The Outcast

A Novel *Harper Collins*

A mesmerizing portrait of 1950s hypocrisy and unexpected love, from a powerful new voice It is 1957, and Lewis Aldridge, straight out of prison, is journeying back to his home in Waterford, a suburban town outside London. He is nineteen years old, and his return will have dramatic consequences not just for his family, but for the whole community. A decade earlier, his father's homecoming has a very different effect. The war is over and Gilbert has been demobilized. He reverts easily to suburban life—cocktails at six-thirty, church on Sundays—but his wife and young son resist the stuffy routine. Lewis and his mother escape to the woods

for picnics, just as they did in wartime days. Nobody is surprised that Gilbert's wife counters convention, but they are all shocked when, after one of their jaunts, Lewis comes back without her. Not far away, Kit Carmichael keeps watch. She has always understood more than most, not least from what she is dealt by her own father's hand. Lewis's grief and burgeoning rage are all too plain, and Kit makes a private vow to help. But in her attempts to set them both free, she fails to foresee the painful and horrifying secrets that must first be forced into the open. In this brilliant debut, Sadie Jones tells the story of a boy who refuses to accept the polite lies of a tightly

knit community that rejects love in favor of appearances. Written with nail-biting suspense and cinematic pacing, *The Outcast* is an emotionally powerful evocation of postwar provincial English society and a remarkably uplifting testament to the redemptive powers of love and understanding.

The Outcast *Random House*

1957, and Lewis Aldridge is travelling back to his home in the South of England. He is straight out of jail and nineteen years old. His return will trigger the implosion not just of his family, but of a whole community. A decade earlier, his father's homecoming casts a different shape.

The war is over and Gilbert has recently been demobbed. He reverts easily to suburban life - cocktails at six thirty, church on Sundays - but his wife and young son resist the stuffy routine. Lewis and his mother escape to the woods for picnics, just as they did in wartime days. Nobody is surprised that Gilbert's wife counters convention, but they are all shocked when, after one of their jaunts, Lewis comes back without her. Not far away, Kit Carmichael keeps watch. She has always understood more than most, not least from what she has been dealt by her own father's hand. Lewis's grief and burgeoning rage are all too plain, and Kit makes a

private vow to help. But in her attempts to set them both free, she fails to predict the painful and horrifying secrets that must first be forced into the open. As menacing as it is beautiful, *The Outcast* is a devastating portrait of small-town hypocrisy from an astonishing new voice.

The Outcast *Vintage Canada*

The village was asleep, with all the people behind the walls and through the windows and up the stairs of the little houses blind and deaf in their beds while anything might happen. Lewis headed down the middle of the road and he kept falling and had to remember to get back on his feet. He reached the churchyard and

stood in the dark with the church even darker above him. –from *The Outcast* by Sadie Jones It's 1957. Nineteen-year-old Lewis Aldridge is returning by train to his home in Waterford where he has just served a two-year prison term for a crime that shocked the sleepy Surrey community. Wearing a new suit, he carries money his father Gilbert sent — to keep him away, he suspects — and a straight razor. No one greets him at the station. Twelve years earlier, seven-year-old Lewis and his spirited mother Elizabeth are on the same train, bringing Gilbert home from war. Waterford is experiencing many such reunions, alcohol lubricating awkward homecomings and

community gatherings. The most oppressive of these are the mandatory holiday parties hosted by the town's leading industrialist Dicky Carmichael, Gilbert's employer. With the Carmichael estate backing onto the Aldridge property, the attractive and popular Tamsin Carmichael and her precocious kid sister Kit are Lewis's playmates, along with a gaggle of neighbourhood boys who (like Lewis) are fascinated by Tamsin. The children play thrilling and cruel games, mirroring the adults' inebriated dysfunction. Though pleased to be reunited with Elizabeth, Gilbert is appalled by the coddling his son has received in his absence. No longer

permitted to skip church for picnics by the river, Elizabeth and Lewis are steered back under the ever-judgmental gaze of Waterford society. Lewis continues to flourish, a naturally capable golden child. But iconoclastic Elizabeth, disappointed by Gilbert's insistence on conformity, seeks refuge in the bottle. Then a sunny riverside picnic ends with Elizabeth dead and ten-year-old Lewis the only witness. A shattered Gilbert is incapable of providing comfort to his young son and the community of Waterford turns away from the traumatized child, now rendered a pariah by tragedy. Lewis is sent to boarding school, summoned home only for holidays. Gilbert remarries five months later to Alice, a compliant beauty who is not up to the task of parenting a damaged child. Years pass and Lewis, now a troubled teenager, is lost in dangerous and self-harming behaviours. When an incident with a local bully causes Lewis to be even further estranged from the community, Gilbert and Alice stand idly by as Lewis is tormented by the tyrannical Dicky. Enraged, Lewis commits a shocking crime against the whole of Waterford and is sent to prison. Two years later, upon his shamed return, the town continues to treat Lewis as an outcast. Only Tamsin's little sister Kit, now a young woman, sees in him the golden boy he once was. She had become

infatuated with Lewis years earlier when he had casually protected her from bullies and broken bicycle chains. But she now faces a much darker and more dangerous sort of bullying at the hands of her father. It is up to Lewis once again to rescue her, redeeming himself through tremendous courage and terrible sacrifice. And perhaps Kit holds the power to rescue him, too. Winner of the Costa First Novel Award and a finalist for the prestigious Orange Prize, Sadie Jones's *The Outcast* introduces us to a clear and brave new voice in British fiction. The novel is a clarion call to us all, daring us to stand up to the bullies of our world, in whatever form they may take and — above all else —

to love our children.

