By attentively chronicling the conditions of human life today, Walker shows, as ever, her deep compassion, profound spirituality, and necessary political commitments. The poems in The World Will Follow Joy remind us of our human capacity to come together and take action, even in our troubled political times. “Her spirituality, concern for human rights, and almost old-fashioned, determined joyousness run deep and her devoted readers will want to follow her as she turns ‘madness into flowers’” (Library Journal).

After her family suffers a tragedy, nine-year-old Alice Hart is forced to leave her idyllic seaside home. She is taken in by her grandmother, June, a flower farmer who raises Alice on the language of Australian native flowers, a way to say the things that are too hard to speak. Under the watchful eye of June and the women who run the farm, Alice settles, but grows up increasingly frustrated by how little she knows of her family’s story. In her early twenties, Alice’s life is thrown into upheaval again when she suffers devastating betrayal and loss. Desperate to outrun grief, Alice flees to the dramatically beautiful central Australian desert. In this otherworldly landscape Alice thinks she has found solace, until she meets a charismatic and ultimately dangerous man. Spanning two decades, set between sugar cane fields by the sea, a native Australian flower farm, and a celestial crater in the central desert, The Lost Flowers of Alice Hart follows Alice’s unforgettable journey, as she learns that the most powerful story she will ever possess is her own.

The Color Purple *Open Road Media*

Winner of the Pulitzer Prize and the National Book Award, this novel about a resilient and courageous woman has become a Broadway show and a cultural phenomenon. She strives to protect her sister, Nettie, from a similar fate, and while Nettie escapes to a new life as a missionary in Africa, Celie is left behind without her best friend and confidante, married off to an older suitor, and sentenced to a life alone with a harsh and brutal husband. In an attempt to transcend a life that often seems too much to bear, Celie begins writing letters directly to God. The letters, spanning

twenty years, record a journey of self-discovery and empowerment guided by the light of a few strong women. She meets Shug Avery, her husband’s mistress and a jazz singer with a zest for life, and her stepson’s wife, Sophia, who challenges her to fight for independence. And though the many letters from Celie’s sister are hidden by her husband, Nettie’s unwavering support will prove to be the most breathtaking of all. The Color Purple has sold more than five million copies, inspired an Academy Award-nominated film starring Oprah Winfrey and directed by Steven Spielberg, and been adapted into a Tony-nominated Broadway musical. Lauded as a literary masterpiece, this is the groundbreaking novel that placed Walker “in the company of Faulkner” (The Nation), and remains a wrenching—yet intensely uplifting—experience for new generations of readers. Insurrections

Stories *University Press of Kentucky*

A suicidal father looks to an older neighbor -- and the Cookie Monster -- for salvation and sanctuary as his life begins to unravel. A man seeking to save his estranged, drug-addicted brother from the city's underbelly confronts his own mortality. A chess match between a girl and her father turns into a master class about life, self-realization, and pride: "Now hold on little girl.... Chess is like real life. The white pieces go first so they got an advantage over the black pieces." These are just a few glimpses into the world of the residents of the fictional town of Cross River, Maryland, a largely black settlement founded in 1807 after the only successful slave revolt in the United States. Raw, edgy, and unrelenting yet infused with forgiveness, redemption, and humor, the stories in this collection explore characters suffering the quiet tragedies of everyday life and fighting for survival. In Insurrections, Rion Amilcar Scott's lyrical prose authentically portrays individuals growing up and growing old in an African American community. Writing with a delivery and dialect that are intense and unapologetically current, Scott presents characters who dare to make their own choices -- choices of kindness or cruelty -- in the depths of darkness and hopelessness. Although Cross River's residents may be halted or deterred in their search for fulfillment, their spirits remain resilient -- always evolving and constantly moving.

