The Mind Parasites

For over 200 years, mind parasites have been lurking in the deepest layers of human consciousness, feeding on human life force and steadily gaining a foothold on the planet. Now they

threaten humanity's extinction. They can be fought with one weapon only: the mind, pushed to—and beyond—its limits.

THE MIND PARASITES 1967 A story as complex as this has no obvious starting

point; neither am I able to follow Colonel Spencer's suggestion of 'beginning at the beginning and going on to the end', since history has a habit of meandering. The best plan is probably to tell my personal story of the battle against

Colin Wilson - The Mind Parasites - SelfDefinition.Org

The Mind Parasites is a disturbingly creepy story of monsters that live within the depths of human consciousness, feeding off our energy and keeping us depressed, dumbed-down, anxious and living below our potential. Sounds like a common, everyday disease!

The Mind Parasites -- book review

The mind parasites are “quantum” entities, which is to say they are in a

superposition of states—containing both the deepest evil and/or the highest good. On one hand, it is as if these mind parasites are obstructing us from experiencing our true nature.

The Mind Parasites of Colin Wilson: Fiction or Reality ...

This is William S. Burroughs' review (Maynard & Miles C231) of a book by Colin Wilson called The Mind Parasites. It was published in the June 19, 1969 issue of Rat, a New York underground newspaper. The copyediting was very sloppy — the paper even misspelled Burroughs' last name as "Borroughs" — so RealityStudio took the liberty of correcting several obvious solecisms, such as "it's" for "its."

Working like a mental cancer, mind parasites infect people they find threatening—generally, brilliant and inquisitive scientists—and consume them with darkness and dread from the inside, causing a rash of suicides across the world.

Are You Being Controlled By Mind

Parasites? | Could this ...

'The parasites are in space, in a sense, because they are on earth. They came to earth deliberately to feed on the human race. Now we know that human beings all appear to have separate minds, because when each of us descends into his own mind, he loses direct contact with the others.