The Uninvited Guests *Knopf Canada*

It's rural England, just after the turn of the last century. Charlotte married Edward Shift after the sudden death of her first husband, Horace Torrington. They live at Sterne, the home they are in danger of losing due to a financial crisis, with Charlotte's 3 children: Emerald, Clovis and Smudge. On the day of Emerald's birthday party, a terrible train wreck occurs on a branch line and the stranded passengers seek refuge at Sterne. Among these passengers is Charlie Traversham-Beechers, a sketchy figure from Charlotte's past. This unusual guest list makes for an unforgettable birthday

celebration for Emerald and an evening of the past literally coming back to haunt Charlotte.

Small Wars *Knopf Canada*

Sadie Jones, the award-winning and internationally bestselling author of *The Outcast*, returns with an ambitious, richly imagined novel that confirms her place in the literary firmament. A passionate and beautifully written tale of personal loss in the midst of war in late 1950s Cyprus, *Small Wars* raises important questions that are just as relevant today. What happens when everything a man believes in — the army, his country, his marriage — begins to crumble? Hal Treherne

is a young British soldier on the brink of a brilliant career. Transferred to Cyprus to defend the colony, Hal takes his wife, Clara, and their daughters with him. But Hal is pulled into atrocities that take him further from Clara, a betrayal that is only one part of a shocking personal crisis to come. *Small Wars* is a searing, unforgettable novel from a writer at the height of her powers.

Fallout

A Novel *Harper Collins*
Sadie Jones, the award winning, bestselling author of *The Uninvited Guests* and *The Outcast*, explores the theater of love, the politics of theater, and the love of writing in this deeply romantic

story about a young playwright in 1970s London. Leaving behind an emotionally disastrous childhood in a provincial northern town, budding playwright Luke Kanowski begins a new life in London that includes Paul Driscoll, an aspiring producer who will become his best friend, and Leigh Radley, Paul's girlfriend. Talented and ambitious, the trio found a small theater company that enjoys unexpected early success. Then, one fateful evening, Luke meets Nina Jacobs, a dynamic and emotionally damaged actress he cannot forget, even after she drifts into a marriage with a manipulative theater producer. As Luke becomes a highly sought after

playwright, he stumbles in love, caught in two triangles where love requited and unrequited, friendship, and art will clash with terrible consequences for all involved. *Fallout* is an elegantly crafted novel whose characters struggle to escape the various cataclysms of their respective pasts. Falling in love convinces us we are the pawns of the gods; *Fallout* brings us firmly into the psyche of romantic love—its sickness and its ecstasy.

The Snakes

A Novel *HarperCollins*

"The Snakes is many things—a parable and an ancient drama where a father's greed devours his children, a police procedural, an

avid take on tabloid venality, and a bitter comedy, superbly observed, where behind a woman's eyes she is 'all movement inside herself, like a wasp in a glass.' I admit that I'm still shaken by parts of this novel. Sadie Jones writes with pitiless aplomb and corrosive intelligence."—Louise Erdrich A chilling page-turner and impossible to put down, THE SNAKES is Sadie Jones at her best: breathtakingly powerful, brilliantly incisive, and utterly devastating. The new novel by Sadie Jones tells the tense and violent story of the Adamsons, a dysfunctional English family, with exceptional wealth, whose darkest secrets come back to bite them. Set mostly in rural France during contemporary times, THE SNAKES is an all-consuming read and a devastating portrait of how money corrupts, and how chance can deal a deadly hand. THE SNAKES exposes the damage wreaked by parents on children as observed by a new member of the family, Dan, a mixed-race man from Peckham who marries Bea, the daughter who refuses to take any of her father's filthy money. But when Bea's brother Alex (who runs a shabby hotel in Paligny, France) dies suddenly in unexplained circumstances, the confusion and suspicion which arise bring other dark family secrets—and violence—to the

surface. And none of the family, even the good members, go untouched.

Amy and Lan

A Novel *Harper*

The author of the highly acclaimed, bestselling novel *The Uninvited* Guests returns with a captivating coming of age story told by Amy and Lan, two children whose journey from innocence to moving experience is shaped by their families' attempt at the pastoral dream on a farm, deep in the English countryside. "The very first thing I remember is standing on the water-butt in the garden, with my Mum holding me to stop me falling, singing 'I'm On Top of the World' , and the smell of the new

wood in the hot sun. And something do with Mum's silver necklace. Amy doesn't remember any of that. Her very first memory is our wolfhound Ivan knocking her over in a puddle. Or it might be eating a boiled egg, and looking at the daisies on her kitchen tablecloth." Amy Connell and Lan Honey are having the best childhood ever. They live on a 78-acre farm in the South West of England, with sisters and brothers, other kids, chickens, goats, three dogs, and even a calf, called Gabriella Christmas. "Honeys in the Farmhouse, Connells in the Cowhouse, Hodges in the Carhouse . . ." The three sets of parents are best friends who came to Frith from the city, and are learning,

year after year, how to farm the land. Free and unsupervised, Amy and Lan play with axes and climb on haystacks, but there is grownup danger at Frith they don't see. It's Gail, Lan's mother, and Adam, Amy's father who should be more careful. They should learn what kids know: never to play with fire.

