The wolf stalks the wilderness and our own imaginations. Uncover its mysteries in this beautifully written non-fiction picture book. Majestic and fierce, proud and strong, the wolf has always been a source of fascination - and fear. It remains one of the most misunderstood of all creatures, frequently cast as our mortal enemy. The truth is that wolves and humans are more closely connected than we dare to admit. With beautifully lyrical language, Smriti Prasadam-Halls explores the lightning speed, echoing howl and family life of these mysterious animals, revealing astonishing facts and overturning misconceptions as she does so. Wildlife illustrator Jonathan Woodward brings the creatures to life with breathtaking papercut collage artwork. This is non-fiction storytelling at its very finest. The Wolf of Wall Street *Bantam*

NEW YORK TIMES BESTSELLER • Now a major motion picture directed by Martin Scorsese and starring Leonardo DiCaprio By day he made thousands of dollars a minute. By night he spent it as fast as he could. From the binge that sank a 170-foot motor yacht and ran up a \$700,000 hotel tab, to the wife and kids waiting at home and the fast-talking, hard-partying young stockbrokers who called him king, here, in Jordan Belfort's own words, is the story of the ill-fated genius they called the Wolf of Wall Street. In the 1990s, Belfort became one of the most infamous kingpins in American finance: a brilliant, conniving stock-chopper who led his merry mob on a wild ride out of Wall

Street and into a massive office on Long Island. It's an extraordinary story of greed, power, and excess that no one could invent: the tale of an ordinary guy who went from hustling Italian ices to making hundreds of millions—until it all came crashing down. Praise for *The Wolf of Wall Street* “Raw and frequently hilarious.”—The New York Times “A rollicking tale of [Jordan Belfort's] rise to riches as head of the infamous boiler room Stratton Oakmont . . . proof that there are indeed second acts in American lives.”—Forbes “A cross between Tom Wolfe's *The Bonfire of the Vanities* and Scorsese's *GoodFellas* . . . Belfort has the Midas touch.”—The Sunday Times (London) “Entertaining as pulp fiction, real as a federal indictment . . . a hell of a read.”—Kirkus Reviews

A leadership book by former Navy SEAL and New York Times bestselling author Mark Divine, *Staring Down the Wolf* focuses on harnessing the principles of purpose and discipline in life to achieve success. What does it take to command a team of elite individuals? It requires a commitment to seven key principles: Courage, Trust, Respect, Growth, Excellence, Resiliency, and Alignment. All of these are present in an elite team which commits to them deeply in order to forge the character worthy of uncommon success. Retired Navy SEAL Commander, entrepreneur and New York Times bestselling author Mark Divine (founder of SEALFIT, NavySeal.com, and Unbeatable Mind) reveals what makes the culture of an elite team, and how to get your own team to commit to serve at an elite level. Using principles he learned on the battlefield, training SEALs, and in his own entrepreneurial and growth company ventures, Mark knows what it is to lead elite teams, and how easily the team can fail by breaching these commitments. Elite teams challenge themselves to step up everyday to do the uncommon. Developing the principles yourself and aligning your team around these commitments will allow you to thrive in VUCA (volatility, uncertainty, complexity, ambiguity) environments, no matter your background or leadership experience. Drawing from his twenty years leading SEALs, and twenty five years of success and failure in entrepreneurship and ten years coaching corporate clients, Mark Divine shares a very unique perspective that will allow you to unlock the tremendous power of your team. "Mark Divine has a gift for creating highly effective dynamic teams.

