Lister Petter engines are adapted to a diverse range of applications including generating sets, pumps, agricultural machinery, construction plant and emergency equipment operating reliably in all conceivable ambient conditions.

Lister Petter

In the early years of the 21st century, small, durable, reliable industrial and marine engines continued to be a staple, notably the ALPHA water-cooled industrial and marine engines (2-, 3- or 4-cylinder) and the "T" air-cooled series (1-, 2- or 3-cylinder). Engines and diesel generating sets continued to be assembled and sold from a factory on the original Dursley site, with the product range expanded to include more powerful engines and a wider range of generating set specifications.