The Book and the Brotherhood *Penguin*

A story about love and friendship and Marxism. Many years ago Gerard Hernshaw and his friends

"commissioned" one of their number to write a political book. Time passes and opinions change. "Why should we go on supporting a book which we detest?" Rose Curtland asks. "The brotherhood of Western intellectuals versus the book of history," Jenkin Riderhood suggests. The theft of a wife further embroils the situation. Moral indignation must be separated from political disagreement. Tamar Hernshaw has a different trouble and a terrible secret. Can one die of shame? In another quarter a suicide pact seems the

solution. Duncan Cambus thinks that since it is a tragedy, someone must die. Someone dies. Rose, who has gone on loving without hope, at least deserves a reward.

Jacob's Folly

A Novel *Farrar, Straus and Giroux*

A luminous novel-funny and moving in equal measure-that shines with the author's unique talents. Jacob's Folly is a rollicking, ingenious, saucy book, brimful of sparkling, unexpected characters, that takes on desire, faith, love, acting-and reincarnation. In eighteenth-century Paris, Jacob Cerf is a Jew, a peddler of knives, saltcellars, and snuffboxes. Despite a disastrous teenage marriage, he is

determined to raise himself up in life, by whatever means he can. More than two hundred years later, Jacob is amazed to find himself reincarnated as a fly in the Long Island suburbs of twenty-first-century America, his new life twisted in ways he could never have imagined. But even the tiniest of insects can influence the turning of the world, and thanks to his arrival, the lives of a reliable volunteer fireman and a young Orthodox Jewish woman nursing a secret ambition will never be the same. Through the unique lens of Jacob's consciousness, Rebecca Miller explores change in all its different guises—personal, spiritual, literal. The hold of the

past on the present, the power of private hopes and dreams, the collision of fate and free will: Miller's world—which is our own, transfigured by her clear gaze and by her sharp, surprising wit—comes brilliantly to life in the pages of this profoundly original novel.

Emily Hudson

A Novel *Penguin*

Based on an episode in Henry James's life, the captivating story of a young heroine with ambitions and desires beyond her time. By the start of the Civil War, Emily Hudson has lost her entire family to consumption. Wholly dependent upon her puritanical uncle, Emily forms a close bond with her ailing cousin, William, an ambitious

young writer. When a promising engagement is broken, William, obsessed by Emily's spirit and beauty, becomes her patron and takes her to England-only to manipulate and neglect her for the sake of his own creativity. There, Emily finally spurns her cousin's rules and sets out alone to pursue an artist's life in the eternal city of Rome. Reminiscent of the novels of Edith Wharton and the films of Merchant Ivory, Emily Hudson will resonate with anyone who has ever sought to be true to herself.

The Black Prince *Penguin*

Bradley Pearson, an unsuccessful novelist in his late fifties, has finally left his dull

office job as an Inspector of Taxes. Bradley hopes to retire to the country, but predatory friends and relations dash his hopes of a peaceful retirement. He is tormented by his melancholic sister, who has decided to come live with him; his ex-wife, who has infuriating hopes of redeeming the past; her delinquent brother, who wants money and emotional confrontations; and Bradley's friend and rival, Arnold Baffin, a younger, deplorably more successful author of commercial fiction. The ever-mounting action includes marital cross-purposes, seduction, suicide, abduction, romantic idylls, murder, and due process of law. Bradley tries to escape from it

all but fails, leading to a violent climax and a coda that casts shifting perspectives on all that has preceded.

The Secret Scripture

A Novel *Penguin*

An epic story of family, love, and unavoidable tragedy from the two-time Man Booker Prize finalist. Now a major motion picture starring Rooney Mara. Sebastian Barry's latest novel, *Days Without End*, is now available. Sebastian Barry's novels have been hugely admired by readers and critics, and in 2005 his novel *A Long Long Way* was shortlisted for the Man Booker Prize. In *The Secret Scripture*, Barry revisits County Sligo, Ireland, the setting for his previous three books, to tell the

unforgettable story of Roseanne McNulty. Once one of the most beguiling women in Sligo, she is now a resident of Roscommon Regional Mental Hospital and nearing her hundredth year. Set against an Ireland besieged by conflict, *The Secret Scripture* is an engrossing tale of one woman's life, and a poignant story of the cruelties of civil war and corrupted power. *The Secret Scripture* is now a film starring Rooney Mara, Eric Bana, and Vanessa Redgrave.

The End Of Alice

Simon and Schuster

From the 2013 Orange Prize-winning author of *May We Be Forgiven*. Only a work of such searing, meticulously controlled brilliance could provoke such a

wide range of visceral responses. Here is the incredible story of an imprisoned pedophile who is drawn into an erotically charged correspondence with a nineteen-year-old suburban coed. As the two reveal—and revel in—their obsessive desires, Homes creates in *The End of Alice* a novel that is part romance, part horror story, at once unnerving and seductive.

