The rationale for censoring obscenity concerns sustaining public morality which, for Clor, is a communal ethos shaping the opinions, habits, and actions of citizens in every political community. Citizens take their bearings from what is honorable in a particular society—and a political community's public standards of honor and its legal standards end up constituting its moral standards about right and wrong.

R ecently, we have seen a surfeit of criminal cases involving alleged obscenity in public. Despite the fundamental right to freedom of speech and expression enshrined in article 19 (1) (a) of the constitution of India, noted artists and actors have been charged under section 292 of the Indian Penal Code. Indian law on obscenity is often misused in the pursuit of moral interests.

Obscenity and Morality under IP Law. by Prarthana Patnaik September 2, 2018. 1 Comment.
Obscenity under the Indian Penal Code (“IPC”) is a relic of India’s colonial past. Though the need for such a provision is often subject to debate, it is indisputable that the judiciary’s interpretation of this

provision has been often been anachronistic in past instances.
