In the modern worldview, human reason is autonomous. So also is the individual whose motto has become, “You’re not the boss of me!” Our history is one of emancipation from those who would curb our independence: kings and queens, God and the church, communism and socialism, and tradition and social conventions. Our free economies and liberal democracies are testaments to our individual autonomy.

The Modern Worldview | crossing the line

Christianity - Christianity - Modern views: The modern church and world brought new difficulties to the quest for defining an essence of Christianity. Both as a result of Renaissance humanism, which gloried in human achievement and encouraged human autonomy, and of Reformation ideas that believers were responsible in conscience and reason for their faith, an autonomy in expressing faith developed.