My Heart Is a Chainsaw *Simon and Schuster*

Named a Best Book of 2021 by NPR In her quickly gentrifying rural lake town Jade sees recent events only her encyclopedic knowledge of horror films could have prepared her for in this latest novel from the

Jordan Peele of horror literature, New York Times bestselling author Stephen Graham Jones. “Some girls just don’t know how to die...” Shirley Jackson meets Friday the 13th in *My Heart Is a Chainsaw*, written by the author of *The Only Good Indians* Stephen Graham Jones, called “a literary master” by National Book Award winner Tananarive Due and “one of our most talented living writers” by Tommy Orange. Alma Katsu calls *My Heart Is a Chainsaw* “a homage to slasher films that also manages to defy and transcend genre.” On the surface is a story of murder in small-town America. But beneath is its beating heart: a biting critique of American colonialism, Indigenous

displacement, and gentrification, and a heartbreaking portrait of a broken young girl who uses horror movies to cope with the horror of her own life. Jade Daniels is an angry, half-Indian outcast with an abusive father, an absent mother, and an entire town that wants nothing to do with her. She lives in her own world, a world in which protection comes from an unusual source: horror movies...especially the ones where a masked killer seeks revenge on a world that wronged them. And Jade narrates the quirky history of Proofrock as if it is one of those movies. But when blood actually starts to spill into the waters of Indian Lake, she pulls us into her dizzying,

encyclopedic mind of blood and masked murderers, and predicts exactly how the plot will unfold. Yet, even as Jade drags us into her dark fever dream, a surprising and intimate portrait emerges...a portrait of the scared and traumatized little girl beneath the Jason Voorhees mask: angry, yes, but also a girl who easily cries, fiercely loves, and desperately wants a home. A girl whose feelings are too big for her body. My Heart Is a Chainsaw is her story, her homage to horror and revenge and triumph.

The Accidental Anchor

Filled with the bestselling, award-winning author's trademark wordplay and inventive

storytelling, here is the dizzyingly entertaining, wickedly humorous story of a mysterious stranger whose sudden appearance during a family's summer holiday transforms four variously unhappy people. Each of the Smarts—parents Eve and Michael, son Magnus, and the youngest, daughter Astrid—encounter Amber in his or her own solipsistic way, but somehow her presence allows them to see their lives (and their life together) in a new light. Smith's narrative freedom and exhilarating facility with language propel the novel to its startling, wonderfully enigmatic conclusion.

The Choices We Make

A Novel MIRA

"Karma Brown's work is as smart as it is effortless to read."
—Taylor Jenkins Reid, New York Times bestselling author of *Reese's Book Club Pick Daisy Jones & The Six*
From #1 internationally bestselling author of *Recipe for a Perfect Wife* comes an unforgettable story that explores the intricate dynamics of friendship and parenthood. Best friends Hannah and Kate have been inseparable almost all of their lives. While they're close as sisters, Hannah can't help but feel envious of the little family Kate and her husband, David, have created—complete with two perfect little girls. She and Ben have been trying for years to

have a baby, so when they receive the news that she will likely never get pregnant, Hannah's heartbreak is overwhelming. They begin to tentatively explore the other options, and Kate offers to be Hannah's surrogate. But as these two families embark on an incredible journey toward parenthood, a devastating tragedy puts everything at risk of falling apart. Poignant, twisty and refreshingly honest, *The Choices We Make* is a powerful tale of an incredible friendship and the risks we take to make our dreams come true.

Good Behaviour *New York Review of Books*

This Booker Prize-short listed dark satire of 20th-century Irish society is back in print.

Is it possible to kill with kindness? As Molly Keane's Booker Prize-short-listed dark comedy suggests, not only can kindness be deadly, it just may be the best form of revenge. The novel opens as Aroon St. Charles prepares to serve her invalid mother a splendid luncheon—the silver gleams, the linens glow—of rabbit mousse, a dish her mother despises. In fact, a single whiff of the stuff is enough to knock the old lady dead. “All my life so far I have done everything for the best reasons and the most unselfish motives,” says Aroon soon after. In the pages that follow she will make her case, reminiscing about her youth among the hunting-and-fishing

classes of Ireland, a faded aristocracy dedicated to distraction even as their fortunes dwindle. Keane's brilliant sleight of hand is to allow her blinkered heroine to narrate her own development from neglected child, to ungainly debutante, to bitter spinster: Aroon understands nothing, yet she reveals all.

The Aftermath

Vintage

1946, post-World War II Hamburg. While thousands wander the rubble, lost and homeless, Colonel Lewis Morgan, charged with overseeing the rebuilding of this devastated city and the denazification of its defeated people, is stationed in a grand house on the River Elbe. He is awaiting the

arrival of his wife, Rachael—still grieving for their eldest son—and their only surviving son, Edmund. But rather than force the owners of the house, a German widower and his rebellious daughter, out onto the streets, Lewis insists that the two families live together. In this charged atmosphere, both parents and children will be forced to confront their true selves as enmity and grief give way to passion and betrayal, to their deepest desires, their fiercest loyalties, and the transforming power of forgiveness. This courageous new novel from award-winning author Rhidian Brook tells an emotionally riveting story of two families, one house,

and love grown from hate. This ebook edition includes a Reading Group Guide.