The Temple of My Familiar *Open Road Media*

The Pulitzer Prize-winning author of The Color Purple weaves a “glorious and iridescent” tapestry of interrelated lives in this New York Times bestseller (Library Journal). In The Temple of My Familiar, Celie and Shug from The Color Purple subtly shadow the lives of dozens of characters, all dealing in some way with the legacy of the African experience in America. From recent African immigrants, to a woman who grew up in the mixed-race rainforest communities of South America, to Celie’s own granddaughter living in modern-day San Francisco, all must come to understand the brutal stories of their ancestors to come to terms with their own troubled lives. As Walker follows these astonishing characters, she weaves a new mythology from old fables and history, a profoundly spiritual explanation for centuries of shared African-American experience. This ebook features an illustrated biography of Alice Walker including rare photos from the author’s personal collection. The Temple of My Familiar is the 2nd book in the Color Purple Collection, which also includes The Color Purple and Possessing the Secret of Joy.

Hard Times Require Furious Dancing

New Poems *New World Library*

"I was born to grow, / alongside my garden of plants, / poems / like / this one“ So writes Alice Walker in this new book of poems, poems composed over the course of one year in response to joy and sorrow both personal and global: the death of loved ones, war, the deliciousness of love, environmental devastation, the sorrow of rejection, greed, poverty, and the sweetness of home. The poems embrace our connections while celebrating the joy of individuality, the power we each share to express our truest, deepest selves. Beloved for her ability to speak her own truth in ways that speak for and about countless others, she demonstrates that we are stronger than our circumstances. As she confronts personal and collective challenges, her words dance, sing, and heal.

Our Lady of the Flowers *Open Road + Grove/Atlantic*

The shattering novel of underground life the New York Times called “a cry of rapture and horror . . . the purest lyrical genius.” Jean Genet’s debut novel Our Lady of the Flowers, which is often considered to be his masterpiece, was written entirely in the solitude of a prison cell. A semi-autobiographical account of one man’s journey through the Paris demi-monde, dubbed “the epic of masturbation” by no less a figure than Jean-Paul Sartre, the novel’s exceptional value lies in its exquisite ambiguity.

Gathering Blossoms Under Fire

The Journals of Alice Walker, 1965-2000 *Simon and Schuster*

From National Book Award and Pulitzer Prize-winning author Alice Walker and edited by critic and writer Valerie Boyd, comes an unprecedented compilation of Walker’s fifty years of journals drawing an intimate portrait of her development over five decades as an artist, human rights and women’s activist, and intellectual. For the first time, the edited journals of Alice Walker are gathered together to reflect the complex, passionate, talented, and acclaimed Pulitzer Prize winner of The Color Purple. She intimately explores her thoughts and feelings as a woman, a writer, an African-American, a wife, a daughter, a mother, a lover, a sister, a friend, a citizen of the world. In an unvarnished and singular voice, she explores an astonishing array of events: marching in Mississippi with other foot soldiers of the Civil Rights Movement, led by Martin Luther King, Jr.; her marriage to a Jewish lawyer, defying laws that barred interracial marriage in the 1960s South; an early miscarriage; writing her first novel; the trials and triumphs of the Women’s Movement; erotic encounters and enduring relationships; the ancestral visits that led her to write The Color Purple; winning the Pulitzer Prize; being admired and maligned, sometimes in equal measure, for her work and her activism; and burying her mother. A powerful blend of Walker’s personal life with political events, this revealing collection offers rare insight into a literary legend.

