in which they survive were edited and printed. Taken together, these works offer us a wide-ranging portrait of life in the late Middle Ages from the point of view of an independent-minded, learned, and cosmopolitan Englishman, a man as conversant with the conduct of life in great households as with Christian tradition and doctrine. He knew, among other things, how to sail a medieval passenger ship from its mooring to open sea, how to dress the carcass of a deer or a boar at the end of a royal hunt, and how a knight might flatter a noble and beautiful lady in the most intimate of situations while politely evading her seductive overtures.

Sir Gawain and the Green Knight and French Arthurian Romance *Oxford University Press on Demand*

This is an innovative and original exploration of the connections between Sir Gawain and the Green Knight, one of the most well-known works of medieval English literature, and the tradition of French Arthurian romance, best-known through the works of Chretien de Troyes two centuries earlier. The book compares Gawain with a wide range of French Arthurian romances, exploring their recurrent structural patterns and motifs, their ethical orientation and the social context in which they were produced. It presents a wealth of new sources and analogues, which reveal and illuminate the Gawain-poet's sophisticated

literary and moral understanding of the conventions of Arthurian romance. Throughout, Ad Putter pays close attention to the ways in which the modes of representation in romance are related to social and historical contexts. Focusing on the importance of conscience, courtliness, and self-restraint in Arthurian romance, this book explores the ways in which literati such as Chretien de Troyes and the Gawain-poet adapted chivalric ideals to the changing times.
