If you love nature, you should enjoy nature walks around the countryside and explore the wide-ranging options it offers. 12. Lake District. Photo Source: Heartofthelakes.co.uk

15 Of The Beautiful English Countryside Destinations

However, living in the countryside is much more different than that of the city. Most of the people from the cities are moving out to the small towns due to loud noise, pollution and scarcity of space after their retirement. The countryside is not only beautiful to live, but living can be much less expensive than the cities.

Disadvantages of Village Life or Living in the Countryside

The key difference between countryside and city is that the countryside refers to the geographical area that is located outside of towns and cities whereas the city refers to a large human settlement which is bigger than a town or village. Furthermore, the life in a countryside is peaceful and calm whereas a city life is fast-paced and busy.

Town and Countryside building and groundwork specialists

The countryside is generally quiet and peaceful -- certainly not as contaminated with toxic pollutants as the city. There isn't as much traffic or smog or pollution from industry. Ecologically speaking, the advantages to living in the country include eating locally grown food; less pollution because cars are

not idling in traffic as happens in the city; and land on which to grow your own food and raise your own animals.