Of Leaf and Flower

Stories and Poems for Gardeners

Winner of the 2002 Garden Writers Association of America's Garden Globe Award for Illustration. A literary anthology that summons up the profound passions and wild obsessions of gardening. The answers to many gardening questions can be found in how-to manuals and essays, but who can fathom the passions behind the obsession? Why do we get down on our hands and knees in the mud in March or return to the garden for one last look before dark? Only the storytellers and poets can tell us. The twelve short stories and twelve poems collected here celebrate the irresistible emotions that plants inspire. A beautiful flower arouses the desire to possess in "The Lily" by H. E. Bates and "The Fable of the Rhododendron Stealers" by Sylvia Plath. In William Saroyan's "The Pomegranate Trees" a man plants fruit trees from his native Armenia and then goes to extremes to keep them alive in the California desert. Robert Graves's humorous story, "Earth to Earth," is set during the Second World War and reveals the secret ingredient in uniquely potent compost; and in Billy Collins's "Bonsai" a miniature tree changes our perspective on the whole world. Also included are Mary Austin, Kate Chopin, Amy Clampitt, Eugenia Collier, Mark Doty, Robert Frost, O. Henry, Josephine Jacobsen, Sarah Orne Jewett, Howard Nemerov, Kathleen Raine, Christopher Reid, Saki, James Schuyler, John Updike, Arturo Vivante, Alice Walker, William Carlos Williams, and Cynthia Zarin. Twelve elegant black-and-white sumi paintings of plants by Clyde Wachsberger enhance the collection. There is no better way to cultivate a gardener's passions during the long winter months than through this beautiful and moving book. 12 black and white illustrations, preface, biographical notes.

An Episode of War *Harper Collins*

Though best known for The Red Badge of Courage, his classic novel of men at war, in his tragically brief life and career Stephen Crane produced a wealth of stories—among them "The Monster," "The Upturned Face," "The Open Boat," and the title story—that stand among the most acclaimed and enduring in the history of American fiction. This superb volume collects stories of unique power and variety in which impressionistic, hallucinatory, and realistic situations alike are brilliantly conveyed through the cold, sometimes brutal irony of Crane's narrative voice.

Now Is the Time to Open Your Heart

A Novel *Random House*

The Pulitzer Prize-winning author of The Color Purple, Possessing the Secret of Joy, and The Temple of My Familiar now gives us a beautiful new novel that is at once a deeply moving personal story and a powerful spiritual journey. In Now Is the Time to Open Your Heart, Alice Walker has created a work that ranks among her finest achievements: the story of a woman’s spiritual adventure that becomes a passage through time, a quest for self, and a collision with love. Kate has always been a wanderer. A well-published author, married many times, she has lived a life rich with explorations of the natural world and the human soul. Now, at fifty-seven, she leaves her lover, Yolo, to embark on a new excursion, one that begins on the Colorado River, proceeds through the past, and flows, inexorably, into the future. As Yolo begins his own parallel voyage, Kate encounters celibates and lovers, shamans and snakes, memories of family disaster and marital discord, and emerges at a place where nothing remains but love. Told with the accessible style and deep feeling that are its author’s hallmarks, Now Is the Time to Open Your Heart is Alice Walker’s most surprising achievement.

Read Until You Understand: The Profound Wisdom of Black Life and Literature *W. W. Norton & Company*

A brilliant scholar imparts the lessons bequeathed by the Black community and its remarkable artists and thinkers. Farah Jasmine Griffin has taken to her heart the phrase "read until you understand," a line her father, who died when she was nine, wrote in a note to her. She has made it central to this book about love of the majestic power of words and love of the magnificence of Black life. Griffin has spent years rooted in the culture of Black genius and the legacy of books that her father left her. A beloved professor, she has devoted herself to passing these works and their wisdom on to generations of students. Here, she shares a lifetime of discoveries: the ideas that inspired the stunning oratory of Frederick Douglass and Malcolm X, the soulful music of Marvin Gaye and Stevie Wonder, the daring literature of Phillis Wheatley and Toni Morrison, the inventive artistry of Romare Bearden, and many more. Exploring these works through such themes as justice, rage, self-determination, beauty, joy, and mercy allows her to move from her aunt's love of yellow roses to Gil Scott-Heron's "Winter in America." Griffin entwines memoir, history, and art while she keeps her finger on the pulse of the present, asking us to grapple with the continuing struggle for Black freedom and the ongoing project that is American democracy. She challenges us to reckon with our commitment to all the nation's inhabitants and our responsibilities to all humanity.

