Career Management Document
 A Career Management Document (CMD) is a comprehensive collection of your résumé and portfolio content. It's a document you update regularly, over time, with all the work you've done. When you're ready to apply for your next

job, you'll have all the résumé and portfolio pieces available in your CMD.

An Essential Tool for Capturing Your Career ...

Similar to a curriculum vitae (CV), your career management document, also known as a master resume, is a document where you keep track of all your experience and every professional accomplishment. Update it on a regular basis — monthly or quarterly — so that you don't forget the details of major projects or other accomplishments.

Creating a Career Management Document or Master Resume

In essence the Career Management Document (or CMD) is where you keep your record of your career. It's never

seen by anyone but you, and it's not your resume. Having a CMD is not enough though. We need to use it as part of an entire system of Career Documentation which results in an effective resume.

Systematic Career Documentation - Part 1 (Hall Of Fame ...

Career management can be defined as the process that plans and shapes the progression of individuals within an organisation in accordance with the organisational needs and objectives, employees = performance potential and their preferences (i.e: the integration of the individual=s objectives with those of the organisation).

2. DEFINING CAREER MANAGEMENT

Career management policies describe the types of career moves available to employees. For example, a lateral move indicates a job opportunity at the same level but in a different department or location. A vertical move provides the employee with a promotion into a management or consultant role based on her performance.

Career Management Policies | Bizfluent

Career management is conscious planning of one's activities and engagements in the jobs one undertakes in the course of his life for better fulfilment, growth and financial stability. It is a sequential process that starts from an understanding of oneself and encompasses occupational awareness.

Career Management - Meaning and Important Concepts

Career management is the combination of structured planning and the active management choice of one's own professional career. Career management was first defined in a social work doctoral thesis by Mary Valentich as the implementation of a career strategy through application of career tactics in relation to chosen career orientation. Career orientation referred to the overall design or pattern of one's career, shaped by particular goals and interests and identifiable by particular positions tha