Mark interleaves key aspects of leadership, mental toughness, resiliency and cultivating higher plains of existence into a foundational concept of being an authentic 'Leader of leaders.' This book is indispensable for anyone looking to lead, build and foster an elite culture." -Mike Magaraci, retired Force Master Chief of Naval Special Warfare "From his time as a Commander in the SEAL Teams to building several successful multimillion dollar businesses, Mark Divine is an authority on building elite teams and leaders capable of tapping their fullest potential." -David Goggins, Retired Navy SEAL, author of New York Times Bestseller Can't Hurt Me "To grow to your fullest capacity in your life and as a leader, we need to challenge ourselves. There's no one I know who's challenged himself more than Mark Divine. He's the perfect visionary to help get you out of your comfort zone and shattering the status quo." -Joe De Sena, Founder and CEO of Spartan

Ascension

My father is the alpha, a mantle my unborn brother will take one day. But as daughter of the alpha, my role isn't yet certain. My heart is set on becoming the beta, I want to show our kind that a female can be just as strong as any other wolf, without needing a mate to protect her. But when my father is called to help a neighboring pack, suddenly everything changes. I'm thrown into a world of intrigue, deadly plots, and a fight for power. As a female who never wanted or needed a mate, I now find myself torn between two males. One, the leader. The other, an untamed wolf. Never Cry Wolf *McClelland & Stewart*

EYE TO EYE WITH DEATH: THE WOLF PROJECT Hordes of

bloodthirsty wolves are slaughtering the arctic caribou, and the government's Wildlife Service assigns naturalist Farley Mowat to investigate. Mowat is dropped alone onto the frozen tundra, where he begins his mission to live among the howling wolf packs and study their ways. Contact with his quarry comes quickly, and Mowat discovers not a den of marauding killers but a courageous family of skillful providers and devoted protectors of their young. As Mowat comes closer to the wolf world, he comes to fear with them the onslaught of bounty hunters and government exterminators out to erase the noble wolf community from the Arctic. *Never Cry Wolf* is one of the brilliant narratives on the myth and magic of wild wolves and man's true place among the creatures of nature. "We have doomed the wolf not for what it is, but for what we deliberately and mistakenly perceive it to be — the mythologized epitome of a savage, ruthless killer — which is, in reality, no more than the reflected image of ourself." — From the new Preface

Be Obsessed or Be Average *Penguin*

From the millionaire entrepreneur and New York Times bestselling author of *The 10X Rule* comes a bold and contrarian wake-up call for anyone truly ready for success. One of the 7 best

motivational books of 2016, according to Inc. Magazine. Before Grant Cardone built five successful companies (and counting), became a multimillionaire, and wrote bestselling books... he was broke, jobless, and drug-addicted. Grant had grown up with big dreams, but friends and family told him to be more reasonable and less demanding. If he played by the rules, they said, he could enjoy everyone else's version of middle class success. But when he tried it their way, he hit rock bottom. Then he tried the opposite approach. He said NO to the haters and naysayers and said YES to his burning, outrageous, animal obsession. He reclaimed his obsession with wanting to be a business rock star, a super salesman, a huge philanthropist. He wanted to live in a mansion and even own an airplane. Obsession made all of his wildest dreams come true. And it can help you achieve massive success too. As Grant says, we're in the middle of an epidemic of average. The conventional wisdom is to seek balance and take it easy. But that has really just given us an excuse to be unexceptional. If you want real success, you have to know how to harness your obsession to rocket to the top. This book will give you the inspiration and tools to break out of your cocoon of mediocrity and achieve your craziest dreams. Grant will teach you how to:

- Set crazy goals—and reach them, every single day.
- Feed the beast: when you value money and spend it on the right things, you get more of it.
- Shut down the doubters—and use your haters as fuel.

Whether you're a sales person, small business owner, or 9-to-5 working stiff, your path to happiness runs through your obsessions. It's a simple choice: be obsessed or be average.

Way of the Wolf

Doctor David Lephmann had a great life. A new post at the prestigious Saint Bartholomew's Hospital, a beautiful fiancée whose father happened to be famous in medical circles, money wasn't an issue, and advancement in his chosen field seemed assured... until he meets his new boss. The bigoted Doctor Hoberman has strong views where werewolves and shifters are concerned, and he isn't shy about spreading his dangerous and