This gorgeous collection gathers Alice Walker's wide-ranging meditations—many of them previously unpublished—on our intertwined personal, spiritual, and political destinies. For the millions of her devoted fans, and for readers of Walker's bestselling 2006 book, *We Are the Ones We Have Been Waiting For*, here is a brand new "gift of words" that invites readers on a journey of political awakening and spiritual insight. The Cushion in the Road finds the Pulitzer Prize-winning novelist, poet, essayist, and activist at the height of her literary powers, sharing fresh vantages and a deepening engagement with our world. Walker writes that "we are beyond a rigid category of color, sex, or spirituality if we are truly alive," and the pieces in *The Cushion in the Road* illustrate this idea beautifully. Visiting themes she has addressed throughout her career—including racism, Africa, Palestinian solidarity, and Cuba—as well as addressing emergent issues, such as the presidency of Barack Obama on health care, Walker explores her conflicting impulses to retreat into inner contemplation and to remain deeply engaged with the world. My Garden (Book) *Farrar, Straus and Giroux*

One of our finest writers on one of her greatest loves. Jamaica Kincaid's first garden in Vermont was a plot in the middle of her front lawn. There, to the consternation of more experienced friends, she planted only seeds of the flowers she liked best. In *My Garden (Book)* she gathers all she loves about gardening and plants, and examines it generously, passionately, and with sharp, idiosyncratic discrimination. Kincaid's affections are matched in intensity only by her dislikes. She loves spring and summer but cannot bring herself to love winter, for it hides the garden. She adores the rhododendron Jane Grant, and appreciates ordinary Blue Lake string beans, but abhors the Asiatic lily. The sources of her inspiration -- seed catalogues, the gardener Gertrude Jekyll, gardens like Monet's at Giverny -- are subjected to intense scrutiny. She also examines the idea of the garden on Antigua, where she grew up. *My Garden (Book)* is an intimate, playful, and penetrating book on gardens, the plants that fill them, and the persons who tend them.

Man V. Nature

Stories *Harper Collins*

"Astonishing. . . . The stories are surreal, with the sharpest edge and in one way or another, each story reveals something raw and powerful about being human in a world where so little is in our control." — Roxane Gay A refreshingly imaginative, daring debut collection of stories which illuminates with audacious wit the complexity of human behavior, as seen through the lens of the natural world. Told with perfect rhythm and unyielding brutality, these stories expose unsuspecting men and women to the realities of nature, the primal instincts of man, and the dark humor and heartbreak of our struggle to not only thrive, but survive. In "Girl on Girl," a high school freshman goes to disturbing lengths to help an old friend. An insatiable temptress pursues the one man she can't have in "Meteorologist Dave Santana." And in the title story, a long fraught friendship comes undone when three buddies get impossibly lost on a lake it is impossible to get lost on. In Diane Cook's perilous worlds, the quotidian surface conceals an unexpected surreality that illuminates different facets of our curious, troubling, and bewildering behavior. Other stories explore situations pulled directly from the wild, imposing on human lives the danger, tension, and precariousness of the natural world: a pack of not-needed boys take refuge in a murky forest and compete against each other for their next meal; an alpha male is pursued through city streets by murderous rivals and desirous

women; helpless newborns are snatched by a man who stalks them from their suburban yards. Through these characters Cook asks: What is at the root of our most heartless, selfish impulses? Why are people drawn together in such messy, complicated, needful ways? When the unexpected intrudes upon the routine, what do we discover about ourselves? As entertaining as it is dangerous, this accomplished collection explores the boundary between the wild and the civilized, where nature acts as a catalyst for human drama and lays bare our vulnerabilities, fears, and desires.

Possessing the Secret of Joy *Open Road Media*

An American woman struggles with the genital mutilation she endured as a child in Africa in a New York Times bestseller “as compelling as *The Color Purple*” (San Francisco Chronicle). In Tashi’s tribe, the Olinka, young girls undergo female genital mutilation as an initiation into the community. Tashi manages to avoid this fate at first, but when pressed by tribal leaders, she submits. Years later, married and living in America as Evelyn Johnson, Tashi’s inner pain emerges. As she questions why such a terrifying, disfiguring sacrifice was required, she sorts through the many levels of subjugation with which she’s been burdened over the years.