Snowdrops

A Novel *Anchor*

SHORTLISTED for the 2011 Man Booker Prize for Fiction An intense psychological drama that echoes sophisticated entertainments like *Gorky Park* and *The Talented Mr. Ripley*. Nick Platt is a British lawyer working in Moscow in the early 2000s—a place where the cascade of oil money, the tightening grip of the government, the jostling of the oligarchs, and the loosening of Soviet social mores have led to a culture where corruption, decadence, violence, and betrayal

define everyday life. Nick doesn't ask too many questions about the shady deals he works on—he's too busy enjoying the exotic, surreally sinful nightlife Moscow has to offer. One day in the subway, he rescues two willowy sisters, Masha and Katya, from a would-be purse snatcher. Soon Nick, the seductive Masha, and long-limbed Katya are cruising the seamy glamour spots of the city. Nick begins to feel something for Masha that he is pleased to think is love. Then the sisters ask Nick to help their aged aunt, Tatiana, find a new apartment. Of course, nothing is as it seems—including this extraordinary debut novel. The twists in the story take it far beyond its noirish frame—the

sordid and vivid portrayal of Moscow serves as a backdrop for a book that examines the irresistible allure of sin, featuring characters whose hearts are as cold as the Russian winter.

Falling Stars

Createspace

Independent Pub

NEWLY EDITED: October 2013 "The haunting pools of dark chocolate drew me in and made my skin crackle. She was beautiful, breathtakingly so. before this moment, I don't think I truly realized just how beautiful she is. A new ache formed in my chest." Christopher Mason, front man of the band The Forgotten. He's hot, he's famous and

everything a famous rock star can be. But despite his fame and bad boy look, inside he battles demons. Demons so powerful they may destroy him. All hope seems lost. Slowly, his star is falling. Mia Ryder, lead vocalist of the band Hushed Mentality, enters his life. Energetic, fun, and laidback, Mia is just about everything Christopher isn't. And he definitely doesn't want her on his tour. But one night changes everything. For the first time in his life, Christopher Mason becomes sure of one thing, and it's the one thing he's tried so hard to push away.

Inside the Whale

Anchor Canada

Inside the Whale is a story about the big

things that hold us together and the small things that prove our undoing. It is a dazzling celebration of the bright joys, hard losses and deep contentments borne by two eccentric families as the twentieth century unfolds. Fizzing with eclectic characters and poignant imagery, this heart-wrenching debut novel is a story to relish.

When We Were Rich

Simon and Schuster

The brilliant new novel from the author of *The Last Summer of the Water Strider* 'A sharp and very funny portrait of a brash era which is also a surprisingly tender take on flawed masculinity.' Sarah Hughes, *i paper* 'What a terrific novel - wickedly sharp, wildly

entertaining - I was gripped from start to finish. With its twisty plots and interwoven characters it paints a vivid portrait of a crucial decade. It's laugh-out-loud funny, too. And with property porn thrown in, what's not to like' Deborah Moggach *Millennium Eve* and six people gather on a London rooftop. Recently married, Frankie Blue watches with his wife, Veronica, as the sky above the Thames explodes into a kaleidoscope of light. His childhood companion, Colin, ineptly flirts with Roxy, an unlikely first date, while another old friend, Nodge, newly 'out', hides his insecurities from his waspish boyfriend. New Labour are at their zenith. The

economy booms, awash with cheap credit. The arrival of the smartphone heralds the sudden and vast expansion of social media. Mass immigration from Eastern Europe leave many unsettled while religious extremism threatens violent conflict. An estate agent in a property boom, Frankie is focused simply on getting rich. But can he survive the coming crash? And what will become of his friends - and his marriage - as they are scoured by the winds of change? When We Were Rich finds the characters introduced in Tim Lott's award-winning 1999 debut, *White City Blue*, struggling to make sense of a new era. Sad, shocking and often hilarious, it is an acutely observed novel of all our lives, set during what was for some a golden time - and for others a nightmare, from which we are yet to wake up. 'Wickedly funny and deeply humane. I loved this book' Sadie Jones 'Tim Lott revisits the years between millennium fever and the financial crisis, and brings this already long-lost era back to life in a novel every bit as evocative and compelling as we would expect from this prodigiously gifted author' Jonathan Coe Praise for *The Last Summer of the Water Strider*: 'I was very moved by *The Last Summer of the Water Strider*, which is both exquisitely specific to time and place and universal in its examination of

humanity, grief and the bizarre prisons that people build for themselves - and one another. Funny, fascinating, mysterious and provocative' Sadie Jones, author of *The Outcast* 'Great storytelling and superb characterisation. Very few writers can evoke quintessential Englishness in its myriad forms like Tim Lott. I loved it' Irvine Welsh 'Lott is excellent when it comes to the psychology of a grieving adolescent' *Observer*

The Pure Gold Baby

*Houghton Mifflin
Harcourt*

Her promising career in 1960s London interrupted by an affair with a married professor that renders her a single mother, anthropology student

Jessica Speight faces wrenching questions about responsibility, potential and compassion when her sunny child reveals unique needs. By the renowned author of *The Sea Lady*. 30,000 first printing.