irresponsible ideas to anyone willing to listen. David is disgusted to learn that his boss is a closet member of the fanatical and outlawed Anti Monster League, and finds himself ostracized by Hoberman's clique. Before he knows what's happening, he is forced to take a stand to get away from Hoberman and his lackeys, and accepts a position at Mercy Hospital, where LA's non-human welfare cases find succor. His new mentor is desperate for the help, and welcomes him to the paranormal world of non-human customs, elf healing rituals, and strange magics. One night after a long day at the hospital, David is confronted by the realities of his new life, when he intervenes in a fight he knows nothing about. Two women are fighting for their lives in the street, and before he can really think about it, he foolishly chooses sides and wades into the battle. One moment he's restraining a remarkably strong and lithe woman, the next he's struggling to escape a huge wolf! The shapeshifter savages him, and shatters his new life. Sorely wounded and infected with lycanthropy, he's thrust into a world of violence and mistrust where the only thing that matters is strength. Hoping to find the shifter who destroyed his life, he tracks down her enemy and allies himself with her and Steven Edmonton, a powerful master vampire in need of help himself. A shadow war is brewing in the city, and forces are maneuvering for advantage. Steven is building an army of shifters to protect his interests, and welcomes David into the fold, but challenge and counter is the way of the wolf, and the others won't accept his dominance until he proves his strength. He certainly hadn't been looking for werewolf romance while fighting for his life, but there's something very intriguing about a certain shifter woman, and

fighting isn't on his mind whenever he sees her beguiling eyes and snarling lips. With no way back to his old life, he must fight for a place in this new one, but he's never had to fight for anything in his life. Can he survive the challenge?

Poems confront craving, control, the constant battle of alcoholism and sobriety, and the questioning of the self and its instincts within the context of this never-ending fight. From "Stop Me If You've Heard This One Before" Sometimes you just have to leave whatever's real to you, you have to clomp through fields and kick the caps off all the toadstools. Sometimes you have to march all the way to Galilee or the literal foot of God himself before you realize you've already passed the place where you were supposed to die. I can no longer remember the being afraid, only that it came to an end. Kaveh Akbar is the founding editor of Divedapper. I Hold a Wolf by the Ears

Stories *Farrar, Straus and Giroux*

ONE OF TIME'S 10 BEST FICTION BOOKS OF 2020. Longlisted for the Joyce Carol Oates Prize. Named a Best Book of 2020 by NPR, *Bustle*, *Good Housekeeping*, the New York Public Library, *Library Journal*, *Lit Hub*, *Electric Literature*, and *Tor.com* "As enchanting as fairy tales, as mysterious as dreams, these exquisitely composed fictions are as urgent and original as any being written today." —Sigrid Nunez, author of *The Friend*, winner of the 2018 National Book Award for Fiction An urgent and unsettling collection of women on the verge from Laura van den Berg,

author of *The Third Hotel* I Hold a Wolf by the Ears, Laura van den Berg's first story collection since her prizewinning book *The Isle of Youth*, draws readers into a world of wholly original, sideways ghost stories that linger in the mouth and the mind. Both timeless and urgent, these eleven stories confront misogyny, violence, and the impossible economics of America with van den Berg's trademark spiky humor and surreal eye. Moving from the peculiarities of Florida to liminal spaces of travel in Mexico City, Sicily, and Iceland, *I Hold a Wolf by the Ears* is uncannily attuned to our current moment, and to the fears we reveal to no one but ourselves. In "Lizards," a man mutes his wife's anxieties by giving her a LaCroix-like seltzer laced with sedatives. In the title story, a woman poses as her more successful sister during a botched Italian holiday, a choice that brings about strange and destructive consequences, while in "Karolina," a woman discovers her prickly ex-sister-in-law in the aftermath of an earthquake and is forced to face the truth about her violent brother. *I Hold a Wolf by the Ears* presents a collection of women on the verge, trying to grasp what's left of life: grieving, divorced, and hyperaware, searching, vulnerable, and unhinged, they exist in a world that deviates from our own only when you look too closely. With remarkable control and transcendent talent, van den Berg dissolves, in the words of the narrator of "Slumberland," "that border between magic and annihilation," and further establishes herself as a defining fiction writer of our time.
