Crossed is the 2nd book in the Matched series and although I still loved it, I didn't find it quite as engrossing as the first book. For the majority of the book, the three main characters were apart and so much of the appeal lies in the dynamic between them. That being said, Ky has much more of a voice in this book than in the last.

For me, Crossed lacked the action and tension that Matched had and I felt that the only really climatic part of the book was the last 10 chapters or so.