God's Own Country

Penguin UK

Granta Best Young British Novelist and Sunday Times Young Writer of the Year, Shortlisted for NINE literary awards 'Ross Raisin's story of how a disturbed but basically well-intentioned rural youngster turns into a malevolent sociopath is both chilling in its effect and convincing in its execution' J. M. Coetzee 'Utterly frightening and electrifying' Joshua Ferris 'Astonishing, funny, unsettling ... An

unforgettable creation [whose] literary forebears include Huckleberry Finn, Holden Caulfield and Alex from *A Clockwork Orange*. The Times 'Remarkable, compelling, very funny and very disturbing . . . like no other character in contemporary fiction'. Sunday Times *In God's Own Country*, one of the most celebrated debut novels of recent years, Ross Raisin tells the story of solitary young farmer, Sam Marsdyke, and his extraordinary battle with the world. Expelled from school and cut off from the town, mistrusted by his parents and avoided by city incomers, Marsdyke is a loner until he meets rebellious new neighbour Josephine. But what begins as a

friendship and leads to thoughts of escape across the moors turns to something much, much darker with every step. 'Powerful, engrossing, extraordinary, sinister, comic. A masterful debut' Observer

The Best Kind of People

A Novel *Ballantine Books*

A local schoolteacher is arrested, leaving his family to wrestle with the possibility of his guilt, in this exquisite novel about loyalty, truth, and happiness. The Woodburys cherish life in the affluent, bucolic suburb of Avalon Hills, Connecticut. George is a beloved science teacher at the local prep school, a hero who once thwarted a

gunman, and his wife, Joan, is a hardworking ER nurse. They have brought up their children in this thriving town of wooded yards and sprawling lakes. Then one night a police car pulls up to the Woodbury home and George is charged with sexual misconduct with students from his daughter's school. As he sits in prison awaiting trial and claiming innocence, Joan vaults between denial and rage as friends and neighbors turn cold. Their daughter, seventeen-year-old Sadie, is a popular high school senior who becomes a social outcast—and finds refuge in an unexpected place. Her brother, Andrew, a lawyer in New York, returns home to support the family,

only to confront unhappy memories from his past. A writer tries to exploit their story, while an unlikely men's rights activist group attempts to recruit Sadie for their cause. Provocative and unforgettable, *The Best Kind of People* reveals the cracks along the seams of even the most perfect lives and the unraveling of an American family. GILLER PRIZE FINALIST • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE NEW YORK POST "A compelling exploration of the ways a crime implicates all of us."—Kaitlyn Greenidge, author of *We Love You, Charlie Freeman* "I am obsessed with this book."—Samantha Irby, author of *We Are Never Meeting in Real*

Life “In our post-Harvey Weinstein world [this book] feels more timely and urgent than ever. . . . It draws an elegant line between rape culture, patriarchy, and privilege.”—Claire Cameron, *The Millions* “Every character is fully rounded, flawed, and achingly human. It puts me in mind of a twenty-first-century Ordinary People.”—Kate Harding, author of *Asking for It* “Sure to provoke debate and send book discussion groups into overtime.”—Library Journal (starred review) “A powerful page-turner.”—*Cosmopolitan*

Unknown

Outcast Season: Book Two *Penguin*
Second in the new

series from the New York Times bestselling author Living among mortals, the djinn Cassiel has developed a reluctant affection for them—especially for Warden Luis Rocha. As the mystery deepens around the kidnapping of innocent Warden children, Cassiel and Luis are the only ones who can investigate both the human and djinn realms. But the trail will lead them to a traitor who may be more powerful than they can handle...

Vinegar Hill *Harper Collins*

In a stark, troubling, yet ultimately triumphant celebration of self-determination, award-winning author A. Manette Ansay recreates a stifling world of guilty and pain, and the tormented souls

who inhabit it. It is 1972 when circumstance carries Ellen Grier and her family back to Holly's Field, Wisconsin. Dutifully accompanying her newly unemployed husband, Ellen has brought her two children into the home of her in-laws on Vinegar Hill--a loveless house suffused with the settling dust of bitterness and routine--where calculated cruelty is a way of life preserved and perpetuated in the service of a rigid, exacting and angry God. Behind a facade of false piety, there are sins and secrets in this place that could crush a vibrant young woman's passionate spirit. And here Ellen must find the straight to endure, change, and grow in the all-

pervading darkness that threatens to destroy everything she is and everyone she loves.

Frog Music

A Novel *Little, Brown*

From the author of the worldwide bestseller *Room*: "Her greatest achievement yet...Emma Donoghue shows more than range with *Frog Music* -- she shows genius."- Darin Strauss, author of *Half a Life*. Summer of 1876: San Francisco is in the fierce grip of a record-breaking heat wave and a smallpox epidemic. Through the window of a railroad saloon, a young woman named Jenny Bonnet is shot dead. The survivor, her friend Blanche Beunon, is a French burlesque dancer. Over the next

three days, she will risk everything to bring Jenny's murderer to justice -- if he doesn't track her down first. The story Blanche struggles to piece together is one of free-love bohemians, desperate paupers, and arrogant millionaires; of jealous men, icy women, and damaged children. It's the secret life of Jenny herself, a notorious character who breaks the law every morning by getting dressed: a charmer as slippery as the frogs she hunts. In thrilling, cinematic style, *Frog Music* digs up a long-forgotten, never-solved crime. Full of songs that migrated across the world, Emma Donoghue's lyrical tale of love and bloodshed among lowlifes captures the pulse of a

boomtown like no other.

