A Portfolio to Assess Clinical Competencies, Assist ...

A successful Specialist Portfolio is evidence of broad training. I have performed several microbiology specialist examinations and during pre-examination discussions with the training officer and candidate, I explain to them that the level of knowledge I am looking for is an experienced band 6 person -someone that support workers, trainees and new band 5 staff can go to for advice.

The big question: “Should a Specialist Diploma be ...

In today's healthcare setting a professional portfolio is often a standard requirement. Completing the portfolio is a collaborative process between the trainee and the laboratory training officer, whose responsibility it is to ensure that the delivery of training, assessment of competence, and verification of knowledge and skill against each individual standard is signed off.

IBMS Registration Portfolio Workshop | University of ...

Band 6 candidates must be HCPC registered and have completed an IBMS specialist portfolio in Blood Sciences, Haematology or Clinical Chemistry (or

equivalent). Candidates who are HCPC registered but do not yet possess their Specialist Portfolio would be placed on Band 6, Annex 21. Candidates graduating with HCPC this year are encouraged to apply.

NHS Scotland | Jobs | Search here for your perfect career

ANPs have seen a number of benefits to producing a portfolio, including a clear articulation of roles to non-clinical staff, regulation and protection of the public through clinical governance, ensuring vicarious liability and a demonstration of competence to reassure medical colleagues and other health professionals.

Developing a portfolio for advanced

practice | Nursing Times

Scholes et al (2004) define a portfolio as something that: “captures learning from experience, enables an assessor to measure student learning, acts as a tool for reflective thinking, illustrates critical analysis skills and evidence of self directed learning and provides a collection of detailed evidence of a person’s competence.”

How to compile a professional portfolio 1: aims and ...

I’m a Product Specialist in the Field Applications team at Roche Diagnostics UK providing support to users of our clinical chemistry products. I have a history of working in the field of clinical biochemistry in the NHS, developing skills in statistical quality control, staff