This Is Happiness

Bloomsbury Publishing USA

NAMED A BEST BOOK OF THE YEAR BY THE WASHINGTON POST and REAL SIMPLE A profound and enchanting new novel from Booker Prize-longlisted author Niall Williams about the loves of our lives and the joys of reminiscing. You don't see rain stop, but you sense it. You sense something has changed in the frequency you've been living and you hear the quietness you thought was silence get quieter still, and you raise your head so your eyes can make sense of what your ears have already told you, which at first is only: something has changed. The rain is

stopping. Nobody in the small, forgotten village of Faha remembers when it started; rain on the western seaboard was a condition of living. Now--just as Father Coffey proclaims the coming of electricity--it is stopping. Seventeen-year-old Noel Crowe is standing outside his grandparents' house shortly after the rain has stopped when he encounters Christy for the first time. Though he can't explain it, Noel knows right then: something has changed. This is the story of all that was to follow: Christy's long-lost love and why he had come to Faha, Noel's own experiences falling in and out of love, and the endlessly postponed arrival of electricity--a development that,

once complete, would leave behind a world that had not changed for centuries. Niall Williams' latest novel is an intricately observed portrait of a community, its idiosyncrasies and its traditions, its paradoxes and its inanities, its failures and its triumphs. Luminous and otherworldly, and yet anchored with deep-running roots into the earthy and the everyday, *This Is Happiness* is about stories as the very stuff of life: the ways they make the texture and matter of our world, and the ways they write and rewrite us.

The Household Guide to Dying

A Novel About Life
Penguin

Now that popular household advice columnist Delia Bennet is dying from cancer, she's compiled the ultimate to-do list: plan her daughter's future wedding, fill the freezer with her family's favorite meals—perhaps even do some matchmaking for her husband. But just as Delia comes to terms with the impossibility of ever tying every loose thread together in her too-short time, an unexpected visitor helps her believe in her life's worth in a way no list ever could...

As the Earth Turns Silver

ReadHowYouWant.com

From the late nineteenth century to the 1920's, from Kwangtung, China to Wellington and Dunedin and the

Battlefields of the Western Front? A story of two families. Yung faces a new land that does not welcome the Chinese.? Alone, Katherine struggles to raise her children and find her place in the world. In a climate of hostility towards the foreign newcomers, Katherine and Yung embark on a poignant and far-reaching love affair Alison's debut novel, *As the Earth Turns Silver*, was over a decade in the making. The novel achieved instant success overseas, with international rights and foreign language editions being sold in the UK, Australia, and parts of Europe and Asia. At home, it was shortlisted for the 2010 Nielsen BookData Booksellers' Choice Award, and won the

2010 New Zealand Post Book Award for Fiction, establishing Alison as a major new voice in contemporary New Zealand fiction. *Alison* currently lives in Geelong, Australia, where *As the Earth Turns Silver* was shortlisted for the 2010 Australian Prime Minister's Literary Awards. The novel has also been longlisted for the 2011 International IMPAC Dublin Literary Award.

I Am One of You Forever

A Novel *LSU Press*

Wonderfully funny and also deeply touching, *I Am One of You Forever* is the story of a young boy's coming of age. Set in the hills and hollows of western North Carolina in the years around World

War II, it tells of ten-year-old Jess and his family -- father, mother, grandmother, foster brother, and an odd assortment of other relatives -- who usher Jess into the adult world, with all its attendant joys and sorrows, knowledge and mystery. Jess's father is feisty, restless, and fun-loving. His mother is straitlaced and serious but accepts with grace and good humor the antics of the men of the family, a trait she learned from her own mother. Johnson Gibbs is the orphaned teenager who comes to live with them on their mountain farm. Life on the laurel-covered mountain is isolated and at times difficult, but for Jess it is made rich and remarkable through his

relationship with his father and, especially, Johnson Gibbs. Visiting the farm from time to time is a gallery of eccentric relatives who are surely among the most memorable creations in recent fiction. Uncle Luden is a womanizer who left the mountains years ago for a job in California that "paid actual cash money." Uncle Gurton has a spooky way of appearing and disappearing without ever seeming to enter or exit, but it is his flowing beard, which he has apparently never trimmed and which he keeps tucked inside his overalls, that is of most fascination to Jess. Uncle Zeno is a storyteller. With the words "That puts me in mind of..." everyone around knows that he

is about to launch into another of his endless tales. Uncle Runkin, who always brings his handmade coffin to sleep in whenever he visits, spends his time carving intricate designs into the coffin and trying to find just the right epitaph for his tombstone. Aunt Samantha Barefoot stops by for a brief spell, too. A country singer and cousin to Jess's grandmother, she is a woman of uncensored speech (Jess learns a lot from her) and honest emotions. Chappell tells the story of all of these characters in a series of chapters that range from fantasy and near farce to pathos. As notable for its lyrical descriptions of the rural settings as for its finely honed vernacular dialogue, *I Am One of*

You Forever shows us a world full of wit and wisdom and the sadness at the heart of things. As one would expect from a poet like Fred Chappell, every line offers its own pleasures and satisfactions.

The Clothes On Their Backs

A Novel *Simon and Schuster*

Orange Prize winner and shortlisted for the Man Booker Prize 2008, Linda Grant has created an enchanting portrait of a woman who, having endured unbearable loss, finds solace in the family secrets her estranged uncle reveals. In vivid and supple prose, Grant subtly constructs a powerful story of family, love, and the hold the past has on

the present. Vivien Kovacs, a sensitive, bookish girl grows up sealed off from the world by her timid Hungarian refugee parents, who conceal the details of their history and shy away from any encounter with the outside world. She learns how to navigate British society from an eccentric cast of neighbors -- including a fading ballerina, a cartoonist, and a sad woman who wanders the city and teaches Vivien to be beautiful. She loses herself in books and reinvents herself according to her favorite characters, but it is through clothes that she ultimately defines herself. Against her father's wishes, she forges a relationship with her uncle, a notorious

criminal and slum landlord, who, in his old age, wants to share his life story. As he exposes the truth about her family's past Vivien learns how to be comfortable in her own skin and how to be alive in the world. Grant is a spectacularly humanizing writer whose morally complex characters explore the line between selfishness and self-preservation.

The Beacon *Random House*

What happens to a family when one of the brothers publishes his "misery memoir?" Is his litany of childhood torment a complete invention? Or was there really a cupboard under the stairs? The farmhouse was called The Beacon and they had been born and

reared there, May, Colin, Frank and Berenice, but only May had been left for the last 27 years . . . May had been the clever daughter and she had escaped the shelter of The Beacon, just once, to go to university. But in London she had been pursued by nameless terrors, the victim of fears and anxieties. Now she was the spinster daughter, the one who stayed, who nursed her father after his accident and looked after her mother in her old age. Frank was the one who got away. He married and moved on. But why does no one ever mention Frank's name? Richly atmospheric, evoking mystery, ambiguity and suspense, The Beacon is a novella which continues to resonate

beyond the final pages.

**Wake Up, Life is
Calling** *Sristhi
Publishers &
Distributors*

What if your mind is your greatest enemy? What if you were living your worst nightmare? How would you cope? Ankita has fought a mental disorder, been through hell, and survived two suicide attempts. Now in Mumbai, surrounded by her loving and supportive parents, everything seems idyllic. She is not on medication. She is in a college she loves, studying her dream subject: Creative Writing. She has made friends with the bubbly Parul and the glamorous Janki. At last leading a 'normal life', she immerses herself in every bit of it

– the classes, her friends, her course and all the carefree fun of college. Underneath the surface, however, there is trouble brewing. A book she discovers in her college library draws her in, consumes her and sends her into a terrifying darkness that twists and tears her apart. To make matters worse, a past boyfriend resurfaces, throwing her into further turmoil. Armed with only a pen and a journal, she desperately fights with every ounce of strength she has. But can she escape her thoughts? Will Ankita survive the ordeal a second time around? What does life have in store for her? Preeti Shenoy's compelling sequel to the iconic bestseller *Life is What You Make It* chronicles

the resilience of the human mind and the immense power of positive thinking. The gripping narrative demonstrates with gentle wisdom how by changing our thoughts, we can change our life itself.

A Singular Hostage *Bantam*

In a land of exotic splendor, a young Englishwoman finds herself guardian of an orphan child believed by a dying maharajah to be endowed with magical gifts. It is a role that will take her on a perilous journey into a kingdom's walled city to protect a child she doesn't know from a culture she doesn't understand... A Singular Hostage The year is 1838. Mariana Givens, a spirited young woman of

twenty, has been sent to India to find a suitable husband. Traveling as a translator, she joins the entourage of Lord Auckland, the British Governor-General, as he journeys across India with an army ten thousand strong to meet the fabled Ranjit Singh, Maharajah of the Punjab. Eager young officers compete for Mariana's favor, but it is with India that she falls in love: the baggage elephants tramping through country vast and wild; the scent of exotic foods at remote campsites; the enigmatic tutor who is her guide to native languages and ways. Lord Auckland must forge an alliance with Ranjit Singh that will deliver Afghanistan into British control, but

as he negotiates his crucial treaty, Mariana is drawn into a perilous conspiracy surrounding the one-eyed Maharajah's baby hostage--a child of mystical repute named Saboor.

Starter for Ten

A Novel *Villard*

NOW A MAJOR MOTION PICTURE "Utterly charming . . . a big-hearted, flawless coming-of-age tale, as scary and funny as your yearbook picture."—People (four stars) The year is 1985. Brian Jackson, a working-class kid on full scholarship, has started his first term at university. He has a dark secret—a long-held, burning ambition to appear on the wildly popular British TV quiz show University

Challenge—and now, finally, it seems the dream is about to become reality. He's made the school team, and they've completed the qualifying rounds and are limbering up for their first televised match. (And, what's more, he's fallen head over heels for one of his teammates, the beautiful, brainy, and intimidatingly posh Alice Harbinson.) Life seems perfect and triumph inevitable—but as his world opens up, Brian learns that a little knowledge can be a dangerous thing. Praise for *A Starter for Ten* "Fresh, edgy and very funny . . . [David Nicholls] has a talent for droll dialogue and a wonderful sense of the ridiculous."—USA Today "Starter for Ten has that elusive Hornby-factor. . . . It's

wincingly funny . . . a prospect to savour."—Arena

Beautiful Lies
*Houghton Mifflin
 Harcourt*

A tale inspired by a true story follows the experiences of Scottish

aristocrat's wife Maribel Campbell, a self-proclaimed Chilean heiress who in late Victorian London finds her husband's career threatened by a notorious journalist's investigation into her true past.
